SEPTEMBER 2023

NEVER. BE. ABSENT. Attendance Initiative

Parents we need all of our students at school and on time everyday especially from September 5th-October 6th.

The Alabama State Department of Education will use our daily attendance for the next 20 days to determine the number of teachers we will be given next year and the funding given to the school. So, for that reason we need your help by getting your children to school.

Students will be rewarded each week for perfect attendance when they arrive to school on time and without early dismissals.
