

Welcome to Second Grade!

**Parents, please find your child's folder and
begin filling out forms.**

**If you brought supplies, leave them near
your desk. You do not need to unpack them.
I will do this for you 😊**

Mrs. Crumpton

I am very excited to be your teacher this year! This is my 20th year teaching. I taught third grade for 18 years and 2nd grade last year.

I have a master's degree from AUM in early childhood education.

I live in Autaugaville, right next to The Sunflower Field. My husband and I have three children and four grandchildren. I enjoy going to the beach, reading, and watching football.

First Week of School

You will be allowed to walk your child to class on the first day of school from 8:00-8:30. You may drop off supplies at this time.

Please fill out the green transportation card before you leave today. I will laminate them so they will last for two weeks.

Please make sure that they have their bus tag attached to their clothes or their backpack for the first two weeks of school. This ensures that we get them to the appropriate place each afternoon. All transportation changes must be made in writing.

- Please check and remove papers sent home daily.
- Please do not remove anything placed in a sheet protector. These will be useful tools classwork and homework.

Classroom Newsletter

Newsletters are given to students every Monday. You will find information about what we are learning that week, test dates, and any upcoming important dates/information you need to know about on the newsletter. I will also share a link on ParentSquare.

Homework Policy

Students may have math homework occasionally. It will be a practice sheet to review and practice a skill that we have learned in class.

They will also have reading homework that will be sent home on *Monday* to prepare for their tests at the end of that week.

Classroom Behavior

I will communicate concerns through Parent Square. Students will be rewarded with Fun Friday and/or trips to our treasure box. Students may also be assigned silent snack or lunch, given assigned seating, or given time out.

Grading Policy

- Sign up for Powerschool - this allows you to monitor your child's grades.
- Report cards are sent every nine weeks. Progress reports are sent every $4\frac{1}{2}$ weeks.
- Nine weeks averages are comprised of 60% Major and 40% Minor.
- Students will have a minimum of 4 major grades and 6 minor grades each nine weeks. There may be a few added to that total.
- Numerical Grades will be given for Math and Language Arts.
- Science, Social Studies, Handwriting, and PE will be assessed with S-Satisfactory, N-Needs Improvement, and U-Unsatisfactory.

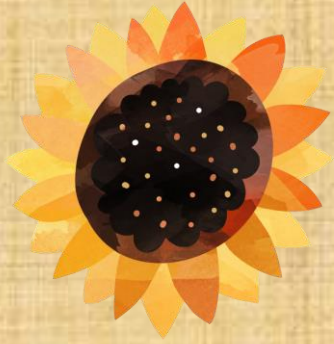

Promotion Criteria

Students must earn an overall average of 60% or better in Language Arts and Math in order to be promoted to the next grade level.
