Virtual Learning School Day Expectations: Kindergarten

Dear Parents/Guardians,

In the event of school closings for weather or other unexpected circumstances, we will have a virtual school day. I will be available from 8:00 a.m. to 3:00 p.m. for any questions you may have. You can contact me through Seesaw or school email.

On the reverse side of this letter you will find the KINDERGARTEN CHOICE BOARD. Each child is required to complete 1 activity under each of the letters S, N, O, W. They will have 4 activities to complete. This will help your child enhance his/her learning from home, since this is being counted as a school day. Once they have completed an activity, have them color it in on their card. Then a parent needs to initial in each completed activity. Please send a picture of the completed board with the 4 activities to me in Seesaw or email. This choice board must be completed and sent to me within 3 school days. The district will be using this for attendance records for the missed snow day.

Thank you for your assistance at home with these activities!
