Happy New Year Odem Elementary Families!

As we begin 2023, it brings the excitement of a new year and new opportunities to learn. Our students at OES have been working especially hard in key focus areas in reading and math. We appreciate parental support for our teachers and students by playing an active roll in your child's education. Attendance is extremely important and plays a huge role in student success! Getting to school on time is of equal importance. Our building opens at 7:30 a.m. School times are 7:55-3:00 for PreK, and 7:55-3:45 for K-2. Thank you for sharing your children with our staff.

Attendance at school is very important. When students arrive late or are picked up before dismissal, teaching and learning are disrupted. Please make every effort to have your child in school each day!
