HOMECOMING HALL DECORATION WINNERS:  
SOPHOMORES - CLASS OF 2028

# WELCOME

We are now in the 3<sup>rd</sup> six weeks, and it's hard to believe how quickly the school year is moving. The first two six weeks have been busy and productive. Our students continue to work hard in the classroom while staying active in sports, clubs, and various extracurricular activities. I would like to thank our parents and guardians for making attendance a priority. Our attendance rate is higher than it was at this time last year.

As we move toward the end of the semester and prepare for testing season, I have no doubt our students will continue to excel.
