----- Immunizations -----

ATTENTION PARENTS OF 7TH GRADE STUDENTS:

Michigan law requires that all students be immunized against vaccine preventable diseases to attend Northeast Middle School. When a student enters 7th grade, the immunization requirements change. Please be sure your student is up-to-date.

The deadline for immunizations is November 1, 2026, but appointments with the Health Department become increasingly difficult to secure as the deadline approaches. The typical immunization update requirements for 7th graders include a **booster to Tdap and the meningitis vaccine**.

NOTE: Any parent/guardian who wants to claim a non medical waiver will need to receive education regarding the benefits of vaccination and the risks of disease from a county health department before obtaining the certified nonmedical waiver form through the Local Health Department. The new rule requires the use of the State of Michigan non medical waiver form dated January 1, 2017.
