## A Message From the Principal

My name is Mr. Terrell S. Fleming and I'm so excited to introduce myself as the principal of Johnsonville High School. This is my third year here at JHS and 3rd year in the district. I love the school, the students, the parents, the community, and the district. It is truly an honor to serve as the principal of this great school.

Over the past twenty years, I have worked in several capacities in education, but I consider my most important job as an instructional leader who empowers students with the necessary skills and knowledge to be life-long learners. I believe that each child is a unique and can learn in a safe, consistent, and engaging environment that fosters emotional, intellectual, physical, and social growth. I view my role as an educator as one who empowers students to take ownership of their learning to maximize their greatest potential. My goal for this school year is to build a relationship with my students and celebrate their successes. Here at FLASHES NATION, WE HAVE P.R.I.D.E!
