

Red Rock Day School Home of the Wildcats November 2023

Upcoming Event:

November 3: Fall Individual Student & Sport Photos (Flyer Enclosed)

November 8: Red Rock Day School

Family Thanksgiving Dinner 12:30 pm-1:00pm

November 10, 2023- Holiday (No School)

November 20-24, 2023- Thanksgiving Break (No School)

November 3 & 17: Early Release @ 1pm (Staff PD)

Message from the Front Office:

The weather is changing, and temperatures are dropping, dressing your child appropriately for the weather is important. Names marked on coats help us return coats to the rightful owners. For the safety of our student's monthly fire drills are held so coats are needed. Please be sure your child has a coat each day for school.

November 3, 2023: Fall Student/ Sports PICTURE DAY.

Please ensure envelopes are sealed and return with your child. RRDS nor photographer will have change on site.

November 8, 2023: Red Rock Day School will be hosting Thanksgiving dinner for our Parent/Guardians from 12:30 pm to 1:00 pm in the cafeteria.

Thank you,

Consuela Benally, Office Clerk

Problem of Practice: How are students engaged and assessed to achieve significant growth or Proficiency.

School Attendance is the Key to academic success! The Code of Federal Regulations in 25 CFR 36.31 mandates: "A student who has not participated in a minimum of 80 instructional days per semester without a written excused absence shall not be promoted."

***Students will be automatically dropped when they have missed 10 consecutive Days.**

Native American Spirit Week (November 6-9, 2023)

Monday- Traditional Head Band/ Bun Day

Tuesday- Ribbon shirt/ Skirt Day

Wednesday- Traditional Jewelry Day

Thursday- Full Traditional Attire Day

Friday- NO SCHOOL- Veteran's Day

In honor of all the men and women who served and continue to serve this country, "Happy Veterans Day!" Thank you for your service and your sacrifice. As we get closer to the end of another year, I gratefully pause to wish you a warm and happy Thanksgiving. May the good things of life be yours in abundance, not only on Thanksgiving but throughout the coming year. Thank you for choosing us to help educate your child/children. We appreciate you!

CLASSROOM NEWS

ELA

K-1st Students have been working hard on letter sound, blending sounds, spell, and read words.

Mathematics

1st grade

Understanding addition and subtraction, fluently add and subtract within 10.

Kindergarten

Counting number and compare how many are in a set, or group using objects.

Computer in class

Student are learning how to use their laptops at school. They are practicing and learning to login on Microsoft teams where will meet when school is closed, and student must attend class from home and using the hotspot (Kajeet) for home internet the school will provide so students can attend classroom K-1st online.

Be Safe * Be Responsible* Be Respectful *Be Kind

WE CONTINUE TO LEARN

Daily Routine- Singing Rhyming songs, Letter Recognition, Sound/Spelling: A-Z, Site words, Beginning reading, and Penmanship/Handwriting.

Daily Routine-Calendar, days of week, months, shapes, colors, counting 1 to 100 (K) and 1to 125 (1st) by 5's and 10's.

Reading for Key Ideas and details, asking questions using (what, who, where when and why) into class discussions.

Writing for informational text in our journal: draw, color, and write.

Prescription glasses - Students are forgetting them at home.

Wearing glasses improves learning at school.

4th / 5th Grade:

4th & 5th Grade News

4th Grade:

Reading-continue lessons in Unit 2 reading realistic fiction, autobiography, and informational text with comprehension strategies in the following: fact and opinion, cause and effect, and main idea and details.

Independent reading at home: Ensure your child reads independently at home. Have your child record the stories he or she has read on their reading log.

Math-lessons are in Topic 3 consisting of the following: Choose a Strategy to Multiply, Model with Math, review Topic 3 and complete Topic 3 assessment. Then will move forward to Topic 4 lessons.

Learning math facts: Ensure your child continues to practice and know the math facts in addition, subtraction, multiplication, and division. One of the best ways to have your child know the facts is to practice daily. You can use games, flashcards, and online math games to assist with practicing math facts.

Science-continue lessons in Unit 2 Animal Parts and How They Function and How Senses Work.

Social Studies-continue lessons in Chapter 1 Land and Regions in the United States; Weather and Climate; Regions and Resources; People and the Land.

5th Grade:

Reading-continue lessons in Unit 2 reading realistic fiction and informational text with comprehension strategies in the following: making inferences and cause and effect. Then will move forward to lessons in Unit 3.

Math-continue lessons in Topic 3 consisting of the following: Critique Reasoning, review Topic 3 and complete Topic 3 assessment. Then will move forward to Topic 4 lessons.

Science-completing lessons in Unit 2 Matter Has Many Properties. Then will move to lessons in Matter Can Change.

Social Studies-continue lessons in Chapter 1 American Indian Culture, and American Indian Government and Economy. Then will review Chapter 1 and complete Chapter 1 assessment.

Independent reading at home: Ensure your child reads independently at home. Have your child record the stories he or she has read on their reading log.

Learning math facts: Ensure your child continues to practice and know the math facts in addition, subtraction, multiplication, and division. One of the best ways to have your child know the facts is to practice daily. You can use games, flashcards, and online math games to assist with practicing math facts.

Thank you, |

Mrs. Damon-Frank

4th & 5th Grade Teacher

6th Grade Homeroom:

Greetings Students/Parents,

First of all, thank you to the parents who took time out of their busy schedules to attend our Parent Teacher Conferences. The students did extremely well, taking charge of their parent teacher conference power point presentations sharing their grades and test scores. Great Job Students!!

There are many great things happening in Math and Social Studies. Each day we are covering various standards, skills, strategies, and topics. Thus far, we have covered several concepts and skills in Math:

- ✚ *6th grade:* Integer Concepts, Rational Number Concepts, Fraction Decimals, Practicing Fraction Operations (+, -, x, ÷), and Fluency with Adding and Subtracting Decimal Numbers.
- ✚ *7th grade:* Identify and Represent Proportional Relationships and Proportional Reasoning with Percents.
- ✚ *8th grade:* Transformations and Congruences, Transformation and Similarity, and Solving Linear Equations.

In Social Studies, we have covered several modules in each grade: These modules include:

- ✚ *6th grade:* Uncovering the Past, 450 BC-Present, The Stone Ages and Early Culture 5 million BC-5000BC, and currently on The Fertile Crescent, Mesopotamia, and the Persian Empire, 7000-480 BC.
- ✚ *7th grade:* A Geographer's World and currently on The Physical World
- ✚ *8th grade:* America, Africa, and Europe before 1500, Beginnings-AD 1500 and currently on New Empires in the Americas, 1400-1700.

Students receive homework as needed for Math but have small projects to complete for Social Studies each week. I hope to cover a lesson a week in Social Studies so students, please complete all lessons in a timely manner. Parents, please encourage your child to attend school daily because they have a difficult time catching up once they fall behind. All students with perfect attendance each month are also rewarded with small parties or activities with Ms. Begay.

I enjoy working with your child so let's continue to work together this school year. If you have any questions or concerns, I can be reached at (928) 653-4456 daily.

Ms. Frazier

EVENTS

November 10	Veterans Day (Holiday)
November 20-24	Thanksgiving Break

8th Grade Homeroom:

Dear Middle School ELA Families,

November is best known for Thanksgiving, Veterans Day, and an Autumn Break from school. Did you know that it is packed with a **plethora** of special days of celebration? You can celebrate National Cliche Day, King Tut Day, International Tongue Twister Day, and our favorite - Pumpkin Pie Day! Find out what events Red Rock Day School has scheduled this month, and celebrating, in the school calendar, menu chart, sports events, and in this month's newsletter!

Students here at RRDS take tests throughout the year. **Summative** assessments are tests that happen once a year. Such test is the Partnership for Assessment of Readiness for College and Careers (PARCC), and AZMerit adopted by the Arizona State Board of Education in November 2014 as a new statewide assessment (now called AzM2). Throughout the month of April, all the 3rd-6th grade students take the ELA Reading, Writing and Math tests from AzM2. In addition, the 5th grade students take the AzSCI (Science) test. WIDA is another **summative** test given at RRDS to advance academic language development and academic achievement for students who are culturally and linguistically diverse through high quality standards, research, assessments, and professional learning for educators.

before the next school wide formative assessment

BOOST YOUR LEARNING

Formative tests usually occur at the beginning, middle, and end of the school year. The Northwest Evaluation Association (NWEA) is the foremost student academic progress monitoring assessment given at RRDS. The i-Ready is not only given 3 times a year, **formatively**, but it compiles lesson for students to work on for **remediation**, to relearn skills and concepts lost during the COVID 19 pandemic, forgotten, or did not internalize. To boost student learning RRDS provides several interactive on-line opportunities for students to work on. In addition, the Farmington Library allows students to check out more than 10 books. Students can do everything to improve your learning in all subject areas to prepare for the next upcoming test.

All do they can

As students become increasingly responsible, thoughtful, and self-reliant for their own learning, again, I encourage parents to take advantage of every opportunity to visit the school, meet with your child's teachers, and attend important functions, as much as you can to support student learning.

RRDS Middle School ELA

Mrs. Li'bilNaghahi

WILDCATS SPORTS DEPARTMENT:

Greetings,

Our Fall Sports Season is quickly coming to an end, and we will be moving onto Winter Sports (basketball). Our Varsity Volleyball Finals is scheduled for October 28th in Jones Ranch. Our team finished with a 9-3 record this season. We were ranked 2nd on the bracket and the girls will play Ojo Encino in the first round. Good Luck Girls!!

The Cross-Country Finals is scheduled for Saturday, November 4th at Tohaali Community School starting at 9a.m. The race will be raced in the following order: Varsity, Pee-Wee, and JV. Our cross-country runners have been doing extremely well placing in the top 20 at every meet with a few runners placing in the top 10. Our peewee, JV, and Varsity runners have been improving on their times each race. *Please come and support our cross-country runners in their last meet for the school year.* Good Luck to our Runners!!

Students will be completing one more grade and attendance check next week. Students are responsible for completing them on time before 2p.m. every Monday. Students must be eligible to complete in the Cross-Country Finals. Thank you, Parents, for picking up your child on time between 3:45 and 4:00p.m. each day after practice.

If you have any questions or concerns, please do not hesitate to contact me.

Thank you,

Ms. Frazier

Volleyball and Cross-Country Sports Picture Day will be held on November 3, 2023. Athletes who have completed finals will be in team photos. Ensure athletes bring under shirt, black shorts, knee pads, volleyball shoes, and running shoes.

Exceptional Student Program:

Let's welcome November! The leaves are changing color and the fall flowers are blooming. It's all very beautiful.

The Student Assistance Team (SAT) is an important step in identifying a student who may have a suspected disability. Disabilities range from moderate to severe and may include a speech delay or a need in one or more academic areas. When a student is observed to have a possible need, they go through the Student Assistance Team (SAT) process. The SAT is a school-based group of people who provides additional support to students who are experiencing academic or behavioral difficulties. These students are often having trouble in the general education classroom and are performing below and sometimes above expectations. The SAT team gathers data and recommends intervention supports that may help the student perform better. If the student does not show progress, the SAT team may consider a referral for an initial evaluation for Special Education. These evaluations may determine a need for an individual education plan (IEP).

I hope these mini explanations of Special Education is helpful in informative. If you have any questions, please [come](#) and ask me. I'm usually always available. 😊

Tashina Wilson-Yazzie

Transportation Department:

A few reminders from Red Rock Day School bus drivers

First, thank you to all the parents for your support and patience while RRDS has only 2 bus drivers completing the bus routes. (Run times may vary, until Mrs. Katherine Smith returns, then we will notify you and adjustments will be made).

Next, if your child or children will not be riding the school bus on a particular day or if there is any change in their schedule, please call the school at 928-653-4456, then the front office will inform the bus drivers of the changes.

If you have any questions about the bus schedule, please call or text the bus driver. (These are the routes, until Mrs. Smith returns).

- Cove & Oak Spring routes - Howard Conn at 480-544-3738
- Mitten Rock & Red Valley routes- Byron Damon at 480-544-2350

BUS STOP AND BUS SAFETY REMINDERS:

- Be on time 5 minutes before scheduled bus stop.
- Dress for the winter weather (Wear clothing that is safe, visible, and warm).
- Accept a ride only if your parents or school employees have approved.
- Be alert to driveways, parked cars, or turning cars.
- Know the danger zone: walk at least 10 giant steps away from the bus.
- Form a single line and use handrail to board the bus.
- After boarding the bus, move directly to your seat, and sit facing forward.
- Carry your belongings in a bookbag or backpack.
- Keep bus aisle clear and keep arms, legs, and head inside the bus.
- Speak quietly and talk to the bus driver only in emergencies.
- Respect all riders and the bus driver.

Most importantly, we want everyone to be safe. You must stop for a school bus with flashing red lights at least 20 feet in front or 20 feet behind the bus. You may not pass the bus. In addition, to the red lights you will see the stop sign extended from the bus which means children are in the process of boarding or exiting the bus. It is critical that you stop in these situations because children sometimes are required to cross the road in front of the bus.

Thank you,

RRDS bus drivers

Custodial/ Janitorial:

WHO? WHERE? AND WHAT? AT RRDS!!!!!!

Use the clues to fill in the words above. Words can go across or down.
Letters are shared when the words intersect.

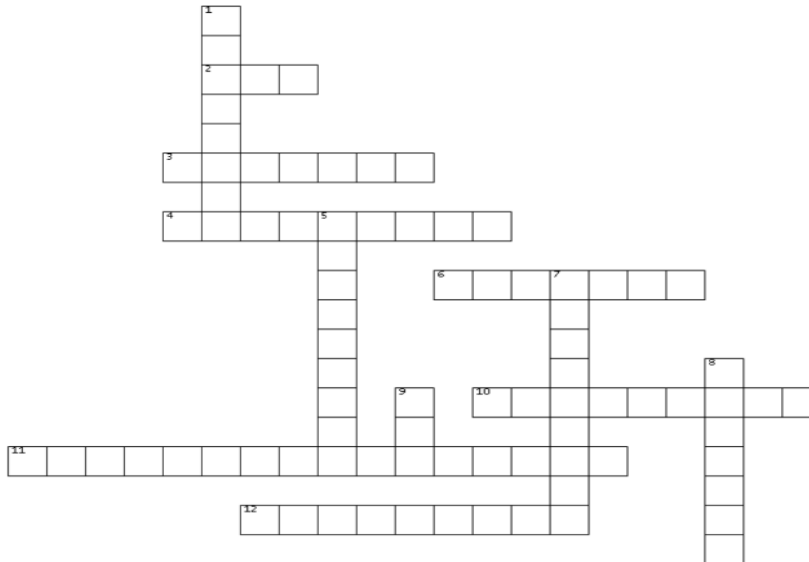

ACROSS

2. a bundle of thick loose strings attached to a handle
3. a person who is studying at school
4. a person with highest authority at a school
6. a person who teaches students
10. a person who maintains cleanliness of buildings
11. home of the Wildcats
12. a room for games and other physical exercises

DOWN

1. an electronic device for storing and processing data
5. dining room in a school where children eat
7. a room in a school where students are taught
8. a room containing a collection of books
9. a large motor vehicle that transports students to school

We are thankful for the students, staff, and parents. Happy Thanksgiving!

The RRDS Custodians: **Nancy** and **Jhermiah**

Maintenance Department:

Red Rock Day School waterline is back in service, broken main valve at Quarters repaired with the help from BIE Facility Agency Office. Thank you to the families for being understanding in the emergency that had arose.

Food Service Department:

Navajo Culture Class:

Navajo New Year brings new Blessings

The New Year for the Diné begins in the month of October or Ghaaji, which translates to “**Separation of Seasons**.” This is the time the warm summer gradually joins the cold winter. This is evident by harvest and food storage by the Dine people. Further, the hibernation of insects, reptiles, bears, and even plants and trees as they seek safety in the womb of mother earth.

Red Rock Day School was blessed with a new princess on October 2, 2023. The newly crowned Red Rock Day School Princess is Taylor Roe. Taylor is in the 4th grade. Her two attendants are Jayden Meka Begay and Dr. Nean Nakai.

Taylor says, “Shí éi Bit’ahnii nishlǫ́ dóo Tódich’ni bashishchiin. Shináí asdzáá éi Táchii’ni nihlǫ́. Shináí hastii éi Ta’neeszahnii nihlǫ́.” She is the daughter of Terry and Sherry Roe of Red Valley, Arizona.

Our school participated in the 2023 Northern Navajo Fair Exhibit competition. Both RRDS and Cove Day School combined efforts in decorating the exhibit booth and showcasing “our” student work. All student entries received 1st, 2nd, or 3rd place awards. Both schools were recognized as **Best of Show**.

The month of November or Nilch’its’osi, which translates to “**Month of the Breeze**.” For the Navajos winter has begun, so traditional winter ceremonies, sacred songs and stories are taught. Since the nights are long, families can sit around in cozy, warm hogans and learn about Navajo culture.

November is **Native American Heritage Month**, and the time to celebrate diverse cultures, traditions, histories, and contributions of Native people. For this important month, the Navajo Language and Culture classes will begin the study of **The Navajo Long Walk**, the contribution of **Navajo Code Talkers** on World War II and honoring them on **Veterans’ Day**, and the celebration of events related to this important month. Let’s participate in **Roc Your Mocs** on **November 15th**. I encourage your children to show their unique Navajo cultural identity by wearing their traditional clothes to school this month.

We have been reading short stories written by Navajo authors focusing on the **Navajo Sound System: Vowels and Consonants**. At each class meeting, we spend a few minutes on naming colors, numbers, day of the week, date, and school news in Dine Bizaad for cognitive reinforcement. There is so much to learn in limited time, so I ask kindly that you continue to teach your children teachings of the hogan in our precious Dine Bizaad. Thank you for visiting the classroom during Parent Teacher Conference.

Until next time,

RRDS Navajo Language & Culture Instructor
