

Students Entering First Grade

Summer Book Reports & Supply List

June 2026

Dear parents and guardians of students entering First Grade,

Assalamu Alaikum,

Although our school year has come to an end, we are already looking forward to September and a new school year filled with new adventures and exciting learning experiences. In order to achieve this goal, we must work together to provide an excellent Islamic learning environment.

Attached, you will find two book report assignments. These assignments are designed to challenge students' thinking and reinforce the skills they learned throughout the kindergarten year. In addition, the ELA packet must be completed over the summer and submitted when we return in September.

Please note that there will be an assessment for each book report at the beginning of the school year. The assessment dates will be announced one week in advance. All work should be completed in the student's own handwriting. Do not be concerned if your child misspells some words; we encourage them to do their best independently.

Additionally, please have all supplies ready to bring on the first day of school. Kindly place the supplies in a large cardboard box and label the box, as well as each supply, with your child's name.

Insha'Allah, you and your family have a wonderful summer vacation. We look forward to seeing everyone in September!

Jazakum Allahu Khairan,

Sr. Leonora Dedovic
