INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Por Vida, Inc.
San Antonio, Texas

Report on the Financial Statements

We have audited the accompanying financial statements of Por Vida, Inc. (a nonprofit organization) (Por Vida), which comprise the statements of financial position as of August 31, 2020 and 2019, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Por Vida as of August 31, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated January 19, 2021, on our consideration of Por Vida's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Por Vida's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Por Vida's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

August 31, 2020 and 2019

(1) Summary of significant accounting policies

Organization

Blessed Sacrament Academy Second Chance High School, Inc. was incorporated August 9, 1996. A certificate of amendment was issued February 1, 2001 to reflect the name change to Por Vida, Inc. (Por Vida).

Por Vida, Inc. operates Por Vida Academy (the High School), Corpus Christi College Preparatory High School, and Cesar E. Chavez Academy. Cesar E. Chavez Academy was closed during fiscal year 2019.

The Por Vida Academy and Cesar E. Chavez Academy provide an alternative high school diploma program to students who did not thrive in the normal high school setting or have returned for a high school diploma after entering the work force. The Corpus Christi College Preparatory High School is a college preparatory high school preparing students to enter into a university immediately following high school graduation. The Por Vida Academy, Cesar E. Chavez Academy, and the Corpus Christi College Preparatory High School operate under an open enrollment charter granted by the Texas State Board of Education. The Por Vida Academy, Cesar E. Chavez Academy, and the Corpus Christi College Preparatory High School are part of the public school system of the State of Texas and are entitled to distribution from the state's available school fund. The Por Vida Academy, Cesar E. Chavez Academy, and the Corpus Christi College Preparatory High School do not have the authority to impose taxes or charge tuition. Por Vida, Inc. does not conduct other charter or non-charter activities.

Por Vida, Inc. is a non-profit organization exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code.

Accounting policies

The financial statements have been prepared on the accrual basis of accounting. The accounting system is organized under the *Special Supplement to Financial Accounting and Reporting – Nonprofit Charter School Chart of Accounts*, a module of the Texas Education Agency Financial Accountability Resource Guide. The significant accounting policies are as follows:

To ensure observance of limitation and restrictions placed on the use of resources available to Por Vida, the accounts are maintained in accordance with the principles of fund accounting during the year. Resources for various purposes are classified for accounting purposes into funds established according to their nature and purposes. Separate accounts are maintained for each fund; however, the accompanying statements of financial position and activities focus on the Organization as a whole and report the total assets, liabilities, net assets and changes in net assets.

Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly net assets of the Organization and changes therein are classified and reported as follows:

- *Net assets with donor restrictions* – Net assets subject to donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. When a restriction expires, these resources are classified to net assets without restriction and reported in the statement of activities as net assets released from restrictions.

POR VIDA, INC.

NOTES TO FINANCIAL STATEMENTS

August 31, 2020 and 2019

(1) Summary of significant accounting policies (continued)

Accounting policies (continued)

- *Net assets without donor restrictions* – Net assets that are available to support operations and not subject to donor restrictions. The only limits on the use of net assets without donor restrictions are the broad limits resulting from the nature of Por Vida, the environment in which it operates, the purposes specified in its corporate documents and its application for tax-exempt status, and any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations.

Change in accounting policy

During fiscal year 2020, Por Vida has adopted Accounting Standards Update (ASU) No. 2018-08 *Not-for-Profit Entities: Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made (Topic 605)* as management believes the standard improves the usefulness and understandability of the Por Vida's financial reporting.

Revenues and revenue recognition

Por Vida recognizes contributions when cash, securities or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Conditional promises to give – that is, those with measurable performance or other barrier and a right of return – are not recognized until the conditions on which they depend have been met.

A portion of Por Vida's revenue is derived from cost-reimbursable federal and state contracts and grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when Por Vida has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as deferred revenue in the statement of financial position. Por Vida received cost-reimbursable grants of \$7,716 that have not been recognized at August 31, 2020 because qualifying expenditures have not yet been incurred, and are shown as deferred revenues on the statement of financial position.

Cash and cash equivalents

For purposes of the statement of cash flows, cash and cash equivalents are comprised of cash on hand and in banks with initial maturity of three months or less.

Capital assets

All assets acquired with a value of \$5,000 or greater are recorded as capital assets and are valued at cost or estimated cost. Donated assets are reported at the fair market value at time of acquisition.

Depreciation of building improvements, vehicles, and equipment is determined on a straight-line basis on the following useful lives:

Land improvements	15 years
Building improvements	6-40 years
Vehicles	5 years
Equipment	5 years

POR VIDA, INC.

NOTES TO FINANCIAL STATEMENTS

August 31, 2020 and 2019

(1) Summary of significant accounting policies (continued)

Credit risk

Financial instruments, which potentially subject Por Vida, Inc. to concentrations of credit risk consist primarily of cash. At August 31, 2020 and 2019, Por Vida, Inc. had uninsured cash balances of \$519,162 and \$-0-, respectively.

Personal leave

All employees earn between 1 to 10 days of paid personal leave per year depending on the number of days worked. Paid leave must be used during the year or it is forfeited. There is no payment of leave after resignation or termination date; therefore a liability is not recorded at August 31, 2020 and 2019.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain report amounts and disclosures. Accordingly, actual results could differ from those estimates.

Fair value of financial instruments

The following methods and assumptions were used by Por Vida, Inc. in estimating its fair value disclosures for financial instruments:

Cash and receivables: the carrying amounts reported in the statement of financial position approximate the fair value because of the short maturities of those instruments.

(2) Capital assets

An analysis of capital assets as of August 31, 2020, is presented as follows:

	OBJECT CODE	COST	ACCUMULATED DEPRECIATION	NET

(4) Defined benefit pension plan

Plan description

The charter school contributes to the Teacher Retirement System of Texas (“TRS”), a cost-sharing, multiple-employer defined benefit pension plan with one exception: all risks and costs are not shared by the charter school, but are the liability of the State of Texas. TRS administers retirement and disability annuities, and death and survivor benefits to employees and beneficiaries of employees of the public-school systems of Texas.

The plan operates primarily under the provisions of the Texas Constitution, Article XVI, Section 67, and Texas Government Code, Title 8, Chapters 803 and 805 respectively. The Texas State legislature has the authority to establish and amend benefit provisions of the pension plan and may, under certain circumstances, grant special authority to the TRS Board of Trustees. TRS issues a publicity available financial report that includes financial statements and required supplementary information for the defined benefit pension plan. That report may be obtained by writing to the TRS Communications Department, 1000 Red River Street, Austin, Texas 78701, by calling the TRS Communications Department at 1-800-877-0123, or by downloading the report from the TRS Internet website, www.trstate.tx.us, under TRS publications heading.

(4) Defined benefit pension plan (continued)

Charter schools are legally separate entities from the state and each other. Assets contributed by one charter or independent school district (“ISD”) may be used for the benefit of an employee of another ISD or charter. The risk of participating in multi-employer pension plans is different from single-employer plans. Assets contributed to a multi-employer plan by one employer may be used to provide benefits to employees of other participating employers. If a participating employer stops contributing to the plan, the unfunded obligations of the plan may be borne by the remaining participating employers. There is no withdrawal penalty for leaving the TRS system. There is no collective-bargaining agreement.

The latest TRS Comprehensive Annual Financial Report available dated November 20,2020 provided the following information (ABO refers to the accumulated benefit obligation):

<u>Pension Fund</u>	<u>Total Plan Assets 2020</u>	<u>ABO 2020</u>	<u>Percent Funded</u>
TRS	\$ 184,361,871,000	\$ 218,974,205,000	84.19%

Funding policy

Contribution requirements are not actuarially determined, but are established and amended by the Texas state legislature. The state funding policy is as follows: (1) The state constitution requires the legislature to establish a member contribution rate of not less than 6.0% of the member’s annual compensation and a state contribution rate of not less than 6.0% and not more than 10.0% of the aggregate annual compensation of all members of the system; (2) a state statute prohibits benefit improvements or contribution reductions if, as a result of a particular action, the time required to amortize TRS’ unfunded actuarial liabilities would be increased to a period that exceeds 31 years, or if the amortization period already exceeds 31 years, the period would be increased by such action. Under provisions in Texas state law, plan members are required to contribute 7.7% of their annual covered salary for each of the years ended August 31, 2020 and 2019, respectively. The state’s contribution rate as a nonemployer contributing entity was 6.8% for the years ended August 31, 2020 and 2019. The school’s employees’ contributions to TRS for the years ended August 31, 2020 and 2019 totaled \$273,930 and \$274,430 respectively, equal to the required contributions for each year. There have been no changes that would affect the comparison from year to year. Other contributions made from federal and private grants and from the charter school for salaries above the statutory minimum were contributed at a rate of 6.8% totaling \$144,132 and \$118,048 for the years ended August 31, 2020 and 2019, respectively.

(5) Defined contribution plan

All Por Vida employees may elect to participate in the 403(b) plan. This is a qualified tax deferred annuity plan under Section 403(b) of the Internal Revenue Code. The 403(b) plan consists solely of employee contributions which are made on a “pre-tax” basis.

Employees are fully vested upon entry to the plan.

NOTES TO FINANCIAL STATEMENTS

August 31, 2020 and 2019

(11) Commitments and contingencies

Por Vida, Inc. received funds through state and federal programs that are governed by various statutes and regulations. State program funding is based primarily on student attendance data submitted to the Texas Education Agency and is subject to audit and adjustment. Expenses charged to federal programs are subject to audit and adjustment by the grantor agency. The programs administered by the charter school have complex compliance requirements, and should state or federal auditors discover areas of noncompliance, charter school funds may be subject to refund if so determined by the Texas Education Agency or the grantor agency. In the opinion of management, there are no contingent liabilities relating to compliance with the rules and regulations governing the grants; therefore, no provisions have been made in the accompanying financial statements for such contingencies.

(12) Concentrations

Por Vida's funding is concentrated in the foundation school program and various state and federal grants. Discontinued funding would have a severe impact on operations. Por Vida's ability to maintain continuing operations would be uncertain in such a situation. Management does not expect any material reductions in funding in the foreseeable future.

(13) Shared services arrangement

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors of
Por Vida, Inc.
San Antonio, Texas

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Por Vida, Inc. (a nonprofit organization) (Por Vida), which comprise the statement of financial position as of August 31, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 19, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Por Vida's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Por Vida's internal control. Accordingly, we do not express an opinion on the effectiveness of Por Vida's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses or significant deficiencies. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Por Vida's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of

financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Por Vida's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
