Why not share your talents with others?

Over the years, many people have taught Community Education classes for Jackson Country Central. Teaching and sharing skills with others encourages a sense of community and can be very enjoyable. JCC Community Education is always looking for new ideas, classes, activities, and facilitators.

Spring and summer class information for April through July is due on or before March 1.

Advisory Council

- Barry Schmidt, Superintendent**
- Diane Armbrust, Director**

Our Philosophy:
 Believing that lifelong learning should be important to every citizen of our district and the surrounding area. The Advisory Council shall strive to develop programs and make available the district's facilities to enhance the lives of all our residents. The Advisory Council shall provide educational, recreational, cultural, social, and leisure programs to meet the needs of the community. Such programs, in most cases, will be determined by the community served by the Advisory Council and will be for all ages and free from discrimination of any type.

Tune in to AM 1190/ FM 105.7 for weather-related concerns. Community Education classes and other facility activities are cancelled when there is no school or early out.

JCC Community Education

Philosophy for Youth Sports & Activities

JCC Community Education Youth Sports are designed to allow all children an opportunity to have fun, participate and learn fundamental sport skills. We are committed to providing both educational and recreational programs and services. Participants will learn sportsmanship, respect, teamwork, fair play and self-confidence. The sports environment will be safe and well-maintained. Prudent behavior by adults is mandatory.

Essential components of JCC CE Sports Philosophy

1. All children in our communities who meet the basic program registration requirements have a right to participate in JCC CE youth sports programs.
2. JCC CE programs are about the development of the individual and the learning of the sport.
3. JCC CE will offer programs at a reasonable cost while providing quality facilities and quality equipment for both volunteers and participants.
4. JCC CE will recruit volunteers who have the ability to act as role models, mentors and facilitators.
5. All participants in JCC CE youth sports programs shall be treated fairly, and without regard to race, color, disability, religion, sex or national origin.
6. JCC CE youth sport program practices and games should be an enjoyable, challenging and learning experience for all participants.
7. Those people in coaching and leadership positions in JCC CE youth sport programs shall lead by example through the promotion of fair play and sportsmanship.
8. JCC CE programs focus on the enjoyment of the sport—not the score.
9. JCC CE age policy is as follows: a. Children should play at their grade level for CE sports through grade 6. b. In a program set up by grade levels, coaches and volunteers may not bring up a younger player when a player at the correct age level is available—through grade 6. c. If it is necessary to divide a grade level into two teams because of large numbers, the teams should be divided as evenly as possible by skill level. There will not be a “varsity” group and a “b-squad” group. d. Parents may use an “Age Waiver Form” to apply for a higher placement in special circumstances.
10. Parents Guidelines—parents must: a. Select a program that will enhance your child’s emotional, physical, social and educational well-being. Make sure your child is properly equipped. b. Encourage a drug-, tobacco- and alcohol-free environment for their children. c. Recognize that youth sports are only a small part of a child’s life. d. Make a serious effort to take an active role in the youth sports experience of their child providing positive support as a spectator, coach and/or caring parent. e. Be a positive role model for sportsmanlike behavior at games and practices. f. Insist on safe playing facilities and healthful playing situations. g. Insist on equal sports play opportunity for all youth regardless of race, creed, sex, economic status or ability. h. Be drug-, tobacco- and alcohol-free as coaches and fans at youth sports activities.
11. JCC Community Education will follow the MN State High School League guidelines and will not take the place of the high school activities governed by the MSHSL.

Facility Usage

The School Board of Jackson County Central Public School District 2895 recognizes that school facilities belong to all of us. Encompassing a wide range of buildings and facilities, our schools are one of the community’s greatest assets. Allowing groups and organizations to utilize school buildings/facilities is an important part of using our schools to the fullest extent.

Obtain a facility use application or to read through Regulations and Charges, visit our website at www.jccschools.com, under the Community tab.

People Powered Health Plans

Eligible Ucare members may get up to a \$15 discount on many community education classes in Minnesota. Members must have Ucare insurance at the time of registration and throughout the duration of the class. Members need to provide their Ucare member ID number when registering for class.

Limits and restrictions may apply.

Early Childhood Family Education

A program of Jackson County Central Community Education

JCC EARLY CHILDHOOD & FAMILY EDUCATION

Where parents and children play, learn and grow.

Early Childhood Family Education (ECFE) is a parenting education program that provides programming and services for families of small children. Parent and family engagement is crucial to a young learner's development and provides a foundation for future school success and lifelong learning.

From the Director

We are off to a very exciting start of the school year! We are thrilled to be learning, growing, and discovering in person.

The construction of our new space is still underway and we are very excited to embrace the new space provided by our community for our littlest Huskies!

Thanks to ongoing grants from the Minnesota Department of Education, Operation Round Up, Remick Foundation, JCC Ed Foundation, and other generous private donors, we are continuing to expand our enrollment, materials, offerings, and experiences.

We always ready to welcome new friends to preschool or classes and activities!

Early Childhood Screening

Early Childhood Screening is a free and simple check of how your child is growing, developing, and learning. Screening at 3 is preferred, but a child may be screened between the ages of 3 and the start of kindergarten as required by law.

A trained professional will check: Vision and hearing, height and weight, immunizations, large and small muscles, thinking, language and communication skills, and social and emotional development.

This screening may help you to link to other free learning opportunities such as pre-kindergarten programming, Early Childhood Family Education (ECFE), Minnesota early learning scholarships for high quality care and education, Head Start, Home Visiting, and Early Childhood Special Education.

WHAT TO BRING TO A SCREENING:

Questions you have about your child's growth and development, your child's immunization records, and your child's primary health care provider's name and number. And your child, of course!

SCREENING DATES:

Monday, November 8th from 4-7 pm at Riverside Elementary

Monday, December 6th from 4-7 pm at Pleasantview Elementary

Monday, March 7th from 4-7 pm at Riverside Elementary

Monday, April 4th from 4-7 pm at Pleasantview Elementary

Home Alone!

Is your child ready for the independence of being home alone? Parents need to be sure their children have the skills and maturity to handle the responsibility safely. Whether it is for an hour after school or several hours a day during the summer, being trusted to be home alone can be a positive experience for a child who is mature and well prepared. This class for children will address several topics relating to being “Home Alone” including age guidelines, safe habits, house rules, after school routines, phone calls and door knocks, dog emergencies, personal safety, handling the unexpected, gun safety, severe weather, fire safety, intruders, and first aid tips.

Students attend this class independently and should come prepared with a notebook and pen. Parents are encouraged to review the take home information and discuss it with their child.

Instructor: Lori Hameister
 (www.littlebitofguidance.com)
Location: Riverside Elementary
Student class fee: \$30
Ages: 2nd Grade and up
Date: Thursday, March 10
Time: 3:30 pm - 5:30 pm
Minimum 10 students

Child & Babysitting Safety (CABS)

The Child and Babysitting Safety (CABS) program from the American Safety and Health Institute provides everything you need to know for safe and successful babysitting. The YouTube “vlogger” style presentation of the video brings a youthful and high-energy spirit to the program content, and the colorful magazine format of the student book makes learning fun. From getting started with your business, to working with parents and children, to key safety, caregiving, and first aid tips, CABS will help set you up for babysitting success. Students must be present for the entire class and complete achievement of the core learning objectives to receive certification valid for two years. Students attend this class independently and should come prepared with a notebook and pen.

Services During COVID-19

We continue to offer library services while following CDC guidelines. We want to serve you as completely as we can but at the same time maintain needed health standards for the safety of patrons and staff. The library is open for browsing and checking out library materials and use of the public computers, copier and fax machine. In addition, we offer a Curbside Pickup Service and Homebound Delivery. For updates of any changes, we encourage you to connect with us on Facebook, ask for our monthly newsletter or call with your questions.

- Second Wednesday of each month at 3:00 pm

Heron Lake

- Third Tuesday of each month at 2:00 pm

Reminiscence Kits

The Jackson County Library System received a Minnesota Association of Library Friends grant to purchase kits specifically oriented toward dementia patients. They are meant to trigger special memories of life experiences and encourage interaction between loved ones and caregivers with hopes to bring about smiles, rouse emotions, and make connections by sharing memories. They include DVDs, Photo and Activity cards and are available for a two-week checkout. Anyone can participate in and benefit from reminiscence. After all, bringing individuals and generations together in conversation and observation, is one of life's favorite things! You can find out more about these kits in the adult section of our website, jclmn.org, or by contacting your local library.

Homebound Delivery

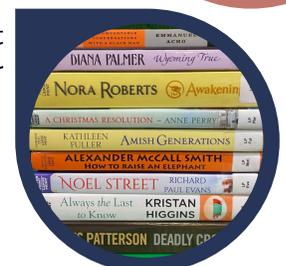

This service is available to residents in the city limits of Jackson, Lakefield and Heron Lake who are unable to leave their home. Let us know what you would like and we will deliver to your doorstep.

Curbside Pickup Service

The Jackson, Lakefield, and Heron Lake libraries offer Curbside Pickup Service. Library material requests can be made through the online catalog or by telephone. Staff will check out your items, schedule a pickup appointment and have them waiting for you to pick up near the library entrance. If you do not know of a specific title you would like, let staff know what type of genre interests you and they will pull items for you.

Wi-Fi Hotspots

The Jackson County Library System has internet hotspots available for community members to check out! You can check them out to use for internet access on long road trips, or if you are somewhere without WiFi for two weeks. The hotspots are available on a first come, first serve basis.

Winter Reading Program

Adults and Teens can get involved in the Winter Reading Program and earn prizes by reading! The program will be held beginning January 1, 2022 and continues through March 31. Contact your local library for more details.

STEM Kits

Explore at home with a STEM discovery kit! The Jackson County Library System received a Robert & Helen Remick Charitable Foundation Trust Grant and have created a new collection of circulating STEM (science, technology, engineering, and math) materials. Each kit includes a hands-on-experience to encourage curiosity, learning, and experimentation with books, tools, equipment, and toys. You can find out more about these fun kits in the youth section of our website, jclmn.org, or by contacting your local library.

1,000 Books Before Kindergarten

1000 Books Before Kindergarten is a self-paced program that encourages families and caregivers to read 1,000 books with their children from birth until before they enter kindergarten. Contact your local library for the program folder.

Do you have a Library Card?

Residents and landowners of Jackson County are eligible to receive a library card at no cost. Children under the age of 16 may receive a card if the application is signed by a parent or legal guardian.

A few things to know about using your library card:

- Always bring your Jackson County Library card with you when you visit the library.
- You are responsible for all materials borrowed on your library card.
- Please report a lost/stolen card to avoid unauthorized use. There is a \$1.00 charge for a replacement card.
- Please notify the library of name, phone, and address changes.
- Renewals may be done in person, online, or by telephone.
- Materials can be reserved at no charge. This includes materials from all over the state of Minnesota.
- An after hours outside book return is available at each library.
- Books may be returned to any public library in the Plum Creek Library System. For a full list go to: plumcreeklibrary.org/libs.htm
- The date due receipt shows when materials are due.
- Holds may be placed in person, over the phone, or online.

How to Renew and Place Holds Online:

To log in to your account

- Go to: opac.plumcreeklibrary.net
- Click "log in to your account" in the upper right corner
- Enter your login, which is your library card barcode number. Your password, is the last four digits of the phone number on your library account or it could be the last four numbers of your library barcode number.
- You're logged in! If you have any issues logging in call your local library. Now you can renew, place a hold, and view your checkouts, fines and reading history.

To renew an item

- Select the renew box next to the item you wish to renew.
- Click on "Renew".
- If you want to renew everything, click on "Renew all".

To request an item

- Type the word, phrase, author, title or subject you are looking for in the search field at the top of the screen and click "Go".
- Click "Place a Hold" on the item you wish to request.
- Click "Confirm Hold".
- You can also place holds following this process on MNLink.org, which searches all of Minnesota.

POSITIVE

Community Norms

Hello Huskies!

My name is Tiffany Lamb. As our students settle into the 2021-2022 school year, I am pleased to share the news of an exciting opportunity in our schools! The Minnesota Department of Human Services, Behavioral Health Division, has awarded JCC a Positive Community Norms grant which will create meaningful change within our local Jackson and Lakefield community.

I am delighted to join the JCC team as the Positive Community Norms Grant Coordinator. I hold a Bachelor's of Science from Minnesota State University, Mankato, and I have worked in community organizing for over 9 years. I am grateful for the opportunity to get to work in our beautiful local community.

The support of our students, parents, educators, and community was instrumental in receiving this grant and will be essential moving forward. I hope to include YOU at every step along the way! Let's connect!

What is Positive Community Norms?

Positive Community Norms cultivates cultural transformation by working on multiple community levels at once. This framework has shown itself to be extremely effective in creating meaningful social change in the areas of health and safety issues including traffic safety, underage drinking, binge drinking, child maltreatment and many others.

How does this work?

Positive Community Norms is based on "the Science of the Positive," the study of how positive factors impacts culture and experience. Positive Community Norms closes the gap between what we believe to be true and what is actually true. By talking about positive behaviors rather than emphasizing negative behavior and inadvertently making that seem common or even attractive, Positive Community Norms brings forward the message that the positive is the norm.
