Owosso Public Schools to Host Special Olympics Snow Globe Basketball Tournament

Owosso, MI - Owosso Public Schools is proud to host the Special Olympics Snow Globe Basketball Tournament on Saturday, January 10, from 9 a.m. until 5 p.m. at the Owosso Secondary Campus (765 E. North Street, Owosso). Twenty-six teams, comprised of 350 special needs athletes from around the state, will compete in this Special Olympics Michigan tournament, inclusive of a skills competition. This event is open to the public and there is no charge to spectators.

Collaborating to make this year's event a success are dozens of Owosso High School student volunteers, Owosso Sports Boosters, and Owosso Public Schools employees volunteering in various capacities.

Like all Special Olympics events, there is never a cost to the athletes or families to participate. All required funds are raised in the community or provided by generous businesses and organizations.
