'The Resurrection and the Life': Navy Vet Comes Back to Life After Family Prays

A 28-year-old Pensacola Navy vet has been miraculously raised from his deathbed after 10 days of prayer. Doctors had given up all hope after Ethan Preseau's brain scan showed some terrible news, and plans had already been made for his funeral. In early June, Preseau moved to Pensacola, Florida where he planned to build a life with his girlfriend, Piper Wade. While moving into their new space, Preseau went to his truck for a suitcase and did not return. Concerned, Wade checked on Preseau and found him lying unconscious. Shocked and panicked, she immediately acted.

Pastor freed from prison in China after Trump requested his release

A pastor of a prominent underground church who was detained in China in October has been released, less than two months after U.S. President Donald Trump brought up his case when meeting Chinese leader Xi Jinping in Beijing, according to rights advocates. Pastor Ezra Jin Mingri, of the underground Zion Church, arrived in Los Angeles on Saturday, and “is finally reunited with his family,” Frances Hui of the Committee for Freedom in Hong Kong Foundation wrote on X.

The world’s biggest countries engage in religious persecution

There are over eight billion people living on this planet and nearly three billion of them reside in China and India. Sadly, according to a wide-ranging survey by the Pew Research Center, religious freedom is largely non-existent in both those nations and Christians are the most common victims. In China the

government is determined to rid itself of Christians while in India local radical Hindus are the ones trying to kill believers or run them out of the country.

[Schools Recovering from COVID Shutdowns, but Millions of Students Are Still Behind]

More than six years after COVID-19 upended America's classrooms, schools are showing signs of academic recovery. New research finds students are making progress in math and reading, but many still perform below pre-pandemic levels.

[The Pew Research Center takes a look at the Philippines]

There are few Christians in Asia. Believers make up less than 10% of the population in that vast part of the world. But the Philippines is a notable exception. According to the Pew Research Center's latest global survey of faith, 92% of Filipinos identify as Christian. The poll also finds that 99% of adults say they believe in God and 80% report that they pray every day. Amongst countries with the largest Christian populations on earth, the Philippines ranks 7th.

We are debtors, to proclaim the Gospel by the electronic media, as trustees of our stations. God has given us influence beyond anything our natural abilities or personal goals would suggest.

Highlights from Letters to Power 88

- I grew up chosen by God. A young child devoted without strong family guidance but on my own will and love for God. As a young teenager, emotional devastation hit me and Satan fought to sway my heart and mind with all his might. I fell and I fell hard. A marriage and three children later I finally broke to my knees again as my eldest son of 18, kind hearted and good natured made a mistake that can cost him so much. I learned that Satan will use every weakness to keep you. We are still dealing with this situation but in turning my heart back to God I vowed that I would stand up against the demons in my life with my eyes fixated on my Heavenly Father and show my family and those in my life that it is never too late and you can touch many with little through God's power. My son is now devouring the Word of God with inquisitive and devoted thirst. My husband is seeking the truth, which is a miracle in itself. I have turned my life over to God, learning His Word with the desire to share it with everyone I come in contact with. Power 88 has lifted my spirit, helped strengthen my faith and quench my thirsting soul. God Bless your radio station. I am so grateful that God has placed your station in my life. I listen to Power 88 any time my radio is playing.
