

September

We are so thrilled for fall to be arriving in the month of September! The children are doing an awesome job at adjusting. The children are learning so many things each day.

We will be learning about the following topics this month: **Family, Five Senses, Feelings, Shapes, Apples, Johnny Appleseed, Fall, and Leaves.**

We will also work on literacy and math skills. We will begin to have a letter and number of each week. We will begin journals and classroom jobs. We will strengthen fine motor skills by writing our names. We appreciate your participation in your child's education.

Please work on the items listed below with your child.

Identifying First & Last Name
