#### **Reports**

#### Student Representative

Kaleb Reagan gave a verbal report.

#### **Board Members**

Ritta Martin stated that she was a judge for the Senior Presentations and that she really enjoyed it. Mrs. Martin has also enjoyed volunteering to keep the scorebook at a couple basketball games. She was also able to attend the Elementary Christmas Program, there was a good turnout and the kids did a great job.

#### <u>CBO</u>

Dusty Thompson stated that he was a judge for the Senior Presentations, they all did very well and it was a lot of fun.

#### Superintendent/Principal

Superintendent Pendell informed the board on all that has been going on. With the help of GCOE all our aides attended an Active Supervision training. Ms. Voght's 3rd/4th grade class went to Chico to watch "The Christmas Carol" at Laxson Auditorium, they loved it. ECHS FFA did a volleyball tournament fundraiser, which went well and there were a lot of people here supporting the fundraiser. The ECE Christmas program was a success, had a great turnout and the kids were all super cute. All the seniors did a great job on their presentations, it was interesting hearing about each of their experiences. College Career day was a hit, our goal was to be bigger and better than last year, and we were. Had a lemonade vendor in the parking lot and lots of stations for the students to visit in the gym. Mrs. Farrell's CTE class made a compelling argument on what CTE class they want for next semester as what they are currently doing, Edynamic, doesn't seem to be working. Next semester they will be doing a science food pathway class, where they will start growing their own things and eventually selling their products, the Golden State Pathways Grant will help support this. We are waiting to hear back from the California Dept. of Architecture to get blueprints on Indian Valley School. We are in the process of applying for the SASI grant which will help with the building repairs that need to be done on the campus.

CBO Dusty Thompson presented The First Interim Report for approval. Krystal Craven made a motion to approve The First Interim Report. It was seconded by Cathie Bodeker and the motion passed by a vote of 5-0.

#### **B. Board Governance & Other Board Training Opportunities**

Board President Ritta Martin presented the board with a list of Board Governance Trainings. Both online and in person. After some discussion the board felt in person training would be a great idea. Diana Corkill made a motion to do in person training with Fred van Fleck. It was seconded by Delana Martin and the motion passed by a vote of 5-0.

Adjourned to Closed Session at 7:16 pm.

#### **Closed Session Report**

A. Ed. Code 35146 Inter-District Requests - 24-25-15 A,B: Krystal Craven motioned to approve interdistrict transfer requests and Delana Martin seconded. Motion passed by a vote of 5-0.

#### ARTICLE 6 WORKING CONDITIONS

#### 6.5 School Day

#### 6.5.1 Teaching Hours

- 6.5.1.1 It is recognized by both the District and Federation that grade-level and other program requirements may result in disparate teacher-student contact time.
- 6.5.1.2 The on-site work day shall be seven eight (8) hours thirty (30) minutes. This is inclusive of a duty-free lunch – see Section 6.5.4 below.

The on-site work day shall not be longer than fifteen (15) minutes after the last class at that school site is dismissed.

The purpose of the on-site presence outside the student instructional day is to counsel with students regarding classroom performance/assignments, to meet with parents regarding student performance and other activities necessary to facilitate the educational program.

- 6.5.1.3 TK and Kindergarten teachers may be required to assist in the primary grades.
- 6.5.1.4 If an employee must leave their assigned campus during the teacher work day, outside of the student attendance hours, notice shall be given to the District office prior to departure except in extraordinary circumstances.

#### 6.5.2 Adjunct Duties

- 6.5.2.1 As mandated by statute or regulation (e.g., IEP, SST, WASC, CCR, PQR) each bargaining unit member is to participate in the required activities.
- 6.5.2.2 Back-to-school nights, open houses and parent conferences are to be attended by all bargaining unit members.

#### 6.5.3 **Co-Curricular Assignments**

Co-curricular assignments will be equitably assigned by the site administrator according to the needs of the school. The District shall define the co-curricular assignments at each school.

- 6.5.3.1 At the beginning of each semester, a calendar of activities, and the number of people required to cover the activities, will be distributed to the faculty by the administrator. Staff members may sign up for assignments in seniority order until the number needed for assignments is obtained.
- 6.5.3.2 All teachers may be required to fulfill twenty (20) hours of extra duty as approved by the administration.

#### 6.5.4 Lunch Break

The employee's lunch period will be duty free and no less than thirty (30) minutes. An employee may leave school during his/her lunch period after notifying the office.

#### 6.5.5 Preparation Time

#### 6.5.5.1 Grades 9-12

Regular full-time classroom teachers employed in grades 9-12, shall have a teaching day that consists of six (6) teaching periods and a preparation period. Preparation periods shall be of the same duration as that of regular teaching period.

This configuration can be altered, on a pilot basis, to block scheduling or a similar concept, with consensus of site teachers and the Principal. Written documentation will support the agreement.

See also, Section 6.5.7

#### 6.5.5.2 Grades K-8

By the end of each school year, the administration and all of the elementary teachers on schedule to work the following school year, shall meet to consult regarding a schedule for grades K-8 for the next school year. The District shall then establish a schedule which achieves the following:

A teacher work day that conforms to Section 6.5.1.2 above (i.e. eight (8) hours and thirty (30) minutes – inclusive of a thirty (30) minute duty-free lunch;

A block of forty (40) minutes of preparation time shall be within the teacher work day and outside student contact time;

There shall be a period of fifteen (15) minutes before the first class and fifteen (15) minutes after the last class, exclusive of the teacher's preparation time, when teachers are to be available to conference with students and parents;

Subject to the requirements to meet a state mandate for instructional minutes, student contact time shall not exceed six (6) hours and thirty (30) minutes. This includes state-permitted passing periods and recess, but excludes the thirty (30) minute duty-free lunch.

Elementary schedules will be established that equitably distribute, as reasonably as possible, the six (6) hours thirty (30) minutes of student contact time.

#### 6.5.5.3 IEPs

An IEP and/or student study team meeting may be scheduled any time, but shall not deprive the teacher of the thirty (30) minute duty free lunch.

#### 6.5.6 Pay for Regular Teaching During Preparation Time

A teacher who voluntarily agrees to teach during his/her preparation period or time for an entire year, will be paid an additional one-seventh (1/7th) of his/her step on the salary schedule. A teacher who teaches one (1) full semester shall receive one-half (1/2) of this amount.

#### 6.5.7 Pay When No Substitute is Available

When a substitute cannot be obtained, and when a teacher volunteers to teach during his/her preparation time, he/she shall be paid as follows:

- 6.5.7.1 At grades 7-12, one sixth (1/6th) of a substitute's pay if a teacher teaches six (6); one-fifth (1/5th) if a teacher teaches five (5).
- 6.5.7.2 At grades K-6, a pro-rated amount of a substitute's pay based upon minutes taught as a substitute divided by three hundred ninety (390).

#### 6.5.8 Curriculum at 9-12

Annually, the District shall determine whether the curriculum at grades 9-12 shall be six (6) periods (teachers teach five (5)) or seven (7) periods (teachers teach six (6).

#### 6.6 Teacher Work Year

6.6.1 Teachers shall provide instruction for one hundred fifty-four (154) days per year.

#### 6.6.2 In addition, there shall be:

- 6.6.2.1 seven (7) additional workdays. The content and placement of these work days shall be determined by the District after consultation with the Federation. New teachers shall be required to attend one (1) additional day for a total of eight (8) days.
- 6.6.2.2 three (3) mandatory SB 1193 staff development days.

Should a bargaining unit member, for reasons beyond their control, be unable to attend a scheduled day, the Federation and the District shall meet to develop a mutually acceptable alternative method for that employee to satisfy a staff development objective.

Should an employee fail to make-up a scheduled day, his/her salary shall be reduced by one day's pay (1/164) for each day missed.

After consultation with the Federation, the District shall annually determine the content and schedule for eight hours thirty minutes (8.5).

The remaining seventeen (17) hours, subject to meeting State guidelines, may be met with teacher-selected activities and may be satisfied in hourly increments. The teacher must provide to the District by May 15<sup>th</sup>, annually, documentation that the teacher-selected activity meets State guidelines. At a minimum, this will include:

- content;
- date and time;

- number of hours;
- name of the facilitators, and
- proof of attendance/participation (i.e., sign-in sheet or online course confirmation).

If the teacher-selected activity does not meet State guidelines, his/her pay shall be reduced by one day's pay (1/164). Teachers are encouraged to seek prior confirmation from the Superintendent that the planned activity meets State guidelines.

Without advance written approval from the District, the teacher-selected activity must be at no cost to the District.

The teacher shall not engage in his/her selected activity during the instructional day.

In school years when the District is engaged in a WASC accreditation, the District shall have the right to schedule, after consultation with the Federation, the entire twenty-five (25) hours thirty (30) minutes. The District shall provide written notice to SCFT by May 30<sup>th</sup> prior to any school year when this provision will apply.

The timeline for achieving the seventeen (17) hours stated in paragraph (3) above shall be from the summer preceding the academic year up through the deadline of May 15 of that academic year.

6.6.3 District elementary, middle and high school unit members shall use in-person staff in-service days and virtual staff in-service days for planning, preparation, professional development opportunities, staff meetings and conferences with parents, pupils or other professional staff.

In-person staff in-service days will be directed by the district. Except for emergencies, virtual staff in-service days will be directed by the district with one week's notice to unit members. During these virtual staff in-service days, unit members are free to work on or off site at their discretion.

It is understood that a unit member utilizing this time for doctor's appointments, illness, or other non-school related activities are expected to use sick or personal time.

#### ARTICLE 12 RULES GOVERNING THIS AGREEMENT

#### 12.1 Savings Provision

If any provisions of this Agreement are held to be contrary to law by a court of competent jurisdiction, such provisions will not be deemed valid and subsisting except to the extent permitted by law, but all other provisions will continue in full force and effect. Any substitute action shall be subject to consultation with the Federation.

#### 12.2 Effect of Agreement

It is understood and agreed that the specific provisions contained in this Agreement shall prevail over District practices and procedures to the extent permitted by State Law.

#### 12.3 Duration

#### 12.3.1 Term

This Agreement shall remain in full force and effect from date of ratification up to and including June 30, 2026; and thereafter shall continue in effect, year-by-year, unless one of the parties notifies the other in writing no later than March 15<sup>th</sup> of its request to modify, amend or terminate this Agreement.

- 12.3.2 The parties agree that all negotiable items have been discussed during the negotiations leading to this Agreement.
- 12.3.3 At any time, with mutual consent, the parties may meet and negotiate upon any item or matter of common interest.

#### 12.4 Reopener Negotiations

12.4.1 Annual negotiations will commence no later than the month of April for the following year.

#### 12.4.2 Reopeners

During this four (4) year contract, the Federation and the District agree to the following re-openers for negotiations:

12.4.2.1 For the 2023/24 school year:

- Article 8;
- Two (2) items from the Federation; and/or
- Two (2) items from the District.

#### 12.4.2.2 For the 2024/25 school year:

- Article 8;
- Two (2) items from the Federation; and/or
- Two (2) items from the District.
- 12.4.2.3 For the 2025/26 school year:
  - Article 8;
  - Up to two (2) items from the Federation; and/or
  - Up to two (2) items from the District.

## **Bidwell Point Continuation High School** 2023-2024 School Accountability Report Card (Published During the 2024-2025 School Year)

## General Information about the School Accountability Report Card (SARC)

Admission Requirements for the University of California (UC)	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <a href="https://admission.universityofcalifornia.edu/">https://admission.universityofcalifornia.edu/</a> .
Admission Requirements for the California State University (CSU)	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <u>https://www2.calstate.edu/</u> .

## A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement								
Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent		
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	0.20	28.57	6.50	72.64	228366.10	83.12

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

#### **B. Pupil Outcomes** State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### **Statewide Assessments**

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
- 2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
- 3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### **College and Career Ready**

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24

Mathematics (grades 3-8 and 11)			40		34	

#### 2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

#### CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## 2023-24 Career Technical Education Programs

Bidwell Point provides provides a basic education program designed to keep students enrolled in school and providing them the opportunity to earn a high school diploma. 135 credits are needed to graduate Bidwell Point. Classes include drivers education. Bidwell Point students have opportunities to participate in athletics at Elk Creek High School, and are encouraged to work while attending school. Students also participate on college or trade school field trips as well as academic field trips.

# **Elk Creek Elementary School** 2023-2024 School Accountability Report Card (Published During the 2024-2025 School Year)

## General Information about the School Accountability Report Card (SARC)

Admission Requirements for the University of California (UC)	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <a href="https://admission.universityofcalifornia.edu/">https://admission.universityofcalifornia.edu/</a> .
Admission Requirements for the California State University (CSU)	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <u>https://www2.calstate.edu/</u> .

#### 2024-25 School Description and Mission Statement

Elk Creek Elementary School, nestled in the rural Stony Creek Joint Unified School District in Glenn County, California, serves a small and diverse student population. Despite the challenges of its remote location and economic constraints, the school thrives with strong community support. The school emphasizes individualized learning, with small class sizes averaging a 10:1 student-teacher ratio, fostering close connections between students and staff. Elk Creek Elementary is dedicated to improving attendance, engaging parents, and providing a nurturing environment where students can succeed academically and personally.

#### School Facility Conditions and Planned Improvements

The Maintenance Lead and Administration conducts informal inspections regularly and formal inspections once each year to inspect the conditions of all buildings and grounds. All school staff are encouraged to report any concern to the Administrator. Needed repairs and safety issues are addressed through work orders to the Maintenance Lead for prompt attention. The school has 3 classrooms in the main building along with a kitchen and multi-purpose room. The fourth classroom is a portable building adjacent to the main building.

The facilities were built in approximately 1960.

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
- 2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
- 3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### **College and Career Ready**

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

#### 2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

# **Elk Creek High School** 2023-2024 School Accountability Report Card (Published During the 2024-2025 School Year)

## General Information about the School Accountability Report Card (SARC)

Admission Requirements for the University of California (UC)	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <a href="https://admission.universityofcalifornia.edu/">https://admission.universityofcalifornia.edu/</a> .
Admission Requirements for the California State University (CSU)	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <u>https://www2.calstate.edu/</u> .

addressed through work orders to the Maintenance Lead for prompt attention. The school was built in the 1950's and have been maintained in good repair using both expertise of maintenance personnel and licensed contractors. The maintenance and custodial staff take pride in keeping the classrooms and other areas of the campus in good repair and in a manner that meets high standards of cleanliness. Janitorial services are provided on a regular schedule by personnel trained in the use of appropriate cleaning products for a school site.

## B. Pupil Outcomes

# State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
- 2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
- 3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### **College and Career Ready**

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## 2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2023-24 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. # Indian Valley Intermediate School 2023-2024 School Accountability Report Card (Published During the 2024-2025 School Year)

# General Information about the School Accountability Report Card (SARC)

Admission Requirements for the University of California (UC)	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <a href="https://admission.universityofcalifornia.edu/">https://admission.universityofcalifornia.edu/</a> .
Admission Requirements for the California State University (CSU)	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <u>https://www2.calstate.edu/</u> .

B. Pupil Outcomes	State Priority: Pupil Achievement
-------------------	-----------------------------------

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### **Statewide Assessments**

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
- 2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
- 3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## 2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## Stony Creek Joint Unified School District 2024/2025 School Year

It is the intent of the Stony Creek Joint Unified School District (SCJUSD) to continue its commitment for all Indian children of school age to have equal access to all programs, services and activities offered within the school district. Moreover, the District is committed to actively seeking the most effective educational practices for all students through efforts to engage all students, including Indian students, through evidence-based practices and by actively encouraging its teachers to stay abreast of best practices through in-services and trainings with attention to the needs of Indian students. To this end, the Stony Creek Joint Unified School District will consult with local tribal officials and parents of Indian children in the planning and development of Indian Policies and Procedures (IPPs), general education programs and activities. These policies and procedures will be reviewed annually and revisions will be made within 90 days of the determination that requirements are not being adequately met.

## ATTESTATIONS

The Stony Creek Joint Unified School District attests that it has established Indian Policies and Procedures (IPPs) as required in section 7004 of the Impact Aid law for any children claimed who reside on eligible Indian lands. The IPPs have been adequately disseminated to the tribes and parents of children residing on eligible Indian lands. A copy of the current policies and procedures will be attached to the FY 2026 Impact Aid application.

The Stony Creek Joint Unified School District attests that it has provided a copy of written responses to comments, concerns and recommendations received from tribal leaders and parents of Indian children through the Indian policies and procedures consultation process and disseminated these responses to tribal leaders and parents of Indian children prior to the submission of their FY 2026 Impact Aid application.

#### **Indian Policies and Procedures**

The following Indian policies and procedures become effective upon school board approval.

## POLICY (1): The LEA will disseminate relevant applications, evaluations, program plans and information related to the LEA's education program and activities with sufficient advance notice to allow tribes and parents of Indian children the opportunity to review and make recommendations. [34CFR222.94(a)(1)]

**Procedure 1:** The District Administrator/designee will, as soon as reasonably possible after such information becomes available, but not later than one week in advance of any meeting, mail or deliver through students with a prior text message or postcard stating that the materials should be expected to Indian parents and Tribal officials a copy of the following documents:

Impact Aid FY 2026 application;

Evaluation of relevant educational programs; and

Plans for education programs the District intends to initiate or eliminate.

Information regarding these materials will be included in yearly written report, which will include school personnel contact information for any parent or parent groups who wants to meet and discuss the information in the report. (This report will be mailed with the written response to items in Policy 5.) Parents of Indian children, tribal officials and the public will be given notice of any and all meetings related to equal participation or the content of the educational program by including information about meeting times and locations to be disseminated in the registration packet given to all students. The location, date and time of any meeting described above shall be posted in the same manner as a legally posted Board meeting. Parents of Indian children, tribal officials, the Indian Education Committee and any other interested persons will be offered the opportunity to review assessment data to help develop or modify educational programs and services allowing for the participation of Indian students on an equal basis in the district. The meeting to discuss these documents was on 1/21/2025.

POLICY (2): The Stony Creek Joint Unified School District will provide an opportunity for the Grindstone Tribe and parents of Indian children to provide their views on the District's educational program and activities, including recommendations on the needs of their children and on how the District may help those children realize the benefits of the educational programs and activities. [34CFR222.94(a)(2)]

(i) Notify tribes and the parents of Indian children of the opportunity to submit comments and recommendations, considering the tribe's preference for method of communication, and

(ii) Modify the method of and time for soliciting Indian views, if necessary, to ensure the maximum participation of tribes and parents of Indian children.

#### **Procedure 2:**

The District will carry out and document the following procedures in order to notify the tribe and parents of Indian children to of opportunities for their comments and recommendations to be heard. The tribes preferred method of communication is a combination of "all call" to parents, attendance of the school district at monthly Grindstone parent meetings and surveys. The purpose of these procedures is to allow parents of Indian children multiple methods of communication (i) and (ii).

- 1) District Board Meetings:
  - a) Agendas will be posted in the following places with 72 hours notice: copy faxed Grindstone Indian Rancheria Community Center for posting on the public bulletin board, District office, Elk Creek Post Office, Stonyford Post Office, and District website.
- Regular school district board meetings will be scheduled on the third Tuesday of each month; location alternating between school facilities in Elk Creek and in Stonyford. All board meetings, regular and special, will be announced with an "all call" to parents.
- 3) American Indian Parent Meetings:
  - a) The goal of the meetings will be a collaborative effort between the Indian parents/guardians and district to increase attendance and achievement of Indian children attending in the district.
- 4) A yearly survey will be mailed to each family/guardian with Indian child(ren) attending school in the district, and the survey will be administered to grades 7-8 at school. The survey

will include questions on preferred methods of communication with the Indian community and requests for input and feedback from students and parents.

- a) A copy of the survey and results will be maintained in the District Office. The information gathered in the survey will be shared at a regularly scheduled Board meeting and with the Indian community at a regularly scheduled parent meeting.
- b) Classroom teachers will share the survey results with students.
- c) A copy of the survey results will be mailed to the Tribal Chair.
- 5) School representative(s) will attend the monthly Grindstone Parent Advisory Committee meetings at the Grindstone Indian Rancheria and also solicit their preferences for means and times of communication from District schools.
  - a) School representative(s) will solicit input and feedback on the needs of Indian students and families and maintain written notes of each meeting.
  - b) School representative(s) will inform Indian parents of activities and meetings at the school through notes home and/or use of an "all call" system. Meeting times will include opportunities for parents to ask questions give input. Written records of these meetings will be maintained.
- 6) Informal conversations with parents visiting the schools will also be used as an opportunity to solicit additional feedback and input from Indian parents and their preferred way of gaining information about school activities; written notes will be made of information parents share.
- 7) Grindstone Parent Advisory Committee meetings will be held at the Grindstone Indian Rancheria for the convenience of the parents living there. Regularly scheduled meetings will be announced on the "all call" at least 72 hours prior to the meeting.
- 8) District board meetings and school site council meetings are held in the evening or late afternoon to accommodate working parents, including Indian parents. Meetings and school site council meetings will be publicized with the required 72 hour agenda postings, "all calls," and flyers went home with the K-6 students.
- 9) In order to allow Indian parents and tribal officials to make commentary concerning (1) the needs of their children and the ways in which they can assist them in realizing the benefits of the education programs; (2) the overall operation of the District's education program; and (3) the degree of parental participation allowed in the same, the Board will mail parents of Indian children and Tribal officials a questionnaire requesting their input and recommendations in the fall and will thereafter hold an annual Board meeting where such commentary may be reviewed by Indian parents, Tribal officials, and the Board. Indian parents and Tribal officials will be given notice of any and all meetings by including in the above-referred questionnaire to be disseminated in the fall semester information as to the location of legally posted Board notices. The location, date and time of any meeting described above shall be posted in the same manner as a legally posted Board meeting. If participation in the survey results in a low return rate or the established meeting yield low participation by the parents of Indian children and tribal officials, the Stony Creek Joint Unified School District will reevaluate its plan and consult with parents of Indian children and tribal officials on ways to improve and enhance participation in the consultation process. The Stony Creek Joint Unified School District may re-locate meetings or times to encourage participation.

POLICY (3): The Stony Creek Joint Unified School District will annually assess the extent to which Indian children participate on an equal basis with non-Indian children in the District's education program and activities. [34CFR222.94(a)(3)]

(i) Share relevant information related to Indian children's participation in the LEA's education program and activities with tribes and parents of Indian children; and
(ii) Allow tribes and parents of Indian children the opportunity and time to review and comment on whether Indian children participate on an equal basis with non-Indian children.

The Stony Creek Joint Unified School District will take the following measures to annually assess the extent to which Indian children participate on an equal basis with non-Indian children in the District's education program and activities. The very small district has only 55 students including kindergartners through high school seniors, inclusive.

## Procedure 3:

# Assessment of Equitable Participation by Indian Children in District Programs and Activities

- 1) The Stony Creek Joint Unified School District will monitor Indian student participation in all academic and co-curricular activities and evaluate and report these annually. Data will be gathered from the following sources:
- 2) California Department of Education website with demographic student data including progress shown on the Dashboard for Indian students in Language Arts, Math and Science, and the number of suspensions.
- 3) School rosters--number and proportion of Indian students in student clubs and sports. Data will be reported annually to Board and Indian parent organization.

- 7) publicized monthly board meetings and Indian parent advisory meetings
- 8) Requests at meetings to Indian parents for verbal and written feedback and input at the annual report of Indian students' participation and progress in academic and extracurricular activities.
- 9) A report of equitable participation of Indian students will be mailed to parents of Indian students. The report will include notification of the District's desire for further information, accepted in verbal or written format. The report will include an invitation to meet in person, by phone, e-mail, and/or to request a formal meeting for further discussion regarding equitable participation.
- 10) The Stony Creek Joint Unified School District will share its assessment of district funding, Indian student participation, related academic achievements and other related data will be shared with the parents of Indian children and tribal officials by mail, email, and/or posting at tribal office.

- 11) Annual reports on the equitable participation of Indian students will be mailed to the Tribal Chair, given to members of the Indian parent advisory committee. The report will include how funding related to education of Indian students is spent. A record of these reports will be maintained in the district office.
- 12) Copies of annual reports will be provided to tribal officials.

POLICY (4): The Stony Creek Joint School District will modify the IPPs if necessary, based upon the results of any assessment or input described in this document. [34CRF222.94(a)(4)]

# **Procedure 4:**

During the organization meeting of the Parent Advisory Committee, the Indian Policies and Procedures will be reviewed and revised if necessary.

- 1) The IPP document will be forwarded to the SCJUSD School Board for as well as the tribal chair and parents of Indian children for review and consideration
- 2) The Parent Advisory Committee will be advised that it may suggest revisions at other times of the year.
- 3) Any updates of the IIP will be sent to parents of Indian children and tribal officials within two weeks of adoption by the SCJUSD School Board.
- 4) The geographical area of the district will be divided in a manner to ensure the inclusion of representatives from the American Indian community.
- 5) Changes to the IPP will be implemented expediently, with the schedule of change related to the time required, dependent on the magnitude or type of change.
- 6) Indian parents and children will be made aware of changes through the Indian parent advisory committee.

## POLICY (5) : The Stony Creek Joint Unified School District will respond at least annually in writing to comments and recommendations made by tribes or parents of Indian children, and disseminate the responses to the tribe and parents of Indian children prior to the submission of the IPPs by the LEA. [34CRF222 .94(a)(5)] Procedure 5:

The Stony Creek Joint Unified School District will at least annually respond in writing to any comments and recommendations received from the Parent Advisory Committee, tribal officials, and/or parents of Indian children, and disseminate the responses to all parties at least annually prior to the yearly submission of the IPPs by the District. The written response will be sent home with all Indian students living on or off the Grindstone Indian Rancheria and also posted at the tribal office and mailed to the Tribal Chair. The response will include contact information for those who want to give further feedback or discuss the District's response. The District's at least annual response will be prepared within two weeks of response(s) from parents of Indian children and sent home with students with prior notice by text or postcard. and reported at a Board meeting.

# POLICY (6): The Stony Creek Joint Unified School District will provide a copy of the IPPs annually to the affected tribe or tribes. [34CR F222.94 (a)(6)] Procedure 6:

The Stony Creek Joint Unified School District will annually provide a copy of the current Indian Policies and Procedures to the Grindstone Indian Rancheria Tribal Office and Tribal Chair and have a copy available at the District office with notification to parents through an information item on the agenda for a regularly scheduled meeting, posted as required. All students' parents will also be notified of the location of the current Indian Policies and Procedures in the packet of school information provided for every District student at the beginning of the school year and for all new students during the school year.

#### BOARD POLICY

3016.7

## TITLE: Native American Policies and Procedures NUMBER:

It is the policy of the Stony Creek Joint Unified School District that Native American children are afforded the opportunity to participate on an equal basis with all other children educated by the district.

The Stony Creek Joint Unified School District staff will provide for open communication and participation with and by all Tribal Governments, parents of Native American children, or its committee representative regarding matters dealing with the educational process of children residing on the Grindstone Native American Rancheria and other Native American children residing in the Stony Creek Joint Unified School District. This includes, but is not limited to, opportunities to serve on School Site Council committees and Parent-Teacher organizations. They will be afforded the opportunity to comment on whether Native American children participate on an equal basis with non-Native American children in the educational programs and activities provided by the district. When new staff members are hired, a Grindstone Parent Advisory Committee parent will be asked to serve on District interview committees.

The Stony Creek Joint Unified School District, through monthly meetings with the Native American parents, will inform, consult and involve Native American parents regarding the school program and assess the extent to which Native American children participate on an equal basis with non-Native American children served by the district. Native American parents will have the opportunity to recommend, if necessary, ways the district can modify its education program to ensure that Native American children participate on an equal basis with non-Native American children served by the district. The Stony Creek Joint Unified School District will disseminate applications, evaluations, program plans and other information related to the educational programs of the district in a timely manner. The district will allow the tribe and parents of Native American children an opportunity to review the materials, provide input on the needs of the Native American children, and recommend ways the school district can help Native American children benefit from the district's educational programs and activities. All agencies and groups will work cooperatively to offer the best education possible for all students.

Names of parents serving on the GPAC will be submitted to the office by the start of each school year. The Superintendent or designee will then attend the meetings. A time and schedule for the monthly meetings will be set at the first meeting of the year, usually the  $2^{nd}$  Thursday in August.

Each meeting of the Grindstone Parent Advisory Committee will allow time for discussion of educational concerns that Native American parents may have. An open approach will be instituted where Native American parents will be encouraged to participate fully. The connection will be a partnership which allows for positive flow of information and ideas from the Rancheria to the school district and from the school district to the Rancheria. It is the district's responsibility to gather information concerning the Native American community views on education issues and notify Native American parents and tribal members of the location and times of school board meetings.

Notices of upcoming Stony Creek Joint Unified School District Board meetings will be posted at the Grindstone Tribal Office, the Elk Creek post office, the Stonyford post office, and the District office

The district staff shall endeavor to participate with Native Americans to provide integrated educational programs and career preparation activities in accordance with the provision of the "No Child Left Behind Act of 2001". The district shall follow state and federal guidelines relating to "No Child Left Behind" in identifying, assessing, and remediation of specific learning needs of Native American children. Cultural activities will be observed with the goal that tribal traditions are respected by the school district and resources are used to educate all students. These Native American Policies and Procedures will be modified based upon input from the tribe and parents.

Policy Revised: 3/08, 6/10, 1/22/14, 7/23/14, 9/9/15, 10/9/19, 1/30/2024, 1/21/2025 Policy Reviewed: 5/09, 4/11, 5/29/12, 7/14, 9/9/15, 1/11/17, 10/10/18,11/18/20, 1/19/22
