MATH - MCKINNEY

This week, in addition to continuing to learn our classroom rules and procedures, we will be learning about having a growth mindset! We will also be focusing on adding and subtracting within 20, as well as counting to 120. We will be focusing on the strategies counting on, number bonds, and fact families. We will have our first Fact Fluency quiz on Friday. Start practicing the addition and subtraction facts within 20! Please refer to the parent letter we sent home to see how it will be graded. Feel free to ask me any questions about this as well!

ELA - MORENO

- *We will begin our Phonics program, Foundations, orientation unit and learn how to use all the new materials.
- *We will also continue to learn and practice classroom routines and procedures using our PAWS positive behavior plan with some favorite back to school read alouds.
- *We will begin learning how a writer's workshop will take place in our classroom.

IMPORTANT INFORMATION

Please remember to bring your school supplies as soon as possible! We are in need, specifically, of the binder pouches, folders, composition books, and headphones in order for our classes to run smoothly.

Don't forget to wear tennis shoes on our PE/Health days!

Please turn in your workbook fees and class shirt fees ASAP.
