

PBIS

What is PBIS?

- The Positive Behavior Interventions and Support program is based upon the idea of recognizing positive contributions of students. Our goal is to help each child develop self-discipline. Home and school share the responsibility for developing good citizens. Parents, teachers, and students must work together to maintain a safe learning and positive learning environment. As part of PBIS, teachers, administrators, counselors and support staff will have responsibility to TEACH positive behavior expectations to students. PBIS means students will know exactly what is expected of them. Students who take responsibility will be recognized and rewarded in a variety of ways.

What is PBIS at C.B. Watson Primary School?

- C.B. Watson Primary's School-Wide Expectations for students are:
 - Be Respectful, Be Responsible, Be Safe
 - These expectations, along with the appropriate positive behaviors, are displayed in different areas of the school as reminders for students. Students will receive on-going instruction from staff on our school-wide expectations in all areas of our school. The classroom, restroom, cafeteria, hallways, bus, computer lab, media center, playground and assemblies are all settings where students will be expected to act in a respectful, responsible and safe manner.
- **Your school's PBIS Mission**
 - The mission of the C.B. Watson Primary PBIS team is to foster and promote a safe and positive school environment that enhances student learning through teaching and recognizing positive behavior.
