

Algebra I — Ms. South

Parents,

My name is Melessa South, and I will be your student's teacher this year. This is my second year teaching math at LHS. I am looking forward to this year!

Your student is enrolled in a fast-track (accelerated) Algebra I class. Students will complete Algebra I in the fall and take the Algebra I state test in December. Students must pass this test in order to graduate. All students that have an 85 or higher in Algebra I will take Algebra 2 in the spring.

Please read the information on your student's interactive notebook, then scan the QR code below and fill out the form. If you have any questions throughout the semester, please e-mail me using the link on my school website or contact me through SchoolStatus.

Thank you for all your support!

Melessa South
