INTENT

- a) It shall be the intent and purpose of this Invitation for Bid (IFB) to cover the terms and conditions under which a successful Bidder shall be responsible to supply and deliver products to the SFA, through sealed bids.

All procurement transactions must be conducted in a manner providing full and open competition consistent with the standards of this section. In order to ensure objective vendor performance and eliminate unfair competitive advantage, suppliers that develop or draft specifications, requirements, statement of work, or Invitation for Bids, must be excluded from competing for such procurements. (2 CFR 200.319)
- c) Any changes to the terms or conditions of this Contract, which are required by Federal or State law or rule, or changes to Federal or State laws, rules, or citations are automatically incorporated herein, effective as of the date specified in such law, rule and/or USDA Memo.

SECTION 2
STANDARD TERMS AND CONDITIONS

The signed and dated contract between the SFA and the Vendor shall be governed in accordance with the laws of the State of Georgia and all applicable Federal regulations.

I. LOBBYING CERTIFICATE (for bids over \$100k)

A Lobbying Certification and Disclosure must be completed for all bids \$100,000 and over. Byrd Anti-Lobbying Amendment (31 U.S.C. 1352): Vendors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award. See and complete *Attachment D*.

II. DEBARMENT AND SUSPENSION VERIFICATION (for bids over \$25k)

Institutions shall solicit offers from, award contracts to, and consent to subcontracts with responsible vendors and/or principals only. The serious nature of debarment and suspension requires that sanctions be imposed only in the public interest for the Government's protection and not for purposes of punishment. Institutions shall impose debarment or suspension to protect the Government's interest and only for the causes and in accordance with the procedures set forth in 2 CFR 200.213.

The Vendor certifies that the Vendor and/or any of its sub vendors or principals have not been debarred, suspended, or declared ineligible by any agency of the State of Georgia or any agency of the Federal government or as defined in the 2 CFR 200.213 which states "Non-federal entities are subject to the non-procurement debarment and suspension regulations implementing Executive Orders 12549 and 12689, 2 CFR part 180. These regulations restrict awards, subawards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in Federal assistance programs or activities." The Vendor will immediately notify the School Food Authority if Vendor is debarred or placed on the Consolidated List of Debarred, Suspended, and Ineligible Vendors by a federal entity.

By signing this agreement, the Vendor is testifying that they are not debarred, suspended, or has any ineligible or voluntary exclusions with the U.S. Department of Agriculture or any other Federal or State Agency. All responses will be verified. Debarment and Suspension (Executive Orders 12549 and 12689): A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. See *Attachment E*

III. BUY AMERICAN STATEMENT (Food only) (7 CFR Part 210.21(d))

Vendor must comply with the William F. Goodling Child Nutrition Reauthorization Act of 1998 (Buy American Act: 7 CFR 210.21(d)) which requires schools and institutions participating in the National School Lunch Program (NSLP) and School Breakfast Program (SBP) in the contiguous United States to purchase, to the maximum extent practicable, domestic commodities or products for use in meals served under the NSLP and SBP.

Buy American:

Definition of domestic commodity or product. The term 'domestic commodity or product' means:

- (i) An agricultural commodity that is produced in the United States; and
- (ii) A food product that is processed in the United States substantially using agricultural commodities that are produced in the United States. Substantial means over 51% of the final processed product consists of agricultural commodities that were grown domestically. Products from Guam, American Samoa, Virgin Islands, Puerto Rico, and the Northern Mariana Islands are allowed under this provision as territories of the United States.

The Buy American provision (7 CFR Part 210.21(d)) is one of the procurement standards SFAs must comply with when purchasing commercial food products served in the school meals programs. Exceptions to the Buy American provision are very limited; however, an alternative or exception may be approved by the SFA upon request. To be considered for an alternative or exception, the request must be submitted in writing to the SFA, a minimum OF 3 day (s) in advance of delivery. The request must include:

- (1) Alternative substitute(s) that are domestic and meet the required specifications:
 - (a) Price of the domestic food alternative substitute(s); and
 - (b) Availability of the domestic alternative substitute(s) in relation to the quantity ordered.
- (2) Reason for exception: limited/lack of availability or price (include price):
 - (a) Price of the domestic food product; and
 - (b) Price of the non-domestic product that meets the required specification of the domestic product.
 - (c) The product is listed on the Federal Acquisitions Regulations Nonavailable articles list found at 48 CFR 25.104 and/or is not produced or manufactured in the U.S. in sufficient and reasonably available quantities of a satisfactory quality.

By signing this document, the vendor certifies that all domestically identified products listed within the response to the attached specifications were processed in the U.S. and contain over 51% of their agricultural food components, by weight or volume, from the U.S. Any response listing a non-domestic product will include a valid resource to verify that the non-domestic good is not produced or manufactured in sufficient and reasonable available quantities of a satisfactory quality within the U.S.

DOMESTIC PREFERENCE FOR GOODS AND MATERIALS (Applicable to non-food only) 2 CFR 200.322

As appropriate and to the extent consistent with law, the recipient and/or subrecipient should, to the greatest extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this section must be included in all subawards including all contracts and purchase orders for work or products under this award.

For purposes of this section:

- (1) "Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.
 - (2) "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.
- Federal agencies providing Federal financial assistance for infrastructure projects must implement the Buy American preferences set forth in 2 CFR part 184.

(a) **Immediate Termination.** This contract will terminate immediately and absolutely if the SFA determines that adequate funds are not appropriated or granted or funds are de-appropriated such that the SFA cannot fulfill its obligations under the Contract, which determination is at the SFA's sole discretion and shall be conclusive. Further, the SFA may terminate the Contract for any one or more of the following reasons effective immediately without advance notice:

- (i) In the event the Vendor is required to be certified or licensed as a condition precedent to providing goods and services, the revocation or loss of such license or certification may result in immediate termination of the Contract effective as of the date on which the license or certification is no longer in effect;
 - (ii) The SFA determines that the actions, or failure to act, of the Vendor, its agents, employees or sub vendors have caused, or reasonably could cause, life, health or safety to be jeopardized;
 - (iii) The Vendor fails to comply with confidentiality laws or provisions; and/or
 - (iv) The Vendor furnished any statement, representation, or certification in connection with the Contract or the bidding process, which is materially false, deceptive, incorrect, or incomplete.
- (b) **Termination for Cause.** All contracts in excess of \$10,000 must address termination for cause and for convenience by the recipient and/or subrecipient including the manner by which it will be affected and the basis for settlement. The occurrence of any one or more of the following events shall constitute cause for the SFA to declare the Vendor in default of its obligation under the Contract:
- (i) The Vendor fails to deliver or has delivered nonconforming goods or services or fails to perform, to the SFA's satisfaction, any material requirement of the Contract or is in violation of a material provision of Contract, including, but without limitation, the express warranties made;
 - (ii) The SFA determines that satisfactory performance of the Contract is substantially endangered or that a default is likely to occur;
 - (iii) The Vendor fails to make substantial and timely progress toward performance of the Contract;
 - (iv) The Vendor becomes subject to any bankruptcy or insolvency proceeding under federal or state law to the extent allowed by applicable federal or state law including bankruptcy laws; the Vendor terminates or suspends its business; or the SFA reasonably believes that the Vendor has become insolvent or unable to pay its obligations as they accrue consistent with applicable federal or state law;
 - (v) The Vendor has failed to comply with applicable federal, state, and local laws, rules, ordinances, regulations and orders when performing within the scope of the Contract;
 - (vi) The Vendor has engaged in conduct that has or may expose the SFA or the State to liability, as determined in the SFA's sole discretion; or
 - (vii) The Vendor has infringed any patent, trademark, copyright, trade dress or any other intellectual property rights of the SFA, the state, or a third party.

(c) **Notice of Default.** If there is a default event caused by the Vendor, the SFA shall provide written notice to the Vendor requesting that the breach or noncompliance be remedied within the period of time specified in the SFA's written notice to the Vendor. If the breach or noncompliance is not remedied within the period of time specified in the written notice, the SFA may:

- (i) Immediately terminate the Contract without additional written notice; and/or
 - (ii) Procure substitute goods or services from another source and charge the difference between the Contract and the substitute contract to the defaulting Vendor, and/or,
 - (iii) Enforce the terms and conditions of the Contract and seek any legal or equitable remedies.
- (d) **Termination upon Notice.** Following thirty (30) days' written notice, the SFA may terminate the Contract in whole or in part without the payment of any penalty or incurring any further obligation to the Vendor. Following termination upon notice, the Vendor shall be entitled to compensation, upon submission of invoices and proper proof of claim, for goods and services provided under the Contract to the SFA up to and including date of termination.
- (e) **Termination Due to Change in Law.** The SFA shall have the right to terminate this Contract without penalty by giving thirty (30) days' written notice to the Vendor as a result of the following:
- (i) The SFA's authorization to operate is withdrawn or there is a material alternation in the programs administered by the SFA; and/or
 - (ii) The SFA's duties are substantially modified.
- (f) **Payment Limitation in Event of Termination.** In the event of termination of the Contract for any reason by the SFA, the SFA shall pay only those amounts, if any, due and owing to the Vendor for goods and services actually rendered up to and including the date of termination of the Contract and for which the SFA is obligated to pay pursuant to the Contract or Purchase Instrument. Payment will be made only upon submission of invoices and proper proof of the Vendor's claim. This provision in no way limits the remedies available to the SFA under the Contract in the event of termination. The SFA shall not be liable for any costs incurred by the Vendor in its performance of the Contract, including, but not limited to, startup costs, overhead or other costs associated with the performance of the Contract.
- (g) **The Vendor's Termination Duties.** Upon receipt of notice of termination or upon request of the SFA, the Vendor shall:
- (i) Cease work under the Contract and take all necessary or appropriate steps to limit disbursements and minimize costs, and furnish a report within thirty (30) days of the date of notice of termination, describing the status of all work under the Contract, including, without limitation, results accomplished, conclusions resulting there from, and any other matters the SFA may require;
 - (ii) Immediately cease using and return to the SFA, any personal property or materials, whether tangible or intangible, provided by the SFA to the Vendor;
 - (iii) Comply with the SFA's instructions for the timely transfer of any active files and work product by the Vendor under the Contract;
 - (iv) Cooperate in good faith with the SFA, its employees, agents, and vendors during the transition period between the notification of termination and the substitution of any replacement vendor; and
 - (v) Immediately return to the SFA any payments made by the SFA for goods and services that were not delivered or rendered by the Vendor.

V. HUB (Historically Underutilized Business) STATEMENT

It is the intent of the SFA to provide maximum practicable opportunities in its solicitations to minority firms, women's business enterprises, labor surplus area firms and veteran-owned businesses. Small businesses, women and minority-owned business sources, labor surplus area firms and veteran-owned businesses will not be given unfair advantage when evaluating competitive purchases i.e., simplified acquisition purchases, sealed bids, proposals, or noncompetitive procurement (2 CFR 200.321).

When possible, the recipient or subrecipient should ensure that small businesses, minority businesses, women's business enterprises, veteran-owned businesses, and labor surplus area firms (See U.S. Department of Labor's list) are considered as set forth below. Such consideration means:

- (1) These business types are included on solicitation lists;
- (2) These business types are solicited whenever they are deemed eligible as potential sources;
- (3) Dividing procurement transactions into separate procurements to permit maximum participation by these business types;
- (4) Establishing delivery schedules (for example, the percentage of an order to be delivered by a given date of each month) that encourage participation by these business types;
- (5) Utilizing organizations such as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and
- (6) Requiring a contractor under a Federal award to apply this section to subcontracts.

The Three Strikes Rule: (if applicable and warranted)

The SFA will follow-up with a written letter to the vendor documenting occurrence and putting the vendor on notice that the documented occurrence is unacceptable.

(2) After vendor's second offense of providing sub-par product, late delivery and/or poor customer service, the SFA will send a certified notice to the vendor documenting that this is the second offense, and a third offense will result in termination of the contract for cause. If the offense is providing sub-par product, then the vendor agrees to pay the School Food Authority to purchase quality product at the vendor's expense.

- b) The Vendor must comply with the time of performance.

XIII. FORCE MAJEURE

If the SFA, in its reasonable discretion, determines that the Force Majeure Event is likely to delay Vendor's performance for more than thirty (30) days, the SFA reserves the right to cancel the agreement between the parties. In that event, neither party shall have any further liability to the other, subject only to the SFA's obligation to pay the Vendor for work already completed by the Vendor and the Vendor's warranty for work already completed.

XIV. EVIDENCE OF INSURANCE

- Waive any immaterial defect or informality;
- Reject any and all offers or portions thereof; or
- Cancel a solicitation.

The petition shall be supported by a third-party market bulletin. The decision to release the vendor from the contract will be based on the difference between the market at the time of the bid opening and the current market for this item.

XXI. PIGGYBACKING CLAUSE

The vendor agrees to allow the SFA and the following school districts (see Attachment F and each SFA piggybacking agreement form Attachment F-1) to have the same terms, cost, and conditions as this bid, during the time that this bid is in effect. Instructions for Certification

- 1) By signing and submitting this form, the prospective primary participant is providing the certification set out on page 1 in accordance with these instructions.
- 2) The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant must submit an explanation of why it cannot provide the certification set out on this form. The certification or explanation will be considered in connection with the Department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation will disqualify such person from participation in this transaction.
- 3) The certification in this clause is a material representation of fact upon which reliance was placed when the Department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the Department or agency may terminate this transaction for cause or default.
- 4) The prospective primary participant must provide immediate written notice to the Department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- 5) The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," "primary covered transaction," "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549, at 2 CFR Parts 180 and 417. You may contact the Department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.
- 6) The prospective primary participant agrees by submitting this form that, should the proposed covered transaction be entered into, it may not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the Department or agency entering into this transaction.
- 7) The prospective primary participant further agrees by submitting this form that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by the Department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- 8) A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the General Services Administration's System for Award Management Exclusions database.
- 9) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- 10) Except for transactions authorized under paragraph (6) of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the Department or agency may terminate this transaction for cause or default.
