National Iron Bank - Student Banking Day: National Iron Bank is working with North Canaan Elementary School to start a student savings program. With class trips in the future, this is a great way to prepare while teaching your child the importance of saving. This program would give your child the opportunity to make a deposit into their savings account monthly, right at the school. *A member of National Iron Bank will come to the school the first Tuesday of each month to collect their deposit and provide a receipt monthly.* Students who participate in banking will receive an ice cream from the PTO.

[AHA Program:](#) There are a few spaces available at AHA after school. If you are interested in signing your child up, please click the link for more information.

Oliver Wolcott Technical High School: [Applications](#) for fall 2025 entrance are open. The priority application deadline is January 15, 2025. Applicants are strongly encouraged to apply before this date.

[Boxtops for Education](#): Click the link for more information on how to earn free money for our school.

Enjoy the holidays,

Mrs. Johnson
