

# How Many Books Can You Stack? Reading Challenge

# How it Works

1. Read a book from the challenge list OR read 15 AR articles
2. When you're done with the book, take and pass (80% or higher) an AR quiz over the book
3. Fill out a book spine (the longer the book, the more book spines it's worth)
4. The first two classes to reach the posted goal gets a prize

2. A book between 150 and 249 pages = 2 spines
