Dear Parents and Guardians:

We are currently in the planning process for resuming face-to-face instruction for students. This will be a phase-in process. Currently, we are looking at a restart date of March 1, 2021 for grades K-2nd, 8th, 9th and 12th. All other grade levels will return on March 15, 2021. The district has made two options available to students: (1) Face-to-face, in school instruction and (2) Virtual learning from home. In order for us to successfully plan, we need parental input. Therefore, it is imperative that you click the link below and complete the survey. The last day to complete the survey will be Thursday, February 18, 2021. If you do not complete the survey, your child will automatically be enrolled in virtual learning. Once a selection is made, it is important to remember that the learning option selected will remain in place for the rest of the 2020-2021 school term.

Additional information for transportation and food and nutrition will be available on the district's and schools' websites on Monday, February 22, 2021.

Thank you in advance for your cooperation!

Tangela Madge

Superintendent
