Grand Bay Middle School Summer Extended Day Services

Math/Reading

Your child is invited to our Extended Day Summer Program which will begin on **Tuesday, June 5, 2023**, and last until **Wednesday, June 21, 2023**. **GBMS Extended Day will take place on Tuesdays, Wednesdays, and Thursdays from 8:00-11:00 a.m.** by one of our teachers. Your child will receive instruction aligned with the MCPSS standards in both math and reading each day. Students will also be given the opportunity to apply what they learned by playing games and using manipulatives.

Due to budget constraints, we are able to enroll a limited number of students in our summer school extended day program this year, so it will be a first come first served basis, and NO transportation will be provided. In order to make sure we are using our resources wisely, we are asking you as a parent/guardian to make a commitment to ensure your child will attend on a regular basis and participate in a cooperative manner.

Please complete the enclosed form in its entirety and return it to **Ms. Ainsworth** as soon as possible. Your commitment in this effort is essential.

Once again, thanks for your cooperation in providing your child with the necessary skills to become successful. If you have any concerns, please feel free to contact me at **251-865-6511**.

Sincerely,

Maggie Ainsworth
Coordinator
