John R. Klinger, Superintendent  
Telephone (989) 984-2250 • Fax (989) 984-2253

## Technology Goal Planning

- Technology
  - Continued support of our one-to-one program
  - Provide Professional Development for Staff
  - Investigate new technology options that will enhance teaching and learning
  - Promote and utilize our technology request process
  - Utilize Skyward and our Google Applications

### **Goal Statement:**

- We will utilize technology effectively to enhance instruction and student opportunities and to increase the efficiency of operations.

### **Objectives:**

- Prepare students to be responsible, digital citizens
  - Continue to provide information for staff and students about the most current digital safety risks.
  - CSAM Assembly
  - Inform students of appropriate use of technology and applications as it pertains to their future college and career integration
  - Continue curriculum for digital citizenship in all grade levels
- Provide on-going professional development to staff
  - Utilize Title II dollars and our district provided professional development days to provide opportunities for staff.
- Investigate new technology options that will enhance teaching and learning
  - New technology suggestions from staff feedback.
  - Incorporate up-to-date tools that prepare students for career and college.
- Utilize technology to increase efficiency of operations
  - Promote and utilize the technology request process to keep technology working and accessible.
  - Utilize Skyward, RevTrak, and our Google Applications to streamline workflow and communication.
- Continue to support our one-to-one program
  - Extend student learning beyond the walls of the classroom
  - Investigate new technology options that will enhance teaching and learning
