A Special Message To Power 88 Listeners...

Thank You!

We are thrilled to announce that you, our listeners and supporters, have gone above and beyond in helping us to reach our original goal of almost \$82,000 for the purchase of a new transmitter. It has been no small task but you all have stepped up to the challenge. We are truly blessed to have such a dedicated audience that believes in the message we are broadcasting over the airwaves. A message of Hope and encouragement to the upper gulf coast.

You are all a very vital part of this radio ministry and it could not have been accomplished without you.

At the present time, we have ordered our new solid-state transmitter and we're anxiously expecting it's delivery within the next few weeks. Please continue to keep us in your thoughts and prayers during this time as we hopefully return to our full broadcast power of 100,000 WATTS ERP.

So, on behalf of myself and the entire staff of Goforth Media, we thank you from the bottom of our hearts for the support that you have given us

for this project. Also, for the continued support that you have sown into this ministry to help us reach so many people with the Gospel each and every day. Again, we are truly grateful and could not have done it without your support!

Thank you and God bless!

Fox News host Pete Hegseth recently asked “Fox & Friends” viewers — and his cohosts — to bow their heads in prayer for a Bible-app-sponsored segment. Before turning to prayer, Hegseth said, “You know what, this is a transition for transitions if you’ve ever had one.”

Highlights from Letters to Power 88

“Thank you for your continued service of the Spanish Fort area. The music you provide has helped turn my life and my father's back to one more fully dedicated to God, and for that I am most grateful. Listening to the music, especially before work or in times of restlessness, gives me a better attitude and a better outlook.”
