

How Many Stars in the Sky?
By Lenny Hort

**One School, One Book
Family Read Aloud**

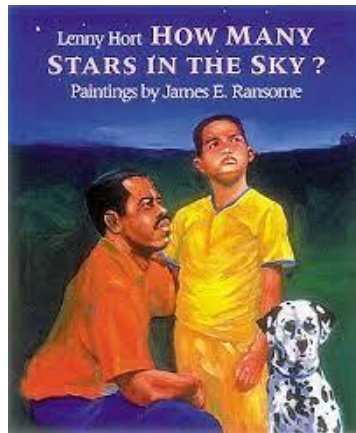

Daily Activity Packet

DIRECTIONS: This week is Read Across America Week. As a school, we will be reading *How Many Stars in the Sky?*. Each night, we encourage you to sit down as a family to read the assigned pages and participate in the assigned activities. Within the packet, you will find all the information you need for each night. ***This packet and the Mystery Reader Videos can also be found on the CRS web page under One School One Book.*** Most importantly, sit back, relax, and have fun! Enjoy!!

CRS One School One Book Activity Links/Schedule

Night 1 3/4 pages 1-6: After listening to the first section of the book, you may visit the NASA website to learn more about stars in our solar system!
