

October 17, 2025

Dear St. Anne Families,

It's hard to believe that today marks the 37th day of school! Time is flying by, and it's been another exciting week here at St. Anne.

On Monday, our teachers spent the day at Berks Catholic High School in Reading for *Inspire '25*, the Diocese of Allentown's biannual teacher convention. This special day was designed to empower educators through professional development rooted in our shared Catholic values. This year's theme explored the intersection of Catholic education and artificial intelligence, with sessions that supported both beginners and experienced users alike. The day began with Mass celebrated by Bishop Schlert, followed by an inspiring keynote from Sister Nancy Usselman, FSP, Director of Pauline Media Studies. Her presentation, *The New Frontier: Cultivating Discipleship in an AI-Driven World*, encouraged educators to embrace technology thoughtfully while keeping Christ at the center of all we do.

In other exciting news, many of you may remember receiving a letter last school year announcing that St. Anne would be adding a new library. We're thrilled to share that our library is officially starting to take shape! On Wednesday, October 8 and Thursday, October 16, a U-Haul truck made its way to St. Margaret's School in Reading, where we packed up books and bookshelves for our new space. We returned with a huge supply of books and nine large metal bookshelves ready for our library. While there's still plenty of work ahead to organize the books, it's wonderful to see the space coming together. We can't wait to see it filled with eager readers discovering all the wonderful stories waiting inside! We will continue to keep you posted on the progress of our new library and can't wait to share more updates as the space comes to life!

Just a friendly reminder that we're excited to host our annual Trunk or Treat on Wednesday, October 22, from 6:30–7:30 p.m. in the school parking lot! Bring your costumes, your candy, and your Halloween spirit for an evening of fun with our school community. We can't wait to see all the creative trunks and happy faces! This night is always one of our favorite fall traditions!

Wishing everyone a restful weekend and a wonderful start to the week ahead! Thank you for choosing a Catholic education for your child at St. Anne — we're so grateful to partner with you in faith and learning.

With prayers and appreciation,

This year, we're trying something new — The Honor System!

In the past, we handed out punch cards for each child to get hole-punched at every car. While it helped keep track, it ended up being a lot of work for both parents and car hosts — plus, cards were often lost.

So, this year, we're keeping it simple:
We kindly ask that each child make one trip around the parking lot. Cars will only have enough candy for one trip around for each student.

Thank you for helping us make this event fun and easy for everyone!
