

Randolph County School System “STAR³ Students” for April 2022

Franklinville Elementary School - Colton Carmac - 4th Grade

Colton Carmac is a very hardworking student. He follows directions, does his homework every night, and completes all his classwork. Colton is very respectful to adults and students alike. He is always kind, a friend to all, and goes out of his way to help others. He helps explain math problems to other students in his class and even helps his friends locate books he thinks they would like in the media center. When any adult gives instructions in the classroom, Colton is noticeably the first one to respond. Colton's kind spirit shows in all he does. He is an excellent example for others to follow. Franklinville Elementary School is proud to recognize Colton Carmac as our STAR³ Student for April.

Grays Chapel Elementary School - Slaytor Holt - 2nd Grade

Slaytor Holt demonstrates respectfulness to all he meets. He completes outstanding work, takes his time to be thorough, and follows instructions and rules of the classroom. Slaytor enjoys reading and math in school. He makes right choices and is consistently kind and caring in nature. Slaytor is a great friend to his classmates, wants to see them succeed, and is a true model of the “7 Habits.” Outside of school, he loves doing things with his family and stays busy with many sports activities and friends. Slaytor Holt is a great role model and well-rounded student, and we are excited to have him representing the Grays Chapel Elementary School “Blue Hawks” as our STAR³ Student for April.

Level Cross Elementary School - Conrad Leach - Kindergarten

Conrad Leach has shown great progress in his academics and always works hard. He is a great role model to other students by being respectful, responsible, and kind. Conrad is highly motivated and has an excellent attitude towards learning. He is an asset to our school and much deserving of this award. Level Cross Elementary School is pleased to recognize Conrad Leach as our STAR³ Student for April.

Liberty Elementary School - Jose Pacheco - 1st Grade

Jose Pacheco is a kind, wonderful, hardworking individual. He is always positive and persistent in everything he does. Jose is a good friend who helps his classmates with a sweet smile and a friendly attitude. His thoughtfulness and growth mindset set him apart and make him a very important part of our school. Jose is one of the many students who make Liberty Elementary a great place to learn. We are very proud of Jose Pacheco and know he is greatly deserving of Liberty Elementary School's STAR³ Student for April.

Northeastern Randolph Middle School - Ava Beeson - 6th Grade

Ava Beeson is a perfect example of what a STAR³ student looks like. She exemplifies many outstanding qualities, listens and participates in class, strives to do her best work, is self-motivated, and puts others before herself. Not only does Ava do her best, she also quietly encourages others to do their best without drawing attention to herself. She is uplifting and wants others to feel important and valued. She works well with others in group situations, going above and beyond to do her part. Ava Beeson is what being an excellent student is all about, and Northeastern Randolph Middle School is proud to select her as our STAR³ Student for April.

Providence Grove High School - Colin Adams - 12th Grade

Colin Adams is a member of the Ag Academy and is on track to graduate with an associate degree in Agriculture Science from the University of Mount Olive on April 30, 2022. His dedication, determination, and positive accomplishments are unbelievable. Colin is normally the first student to complete his assignments, turns in his independent assignments ahead of time, and is ready to help other students as needed. Colin is extremely aware of time management and chooses not to procrastinate. He has surpassed all expectations and soared to new heights. He is determined to do his best and puts all his energy and effort into performing at the highest level. As we have studied crops, disassembled and reassembled engines, and practiced leadership skills, Colin has risen to the occasion. He has excelled as a public speaker and his self-confidence has blossomed. Colin has been an active member of FFA throughout high school and has excelled in archery on the Hunters Safety Team. Congratulations to Colin Adams, Providence Grove High School's STAR³ Student for April.

Ramseur Elementary School - Kris-Melody Armendariz Mireles - 5th Grade

Kris-Melody Armendariz Mireles truly embodies our school-wide matrix, the R.A.M.S. She Respects Others, Accepts Responsibility, Models Kindness, and Strives for Success, in all she does. During classroom lessons, Kris-Melody is focused and engaged. She participates during classroom discussions, asks questions, and completes her assignments. Kris-Melody has a smile for everyone and is always kind, respectful, and courteous to both students and staff. She is a good friend and classmate and stands up for other students. Ramseur Elementary School is proud to recognize Kris-Melody Armendariz Mireles as our STAR³ Student for April.

Randleman Elementary School - Jacob Whatley - 2nd Grade

Jacob Whatley is a wonderful person, student, and friend. On most days Jacob enters the classroom with a smile and is ready to share about some gaming adventure he had the night or weekend before. He works hard in the classroom and it shows. He is a great friend and advocates against bullying of all sorts. His competitive nature shows in the classroom and on the field (during physical education and recess). In the classroom, he strives to do his very best on a daily basis and works hard to develop a growth mindset. To know Jacob's spirit and tenacity, you would never know that he is wheelchair bound. He challenges himself daily to do things that may come easily to many, but goes the extra mile to be this extraordinary student who excels in academics and friendships, as well. For all of these reasons and more, Randleman Elementary School is proud to have Jacob Whatley as our STAR³ Student for April.

Randleman High School - Kylie Vaughan - 12th Grade

Kylie Vaughan has maintained a solid academic performance while participating in volleyball, swimming, tennis, soccer, and track and field during her years at Randleman High School. She has helped lead worship during Kingdom Builders prior to school on Wednesdays, and was a dedicated assistant in our media center. Since her freshman year, Kylie has been a peer buddy for every Special Olympics event and has been a volunteer working with students in our Extended Content class. Kylie is caring to all individuals, but according to Mrs. Allison, "Kylie looks out for the best interest of individuals with disabilities and makes sure that they feel included just like all other students." Kylie joined our Unified Champion Club and volunteered for any activity that she could to work toward inclusiveness. Tiger Nation is proud to honor Kylie Vaughan as our STAR³ Student for April.

Randleman Middle School - Halee Baird - 7th Grade

Work ethic, positive attitude, and kindness are three of many qualities that define Halee Baird. She has demonstrated time and again this school year that she has the right mindset to make a positive impact on those around her. Her drive to be a successful student in all of her classes is contagious and is evident whether she is working alone, in a group, or during a whole class discussion. Halee consistently goes beyond expectations on her assignments and always looks to help others in the classroom when they are struggling. Everyone around Halee feels welcomed and appreciated by her, and her positive attitude is contagious. Halee always strives to be a role model to her peers. Because she consistently demonstrates her exceptional character and leadership abilities, Randleman Middle School is proud to select Halee Baird for our STAR³ Student for April.
