

Dear Parents/Guardians,

I hope this letter finds you in good health and high spirits. As the newly appointed principal of Just 4 Developmental Laboratory, I am thrilled to have the opportunity to introduce myself and extend a warm welcome to all of you as valued members of our school community. I am Leslie Thompson-Love, and I am looking forward to a year of magical wonder and amazing growth with our little scholars. I feel very fortunate to be part of this school and to support the students and their families.

First, I want to emphasize my commitment to fostering a safe, inclusive, and stimulating learning environment for every student at Just 4 Developmental Laboratory. I firmly believe that a strong partnership between parents, teachers, and the school is vital for our children's success. Together, we can provide the support and guidance necessary for their academic, social, and emotional growth.

At Just 4 Developmental Laboratory, we are dedicated to nurturing a love for learning, promoting critical thinking, and cultivating well-rounded individuals. Our experienced and passionate teaching staff is committed to delivering a high-quality education that caters to each child's unique needs and interests. We strive to implement a well-rounded curriculum that encourages learning through curiosity, creativity, and exploration.

We also believe in the importance of open and transparent communication. As such, I would like to use this opportunity to share current information as it relates to our school. Just 4 Developmental Laboratory has relocated to our new campus at 2161 Butler Street. This change requires some adjustments; however, we are here to help alleviate any concerns. As a family, it is important to approach this change with optimism. As we embark on this exciting journey together, I am confident that we will create an environment where your child can thrive academically and personally. Our dedicated faculty and staff are committed to providing a safe and nurturing environment that fosters growth, development, and success. Please contact me if you determine that you are **unable** to send your child to the new location.
