

# CELEBRATE CATHOLIC SCHOOLS WEEK 2022

January 30 - February 5 #ArchBaltCSW22

St. John Regional Catholic School has partnered again this year with the National Catholic Educational Association (NCEA) to present the online giving campaign: Many Gifts, One Nation: A Day of Giving to Catholic Schools during Catholic Schools Week. The SJRCS Day of Giving will start on Tuesday, February 1st, at 9 a.m., and will end on Friday, February 4th, at noon. This is a fun and interactive campaign that shows off our Wildcat Pride! Our goal is set at \$94,000, made possible by matching donations from our school community.

SJRCS has designated these funds to help offset the financial burden caused by the pandemic. In order to open our doors safely, our expenses dramatically increased to include the purchase of personal protective equipment and cleaning supplies, increased cleaning services, and increased payroll due to social distancing guidelines. We realize that these are challenging times for everyone, so any contribution, big or small, that helps to keep our doors open safely until this pandemic is behind us is greatly appreciated!

## Day of Giving Matching Challenges are brought you by:
