Description	K-12 Mini Intensive Training (IT) is a focused, in-depth professional learning experience centered on implementing evidence-based practices to strengthen educational programming and outcomes for students with Autism Spectrum Disorder (ASD), from kindergarten through high school. While these practices benefit all learners, they are essential for some. Participants commit to attending all 5 sessions and actively implementing programming and supports for students with ASD within their school building. Teams will use provided materials, assessments, and data tools to guide decision-making and monitor impact.
Registration	Deadline to register May 27, 2026. Registration limited to school staff within Huron County. Register online at www.huronisd.org , Professional Development link. Checks payable to Huron ISD or pay online with a credit card.
