The Salaries listed above are based on 10-month employment for the 2025-2026 school year only.

This is scheduled to be 173 days which is the 4-day instructional calendar equivalent to the 2022-23's 187-day calendar.

Neither past nor future salaries can be calculated, assumed, or predicted on the basis of this schedule. Salary advancement is based on the annual pay raise budget when approved by the Board of Trustees for each school year.

Service Records are required to determine years of service completed and are due to the Payroll Office within 30 days of the start date.

This scale and compensation plan is based on initial information provided by the current statute and may be subject to update as may be needed based on legislative action and legal guidance that could impact the 2025-26 school year. Adjustments may be necessary when additional information is provided.

Specific Teaching Assignments and other positions that are based on the Teacher 10-Month scale but adjusted by the daily rate for additional days for the 2025-26 school year:

- Band Director 12 Month, July-pay cycle
- AG Teachers 12 Month, July-pay cycle
- Assistant Band Directors, 11 month, August-pay cycle

Other considerations:

At-Will exempt teachers allowed under the District's DOI plan, who are not fully/properly certified, are not entitled to the teacher pay scale steps for years of experience completed, and may not be eligible for the stipend(s) standard for their position. They are compensated at step zero on the teacher scale until certification requirements are met. Once met, applicable years of service and relevant stipends will be applied and prorated for the remainder of the year.

Instructional Aides who are not degreed/certified and are teaching elementary elective courses for the full day *may* be compensated at half of step 0 on the teacher scale, or adjusted for the # of classes taught.

Bus Driver Incentive Program

Natalia ISD is seeking School Bus Drivers to transport children to and from school each day on established routes. Additional extracurricular trips (sports, band, & field trips) may also be available. Typical routes are morning and afternoon, and are scheduled for a minimum of 4 hours per school day.

Objective: To help attract new drivers and retain existing drivers. Incentives include paying for a new Commercial Driver's License (CDL), providing a sign-on bonus for new Bus Drivers, offering a recruitment incentive to existing drivers who recruit new drivers, and an attendance incentive for bus drivers each month.

New Bus Drivers: \$2,000 sign-on bonus (paid out annually in 24 payments)

Current employees: \$100 recruitment incentive, paid upon the referred bus driver's 30th-day anniversary date, additional \$200 recruitment incentive upon the one-year-anniversary date.

Bus Driver Attendance: \$200 per month, drives both AM & PM routes every school day.

Sign-on bonus Procedures

- New hire sign-on bonus agreement form.
- To be eligible for this sign-on bonus, the Employee must not have been employed by Natalia ISD within the past 12 months prior to the signing of this agreement.
- EDIT to the above. It was not meant to exclude those employees who trained to become bus drivers while employed.

Bus perfect attendance procedures.

- Bus drivers' attendance incentive. (Does not include aides/monitors, van or special ed route drivers, sub drivers, coaches, or the mechanic/maintenance staff who are *not normally driving a dedicated to/from school bus route every day when fully staffed*)
- BUS drivers that drive students to and from school every single day.
- Bus drivers that are not absent for any reason in the months (August thru May) shall receive \$200.00 on the paycheck/pay period following that month.
- This is to increase attendance and ensure they schedule their appointments between their routes, and to retain existing drivers.
- The hours for an evening/weekend athletic trip do not make up for missing the regular to/from school route due to an absence, however,
- if they are on a trip that prevents them from driving a school day to/from the route, it does not count as an absence.

Supplemental Pay

The following pay structures are effective for the 2025–2026 school year.
This is not an exhaustive list of supplemental pay available.

Summer school and additional tutoring: Teachers \$40.00 per hour

- Summer Athletic Pay \$25.00 per hour, for voluntary Summer Strength training & conditioning prior to the start of the UIL-approved sports seasons.
