## **KINGSTREE HIGH SCHOOL HOSTS COLLEGE FAIR FEATURING OVER 40 INSTITUTIONS**

Kingstree High School proudly hosted its annual College Fair on Wednesday, October 15, 2025, bringing together representatives from more than 40 colleges, universities, and technical schools. The event provided students with a valuable opportunity to explore postsecondary options, ask questions, and gain insight into admissions, scholarships, and academic programs.

The College Fair served as an interactive experience for juniors and seniors, allowing them to engage directly with college recruiters and admissions counselors from across the state and beyond. Participating institutions included four-year universities, community colleges, and technical schools — all eager to connect with the bright and ambitious students of Williamsburg County School District.

Williamsburg County School District continues to prioritize college and career readiness initiatives, ensuring students are prepared to thrive beyond graduation. The College Fair reflects the district's ongoing commitment to connecting education with opportunity.
