To: Parents of High School Juniors

Hooker Public Schools is communicating with parents of students who will be juniors during the 2020-21 school year.

Our school district plans to administer the ACT® test in spring 2021 to eligible juniors as part of the state contract with the Oklahoma State Department of Education and ACT.

Attached is a parental consent form for the parents to complete concerning optional non-test questions and participation in Educational Opportunity Services from ACT. Also, a survey is attached to provide stakeholders the opportunity to provide meaningful input regarding our district administering the ACT. These forms may be obtained from our school website at <http://www.hookerpublicschools.net/forms> as well. These completed forms must be returned to Carol Cathcart by October 1, 2020.

Last year over 95% of Oklahoma schools selected to administer the ACT. Our district believes this is an excellent opportunity for all eligible juniors to take the ACT at no cost to them or their families.

Additional information on why we chose the ACT can be found at: [8 Reasons to Choose the ACT Test](#). Go to the website: [www.act.org](http://www.act.org) and then search for 8-Reasons-ACT-Over-SAT.
