# **KREMLIN-HILLSDALE CORONAVIRUS (COVID-19) STATEMENT**

The Kremlin-Hillsdale Board of Education and Administrations number one priority is student and staff health and safety while also providing a safe and positive learning environment for all Kremlin-Hillsdale students. There is much uncertainty about the 2022-2023 school year. Kremlin-Hillsdale plans to have in-person instruction unless it becomes unsafe, non-productive, or a directive issued through the State Department of Education. Changes may occur as we receive additional information about COVID-19.

### **Concurrent Enrollment**

The concurrent enrollment program provides an opportunity for interested students to expand their course studies. A cooperative program set forth by the State Board of Education and the Regents for Higher Education, concurrent enrollment allows students who are enrolled in an accredited Oklahoma high school to take college classes. Kremlin-Hillsdale Public Schools offers concurrent classes starting with a student's 11th grade year. College courses taken through concurrent enrollment may be used for high school and/or college credit. Grades earned for a 3 hour semester course will be used for semester high school grades and GPA under the normal 4.00 scale. **Each concurrent course will be used to satisfy ½ high school unit, with the exception of Composition 1 and Composition 2 (which must be used together to satisfy the Senior English requirement), Math (except Trigonometry), and the Sciences. Concurrent courses may not be used to supplant a high school course with an attached End of Instruction Exam. Students may not drop Concurrent Classes without prior approval which includes signatures from parent/guardian and the Kremlin-Hillsdale Counselor. Grades for Concurrent Classes must be submitted to the Kremlin-Hillsdale Counselor weekly to be used for Eligibility purposes.**

### **Oklahoma School Of Science And Mathematics**

Students may make application for the OSSM Program, hosted at Astry Technology Center, in Enid. OSSM Classes will count as three (3) Credits Earned for one year. See the Counselor for details.

### **Full-Time Students**

A school day by state law consists of not less than six hours devoted to school activities. Students in grades 6 through 12 shall be expected to carry a full load of subjects. ALL STUDENTS shall be required to enroll in a class each class period offered. Students may not be dismissed to take private music lessons or other private instructions.

Kremlin-Hillsdale Student Classifications:

- Freshman Students who have six (6) or fewer units of credit on record
- Sophomores Students who have six and one-half (6 ½) to twelve (12) units of credit on record
- Juniors Students who have twelve and one-half (12 ½) to eighteen units of credit on record
- Seniors Students who have eighteen and one-half (18 ½) or more units of credit on record

### **Report Cards/Progress Reports**

Students in grades 6 thru 12 are not issued Progress Reports of Grade Cards. Student academic performance may be monitored by the parent from your home computer. At parent request, the school will issue a password to parents so they can view student progress weekly. The passwords are issued through our grade book provider, and when received, the school will send notification home through the students. Some individual teachers send periodic grade reports home with students.

### **Makeup Policy**

Any work missed because of absence or participation in school activities must be made up. Generally, one day will be allowed for each day absent (this includes the day of return to school plus the number of days that have been missed.). It is the student's responsibility to ask for and turn in makeup work. Students absent over an extended period of time may ask for work assignments to be sent home.

An admit slip must be obtained from the office before returning to class. If a student is absent with prior knowledge of the absence (school activity, vacation, etc.), it is the responsibility of the student to get all class work covered during the absence prior to the absence. Arrangements must be made with the teacher to turn in completed work. If no arrangement is made, all work is due upon the student's return to school.

### **Parent-Teacher Conferences**

There will be scheduled conferences with parents and students after the first and third quarters. Parents will be notified of the times and dates prior to the conferences. However, individual conferences are encouraged at any time throughout the year.

### **Incomplete Grades**

If a student has one or more incomplete grades at the time the grade cards are issued that student will be notified by the teacher to make up this work within the first ten (10) class periods of the next grading period or receive an "F" for that subject.

### **Grading Scale**

All teachers in all subjects will use the following grading scale:

90-100	A	Superior
80-89	B	Above Average
70-79	C	Average
60-69	D	Below Average
0-59	F	Failing

### **Enrollment**

Secondary students will begin pre-enrollment processes during the months of April and May. Pre-enrollment will allow the administration ample time to develop the least restrictive schedule based on the needs of the students. Final enrollment will take place prior to the beginning of each school year.

### **Class Changes**

All changes of class schedules for secondary students will be done within the first week of each semester. The high school principal, the school counselor, the instructor of the class to be dropped, the instructor of the class being added, and the parents of the student must approve all class changes. Class change forms are available in the Counselors office.

### **Honor Roll**

Students who achieve academic excellence will be named to an Honor Roll at the end of each semester. Students eligible for the Superintendent's Honor Roll must have a 4.0 GPA, with all A's. Students eligible for the Principal's Honor Roll must have all A's and B's. Student's scoring in the upper 10% of the student body will be eligible for the Oklahoma State Honor Society.

### **Honors Program**

Objectives:

1. To encourage increased student enrollment in academic subject areas
2. To broaden the scope of the student's academic knowledge
3. To recognize the students who have achieved academically above and beyond basic requirements
4. Honor students must have been involved in some extra-curricular activities all four years of high school. (Extra-curricular activities may include athletics, band, scholars bowl, competitive FFA, and other activities deemed appropriate.)

Criteria – To be considered an honor graduate, the following criteria must be achieved

  - c. 4 Science units or sets of competencies (satisfied through AP exam)
  - d. 4 History units (1-US History, ½-US Government, ½-Oklahoma History, and 2-additional history courses)
3. Students must earn 28 units
4. Honor students must have been involved in some extra-curricular activities all four years of high school

### **Valedictorian and Salutatorian**

The Valedictorian and Salutatorian of each graduation class must meet the requirements of the honors program. In the event a graduating class has no one who meets the requirements of the honors program, or only one student meets the honors requirements, the Valedictorian and/or Salutatorian will be the students with the highest GPA. Each Valedictorian and Salutatorian will be required to prepare and deliver an approved speech at the Commencement Program.

The student or students, in the event of a tie, who have the highest GPA and meet the honors requirements, will be named Valedictorian. The student or students, in the event of a tie, who have the second highest GPA and meet the honors requirements, will be named Salutatorian.

In the event a student moves into the district after the mid-term of the junior year, the honor may be shared, but the incoming student may not replace the student that has been working for this honor.

### **Graduation Dress Requirements**

Appropriate dress for boys for Graduation and Commencement will be a collar shirt, tie, slacks, and dress shoes for boys. For girls, appropriate dress will be a dress or blouse & skirt and shoes.

3. When the information has been released to a qualified source without parental consent, the parent should be notified.
4. DIRECTORY INFORMATION consisting of name, address, telephone number, date & place of birth, all honors & awards, and activities must be released to any qualified organization requesting such information unless the parent has a request on file authorizing the school not to release this information.

## **General Information**

### **School Closing Information**

In the event of severely inclement weather or mechanical breakdown, the school may be closed or the starting time delayed. The same conditions may also necessitate early dismissal. School closing, delayed starting time or early dismissal will be announced by the **School Messenger System**. Phone calls will be made to your home and/or cell phones. It is very important to update your phone number changes with the school. We will also use TV stations 4, 5, 9, and 25 out of Oklahoma City and Enid radio stations KGWA, KNID, and KXLS. Reports in the morning will be between 6:00 and 7:30 am. If the report states that "buses will run one hour late," then school will begin one hour late also. If no report is heard, it is assumed that school will be in session. Please refrain from calling the school.

### **Visitors**

All visitors to the school must report to the Principal's Office. Prior arrangements **MUST** be made before an all-day visitor is permitted in the secondary school. Visitors **WILL NOT** be allowed during nine-week and semester exams. Visitors are not allowed to accompany class-sponsored events without prior approval of the sponsor and administration.

### **Vehicle Regulations**

**Driving and Parking Lot Rules and Requirements:** Automobiles driven by our students present a major problem as far as public relations and safety are concerned. Students who will not observe the following high school parking and traffic rules will not be permitted to drive their cars to school:

1. The speed limit for school zones should be observed while in the vicinity of the school property.
2. A very slow rate of speed should be observed while cars are approaching or leaving the school.
3. All students who drive to school will park in the designate area southwest of the school. Parking in any other area must be approved by the High School Principal prior to any parking change.
4. Students are not allowed to re-enter any vehicle without authorization from the school administration.
5. No student vehicle will be driven during school hours without administrative approval.
6. When students arrive at school, vehicles are to be vacated and no loitering in or on the cars will be permitted.
7. The school is not responsible for vehicles or their contents. Students are encouraged to lock their car doors.
8. Student vehicles are subject to search if there are reasonable grounds to believe that drugs, stolen property, weapons, or other contraband might be present in those vehicles.
9. Before and after school students should use 4th Street and F Avenue to park in the Student Parking Lot to the south of the main school entrance. Do not use 5th Street due to Elementary drop-off and pick-up.

**Violation Consequences:** A violation of rules can result in:

1. Suspension of driving privilege for the remaining school year.

### **Tornado Safety Rules**

1. Tornado Watch – there is a chance of dangerous weather later with damaging winds. Be ready to move quickly and orderly to safety in an emergency exists.
2. Tornado Warning – a tornado has been sighted nearby and you should go at once to the area designated and protect yourself.

3. The warning signal will be **short blasts**.
4. Students will go to their assigned areas as indicated on the storm map located in each room.
5. Everyone should be instructed to respond on a specific command to assume protective posture when danger is imminent.
6. Protective posture is: lie face down, draw your knees up under you, and cover the back of your head with your hands.

### **Fire Drill**

Move in an orderly manner to the designated exit. Fire drill maps are located in each room. A CONTINUOUS BELL SIGNALS A FIRE. Stand by your teacher once you have left the building. By doing this, it will help them check roll to make sure all students are out of the building and are safe. Do not go back into the building until your teacher or an administrator tells you to do so.

### **Asbestos Policy**

The asbestos management plan is available for review in the Superintendent's office during normal business hours at no cost.

### **Child Abuse and Neglect**

Any certified or support employee of the Kremlin-Hillsdale School District suspecting child abuse or neglect shall notify the Department of Human Services (DHS) at (800) 522-3511. Initial questions may be asked of the student which may help in determining if cruel or inhumane treatment of any kind has occurred. In no case shall the child be subjected to undue pressure in order to validate suspicion of abuse. Validation of suspected abuse is the responsibility of DHS. Any doubt about reporting a suspected situation is to be resolved in favor of the child and the report made immediately. An administrator must be notified immediately following DHS notification. The reporting staff member will make a written report to be submitted to the superintendent within 48 hours of the initial contact.

### **Conduct**

Each person who enrolls in the Kremlin-Hillsdale School System immediately becomes one of its citizens and is entitled to full benefits of citizenship and to the obligations of good citizenship. The school is judged by the attitudes and deeds of its citizens wherever they are seen at any time. Their standard of conduct shall be to always think and do those things, which are right and proper in a democratic society. Their speech and actions will be expected to be above adverse criticism. Use this list of good conduct suggestions as a guide to treating others with respect:

1. Be kind to others and respect the rights of others
2. Boys should hold open the doors for girls and let them go first
3. Respect property of other students and the school

\*Students in good standing will be named at the end of the school year.

This is a day set aside for students who have been identified as “Students in Good Standing.”

### **Closed Campus**

Students must stay on the school grounds from the time they arrive until they are dismissed or until they are picked up by the bus. Any student leaving school must have permission from the administration. Parents will authorize student departure/dismissal from the school by phone or signing the student out at the appropriate office.

### **School Meal Programs**

Beginning with the 2006-07 school year, all Kremlin-Hillsdale students will establish a “Lunch Account” prior to eating in the cafeteria. Students may charge only five meals prior to replenishment of funds in the account. The school will notify students when their account balance reaches \$5 or less. Parents are encouraged to make note of when lunch payments are due.

Kremlin-Hillsdale Schools offer a breakfast program for all students, Pre-K through 12. Students must not be late for class because of the breakfast program. Exceptions will be made for a late bus or slow breakfast line.

In order to keep the cafeteria clean and attractive, the following rules must be observed:

1. Keep milk cartons, food, and waste paper on the plate or table. Dispose of waste properly.

Kremlin-Hillsdale Schools will not be responsible for the contents of any student locker. Student may padlock their lockers, but a key or combination to the lock must be left in the High School Office. Lockers are the property of the school and can be inspected under certain circumstances. **There should be no food or drinks in these lockers.**

### **Cellphone/Smart Watch Policy**

Cell phones/smart watches are not to be seen, heard, or used while in class. Students are encouraged and advised to leave cell phones/smart watches in backpacks, lockers, vehicles, or any safe place that is not a distraction. Students that choose to bring a cell phone to school will be asked to leave their phones in a designated spot as they enter any classroom. All classrooms are designated cell phone free spaces. Students having cell phones out in class time will have their phone taken to the office. First Offense: Administrator Counsel with student and parent notification. ### **McKinney-Vento Homeless Assistance Act**

In an effort to strengthen education support for students who find themselves and their families in temporary homeless circumstances, the U.S. Federal Government has passed the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11431). The term "homeless children and youth" means individuals who lack a fixed, regular and adequate nighttime residence. This includes students living in:

- Double-up housing with other families or friends
- Runaway/homeless youth shelters (even if parents invite the youth home)
- Hotels or Motels
- Shelters, including domestic violence shelters
- Cars, abandoned buildings, parks, the streets or other public spaces.
- Campgrounds or inadequate trailer homes

Students in homeless situations have the right to:

- Get help enrolling and succeeding in school from the district's liaison for the Education of Homeless Children and Youth or from a designated building contact.
- Stay in the school they went to before becoming homeless or whatever school they were enrolled in last, even if they move out of the district, or they can choose to go to the local school in the area where they are living.
- Get transportation to their school of origin provided or arranged by the school district, or a joint effort among school districts.
- Receive the same services and access to special programs as provided to all other students.

## **Attendance Policy**

All students will take nine-weeks and semester exams in the classes in which they are enrolled.

### **Absences**

Regular attendance is essential for promotion and success in your schoolwork. When an absence is necessary, it is the student's responsibility to see that this work is made up on time (one day for each day the student was absent). Example: Absent 1 day, student has one day to make up their work, that is, if absent on Tuesday, return to school Wednesday, makeup work is due on Thursday. If make-up work is not finished in days allowed, a zero (0) will be given for that day. Excessive absences, even though excused, are bound to affect student's grades.

1. If a student is absent, their parents need to call the office. It is the responsibility of the parent to notify the school the day the student is absent. The phone number is (580) 874-2281
2. If it is not possible to call, the parent is asked to write a note, which the student will bring to school the day he/she returns, explaining the student's absence. If this is not done on the day the student returns, an unexcused absence will be recorded, and work missed cannot be made up for credit.
3. If the student has a dentist or doctor appointment, the student needs to check out through the office. Upon returning, the student needs to bring an appointment card with the time of the appointment or note signed by the doctor.
4. If a student becomes sick at school, they need to report to the office to be dismissed from school. A parent will be notified.
5. The student needs to always check out at the office to leave school for any reason. Failure to do so will constitute an unexcused absence.
6. The parents of students reported absent first period from class will be contacted by the high school principal's office each morning.
7. Students are to have an "Admit to Class" pass from the principal's office when returning from an absence. Absences due to school-sponsored activities do not apply. Any other absence requires an admit slip. Last period teachers will collect all admits and turn them in with the absentee log at the end of the day.
8. Students with 10 or more absences in any class for the semester will not receive credit for that class. In emergency situations, an attendance committee composed of the principal, counselor, and faculty member may grant exceptions. Students who habitually are absent and then have an emergency, which puts them over the 10-day rule will not receive credit.

### **College Day**

Senior Students at Kremlin-Hillsdale are allowed two (2) College Visitation Days, which will be Approved by the Principal (AP), and will not count as an Absence. These days must be arranged through the Kremlin-Hillsdale Counselor one week in advance of the visitation day.

### **Tardy Policy**

Promptness to class is necessary to enhance effectiveness of the day-to-day operations of the school. Students who are late to class disrupt the class beginning. Students who enter class more than 15 minutes after the scheduled class start time, without proper written authorization, will be counted as Unexcused Absent. School detention will be served for the third tardy in a semester and for every tardy thereafter. Failure to attend detention will result in referral to the Principal.

### **Tardy Passes**

Students who are late for school must obtain a late pass from the office before entering class (1st hour only). It is the responsibility of the student to obtain a pass from the teacher before leaving

class if he or she could be tardy for the next class. If a student is late for class and the student does not have a pass, that student will receive an unexcused tardy. If a student is late getting to class from lunch, the pass must be obtained from the person on lunch duty or the teacher that kept them late. In order for a student to go from one room to another during school hours, a hall pass must be obtained and signed by the teacher in charge of the student for that period. A student should not ask to be in a classroom where no teacher is present. The office will not issue passes except for the late pass when a student checks into school.

### **Student Body Regulations**

**All students must adhere to the Student Dress guidelines while attending or participating in any school function. Exceptions may be granted by the sponsor with administrative approval.**

#### **Assemblies**

All students should express school spirit during any assemblies/pep rallies held throughout the year. Performers are our guests and students must respect them and their peers at all times during these performances. All school activities of any class or organization must be approved by the sponsors of the class or organization and by the appropriate principal.

#### **Activity Trips**

School supplied transportation will be used for all regularly scheduled school activities. Students must go and return via the transportation supplied by the school. Exception: Parents permitting students to return outside school provided transportation understand the school is not responsible for accidents, etc. Parents must sign the student off of the bus in person. Coaches will carry permission slips on all activity trips.

#### **Transportation**

Route buses and Technology Center buses will be operated again this year. The routes will start the same as last year, but changes will be made where necessary. Most of the routes are long; therefore drivers will try to operate the buses so that they will be at the appointed place at the appointed time. Be early to the bus pickup point. The buses are scheduled to arrive at the school building no sooner than 7:55am, and no later than 8:05am. Safe transportation is the ultimate goal. Each bus rider is asked to:

1. Sit facing forward while the bus is in motion
2. Throw NO objects in the bus or from the bus at any time
3. Obey the bus driver when they make a request

The bus drivers have a great responsibility and they do not have time for disciplinary problems. It is the order of the Board of Education that there shall be no scuffling, loud talking, smoking (by either the driver or pupils), immoral talk, destruction of buses, or any other misconduct. The bus drivers are to send any offender to the office.

#### **Internet Use Policy**

The Board of Education believes that the use of the internet will further education by promoting the exchange of information and ideas and by providing statewide, national, and global opportunities for the staff, students, and the community. However, students may not use chat rooms or email at school.

Students will be under teacher supervision. It is not possible to constantly monitor individual students and what they are accessing. Student and other users will refrain from intentionally accessing and downloading any text, pictures, or online conference that includes material which is considered to

be obscene, libelous, indecent, vulgar, profane, or lewd; advertises any product or service to minors prohibited by law; presents a clear and present danger; or will cause the commission of unlawful acts or the violation of lawful school regulations.

Personal information should not be revealed. Records of internet use will be considered confidential to the public but will be accessible to the administration to monitor proper usage of the equipment and appropriate material. Users must be aware that any message or information posed on the internet may be accessed by other than for whom it is not intended.

Users of the services will respect all copyright and license agreements. Copyrighted software, pictures, or music will not be downloaded for use which violates the copyright laws.

All persons wishing to use the services provided will sign an internet use agreement.

Violation of the Internet Acceptable Use Policy will result in forfeiture of all internet user privileges. Violators shall also be subject to disciplinary action. The administration has the right to deny access to any individual they deem necessary.

Internet use for part time users in adherence to statutes for KHS students are for homebound, full-time students in need of course work not offered, and for part-time up to 5/7 of a day. The student will pay all charges of the course and students enrolling in the internet course must participate in the Oklahoma School Testing Program. The student, if course is not taken at the school site, will provide his/her own equipment and internet access.

### **Online Classroom Policies**

High school students at Kremlin-Hillsdale Public Schools are encouraged to participate in Online classes. We expect our students to be on their best behavior while in the online classroom. You represent the students of Kremlin-Hillsdale, therefore your behavior reflects upon this school.

1. Equipment used is very expensive and must be left alone
2. Follow the direction from the online instructor

The online instructors have the right to declare any student as a behavior problem and can expel the student from the class. No credit will be received for that class. A student who is expelled or withdraws from an online class during the semester will not receive credit for that class.

### **Student Discipline**

The Kremlin-Hillsdale Board of Education believes that the school's primary goal is to educate, not to discipline. However, education includes establishing norms of social behavior and assisting students in understanding and attaining those norms. When the behavior of an individual student comes into conflict with the rights of others, corrective actions are necessary for the benefit of the individual at the school. "The teacher of a child attending a public school shall have the same rights as a parent to control and discipline such child during the time the child is in attendance or in transit to the school or classroom presided over by the teacher." (Article VI, Section 112, **School Laws of Oklahoma**).

The BOE advocates while education is a right of our youth, it is not an absolute right. Every child has the right to an appropriate education. Any student CHOOSING to interfere with that RIGHT by verbal or physical means will be disciplined. The discipline administered to any student is intended to improve the behavior of the student and to PROTECT THE RIGHTS OF OTHERS.

Discipline is normally the responsibility of the teacher. Each teacher will have classroom rules that

will be displayed in the classroom. A copy of these rules will be given to parents and also the principal. Behavioral problems that cannot be handled by the teacher will be referred to the principal.

The best form of discipline is self-discipline. It is our aim to help develop in each student the high standards of self-discipline that are needed for good citizenship. Most students will exemplify strong self-discipline and perform or function without the threat of rules hanging over their heads. But for those who REPEATEDLY and WILLFULLY disrupt the learning environment and are not responding to the school or classroom discipline plan, will be referred to the principal.

Students attending Kremlin-Hillsdale Public Schools are EXPECTED to maintain a level of conduct whereby their speech and actions are above adverse criticism.

One of the responsibilities of the school is to teach young people that they live in a society governed by laws established by their fellow citizens, and that they must expect certain consequences should they break these laws. Since learning to accept responsibility for ones actions is a learning process, we would expect that students would, upon occasion, break certain rules. Punishment for these infractions must be tempered with good judgment; judgment will be based upon the maturity of the student and the seriousness of the offense.

The teacher is expected to maintain an atmosphere that is conducive to the learning situation. The teacher should correct any behavior that disrupts the learning process. Continuous disruptive behavior by a student beyond what can be handled in the classroom shall be referred to the principal.

**The following are considered to be SOME of the unacceptable behavior by students:**

1. Behavior which would bring injury to other students or adults (including horse-play)
2. Behavior which would disrupt the learning process for fellow students
3. Behavior which would cause damage to local school building, school property, property of students, and to the property of other schools with which our students participate in various school activities
4. Behavior which brings dishonor to the school, such as trashing the hallways, writing graffiti on any surfaces, or any so called "pranks" against school facilities, vehicles, school grounds, or faculty members
5. Behavior at any school event which is injurious to the reputation of our past, present, and future school population

4. Use of drugs, tobacco, or alcoholic substances; use of abusive or unacceptable language
5. Irregular attendance at school and lack of effort to attain passing grades
6. Failure to file a vehicle or wireless telecommunication device form with the administration

**Possible Alternative Punishments for Misbehavior**

Except as otherwise provided for in this section, no out-of-school suspension shall extend beyond the current semester and the succeeding semester. Upon full investigation of the matter, the BOE shall determine the guilt or innocence of the student and the reasonableness of the term of the out-of-school suspension. The decision of the district BOE shall be final

The following provisions shall apply to students who are suspended out-of-school for ten (10) days or more. Upon the out-of-school suspension, the parent or guardian shall be responsible for the provision of a supervised, structured environment in which the parent or guardian shall place the student and bear responsibility for monitoring the student's educational progress until the student is readmitted into school. The school administration shall provide the student with an education plan designed for the eventual reintegration of the student into school, which provides only for the core units in which the student is enrolled. A copy of the education plan shall also be provided to the student's parent or guardian. The plan shall set out the procedure for education and shall address academic credit for work satisfactorily completed.

Students who are guilty of any of the following acts may be suspended out-of-school by the administration of the school district:

- a. Violation of a school regulation
- b. Morality
- c. Adjudication as a delinquent for an offense that is not a violent offense. Any student found in possession of a firearm while on any public school property or while in any school bus or other vehicle used by a public school for transportation of students or teachers shall be suspended out-of-school for a period of not less than one (1) year, to be determined by the district BOE pursuant to the provisions of this section. The district superintendent, on a case-by-case basis may modify the term of the suspension. For purposes of this paragraph, the term "firearm" shall mean and include all weapons as defined by 18 USC Section 921.

A student who has been suspended out-of-school from a public or private school in the State of Oklahoma or another state for a violent act or an act showing deliberate or reckless disregard for the health and safety of faculty or other students shall not be entitled to enroll in a public school of this state, and no public school shall be required to enroll the student, until the terms of the suspension have been met or the time of suspension has expired.

No school board member, administrator, or teacher may be held civilly liable for any action taken in good faith, which is authorized by this section.

### **Complaint Resolution Procedure**

Whenever a complaint is made directly to the school board as a whole or to an individual school board member, the individual or group involved will be advised to take the concern to the appropriate school staff member. The Board of Education will only hear complaints that have properly passed through the following channels:

1. The individual or group will be advised of the proper channeling of complaints, which is as follows:
  - a. Teacher or staff member
  - b. Building administrator
  - c. Superintendent
  - d. Board of Education

2. The procedure for complaint resolution is as follows:
- a. Step One – A complaint will first be discussed by the complainant and the person or persons against whom the complaint is registered with the object of resolving the matter informally.
  - b. Step Two – If the complaint is not satisfactorily resolved in step one, the complainant will submit his/her complaint in writing to the building principal, stating the reasons for the complaint and the relief desired. The principal will contact the complainant within five (5) working days of receipt of the written complaint to discuss the matter. Upon investigation, the principal will issue the complainant a written response stating the principal's decision and reasons therefor. Problems and questions concerning individual schools are appropriately directed to the principal at this level.
  - c. Step Three – If the complaint is not satisfactorily resolved in step two, the complainant will submit his/her complaint in writing to the superintendent of schools, stating the reasons for the complaint and the relief desired. The superintendent will contact the complainant within five (5) working days of receipt of the written complaint to discuss the matter. Upon investigation, the superintendent will issue the complainant a written response stating the superintendent's decision and reasons therefor. Problems and questions concerning the school system as a whole are appropriately directed to the superintendent at this level.
  - d. Step Four – If the complaint is not satisfactorily resolved in step three, within ten (10) working days of receiving the response from the superintendent, the complainant may appeal the matter to the board of education. This appeal, which should be addressed to the clerk of the board, shall be in writing and shall be accompanied by a copy of the responses from steps two and three. The board will address the matter at the next regularly scheduled board meeting, provided the appeal is received in time to place it on that meeting's agenda in compliance with the Oklahoma Open Meeting Act. The meeting will consist of input from the parties involved in each step of the complaint, and/or others the board may feel are relevant to the issue. After the issue has been investigated, the board will issue a written decision to the complainant and parties involved at each step of the process.

\*NOTE: The above procedure for handling complaints does not apply to cases involving student suspension or expulsion, grievances filed by teachers where negotiated agreement is present, complaints relating to disability discrimination and/or cases regarding special education placement.

### **Extra-Curricular Activities**

Extra-Curricular Activities shall be defined as "any school sponsored activity or social function that occurs outside the scope of the curriculum of the regular classroom."

Participation in extra-curricular activities, such as athletics, music, speech, and pep clubs presents our students to the community in a much more open manner than the classroom. For this reason, each participant is expected to meet performance levels above that of the non-participant. This performance is in the area of academic achievement, as well as student appearance, and student behavior. Extra-curricular activities play an important role at Kremlin-Hillsdale, so it is imperative to keep a close touch on the academics of the participants.

Drug Testing will be mandatory for all students in grade 7-12 participating in extra-curricular activities.

All rules and regulations of the Oklahoma Secondary School Activities Association shall be complied with at the Middle School and High School level. The administration/activities director/coaching

staff/activity sponsors shall have charge of all contests and/or activities and shall determine the eligibility of players to participate.

## **Scholastic Eligibility**

### Kremlin-Hillsdale Academic Eligibility Policy:

Eligibility will be checked during the fourth week of each semester, and every week thereafter. Students must maintain a passing grade in every course in which they are enrolled to remain eligible for any extra-curricular activities. At the end of a semester, if a student fails 1 class, they will be ineligible for participation for the first 2 weeks the following semester; if a student fails 2 classes, they will be ineligible for participation for the first 4 weeks the following semester; and if a student fails 3 classes, they will be ineligible for participation for the first 6 weeks the following semester.

Any other eligibility questions not addressed previously will be governed by the OSSAA Minimum Requirements.

### OSSAA Minimum Requirements Governing Interscholastic Activities:

#### **RULE 1 - AGE, PHYSICIAN AND PARENTS' CERTIFICATE**

Section 1. Any student who reaches his/her nineteenth birthday before September 1 will not be eligible for athletic competition. Any student who reaches his/her sixteenth birthday before September 1 will not be eligible if enrolled in the ninth grade or below. Any student who reaches his/her fifteenth birthday before September 1 will not be eligible for the eighth grade or below. Any student who reaches his/her fourteenth birthday before September 1 will not be eligible for the seventh grade or below. Non-athletics: Any student who reaches his twenty-first birthday before September 1 will not be eligible.

Section 2. No student shall be eligible to represent his/her school in athletics until there is on file with the principal a physical examination and parental consent certificate. The form used shall contain the information on the standard OSSAA form. Other forms may be utilized, by the physician, physician's assistant, or the advanced practice nurse, if the information contained is compliant with the information on the OSSAA form. Any other information, depicting the athlete's previous history, can be added to this form for the purpose of clearance for athletic participation. A qualified physician, physician's assistant, or an advanced practice nurse covered by professional liability insurance shall give the physical examinations. If you have questions concerning the qualifications or the insurance coverage of a health care practitioner offering to give examinations, it is suggested that you check with your school district attorney for an opinion. Physical examinations are required for students each year. All physicals given for OSSAA participation must be given no earlier than May 1 of the preceding year in which the students are to participate and before the first day of practice in that student's particular sport. The physical will be valid from the date of the physical given until the next required physical. Parent(s) or guardian(s) must sign the parental consent form each year before the student participates in any organized athletic practice session including contest participation.

Section 3. Each non-athletic activity organization which assists in the sponsorship of interscholastic activities may operate under a constitution, or set of rules, which complies with the Constitution and Rules of the Oklahoma Secondary School Activities Association. This constitution or set of rules should be approved by the Board of Directors of the Oklahoma Secondary School Activities Association.

#### **RULE 2 - ATTENDANCE**

A student who has not attended classes ninety percent of the time for the semester in a member school becomes ineligible. Exceptions may be made by the principal due to illness, injury, death in

the immediate family, valid reasons for late enrollment, or late with the beginning of attendance. See Board Policy XLIV for supplemental on-line courses.

Question: At what point in the school year does the attendance rule begin?

Answer: Attendance for the semester begins with the first day of the semester, and continues throughout the entire semester. A student must be in compliance with the 90% attendance rule for each class in which a student is enrolled.

### RULE 3 - SCHOLASTIC ELIGIBILITY

OSSAA scholastic eligibility standards are required of all students engaging in co-curricular activity programs. Local school boards may make exception for only those students participating in non-competitive activities. (Board Policy)

#### Section 1. Semester Grades

- a. A student must have received a passing grade in any five subjects to be counted for graduation that he/she was enrolled in during the last semester he/she attended fifteen or more days. (This requirement would also be five school subjects for the 7th and 8th grade students.) For block schedules that offer 8 or more credits during an 18-week grading period, a student must earn 6 credits counted toward graduation during that 18-week grading period. (1 credit = 1/2 Carnegie Unit) (Trimester Eligibility – Refer to Board Policy XXXVII)
- b. If a student does not meet the minimum scholastic standard he/she will not be eligible to participate during the first six weeks of the next 18-week grading period they attend.
- c. A student who does not meet the above minimum scholastic standard may regain his/her eligibility by achieving passing grades in all subjects he/she is enrolled in at the end of a six-week period.
- d. Pupils enrolled for the first time must comply with the same requirements of scholastic eligibility. The passing grades required for the preceding 18-week grading period should be obtained from the records in the school last attended.

NOTE: The Board of Directors may make exceptions to non-traditional structures. (Ex. block, trimester, etc.) (Trimester Eligibility – Refer to Board Policy XXXVII)

- e. A student who drops a class after the first three weeks of the semester shall be ineligible for at least a three-week period. To regain eligibility after three weeks, the student must be enrolled in the minimum number of classes required for eligibility, and be passing all subjects in which the student is enrolled. An exception is allowed for a student who enrolled in an AP or honors-level course and wishes to drop that course. A student dropping an AP or honors-level course after the first three weeks of the semester may maintain continued eligibility provided that (i) the student had a passing grade in the AP or honors-level course at the time of withdrawal; and (ii) the student enrolls in a non-AP or honors-level course in the same subject.

#### Section 2. Student Eligibility During a Semester

- a. Scholastic eligibility for students will be checked after three weeks (during the fourth week) of a semester and each succeeding week thereafter. Schools may choose to run eligibility checks on any day of the week. The period of probation and ineligibility will always begin the Monday following the day eligibility is checked. Methods should be devised to check weekly grades of Career-Tech students and all concurrently enrolled students. For block scheduling, scholastic eligibility will be checked after two weeks (during third week) of the first and third blocks and each succeeding week thereafter and at the end of the first week of the second

and fourth blocks and each succeeding week thereafter. Schools may choose to run eligibility checks on any day of the week. The period of probation and ineligibility will always begin the Monday following the day eligibility is checked.

- b. A student must be passing in all subjects he/she is enrolled in during a semester. If a student is not passing all subjects enrolled in on the day of the grade check, he/she will be placed on probation for the next one-week period. If a student is still failing one or more classes during the next week on the grade check day, he/she will be ineligible to participate during the next one-week period. The ineligibility periods will begin on Monday and end on Sunday.
- c. A student who has lost eligibility under this provision must be passing all subjects in order to regain eligibility. A student regains eligibility under Rule 3 with the first class of the new one-week period (Monday through Sunday).
- d. "Passing grade" means work of such character that credit would be entered on the records were the semester to close at that time.

### Section 3. Special Provisions

- a. A senior student maintains eligibility by passing the classes required for graduation. The number of classes which a student is enrolled can be no less than four. (For block and trimester exceptions contact the OSSAA office.) A junior or senior student who is concurrently enrolled in high school and college may use the college courses to meet the minimum number of subjects needed to maintain eligibility. These may be a combination of high school and college subjects equivalent to four high school units which are accepted by the Oklahoma State Department of Education.
- b. An ineligible student who changes schools during a semester will not be eligible at the new school for a minimum period of three weeks. A student may regain his/her eligibility by achieving the scholastic standard in Rule 3, Section 2-b at the end of a three-week period. (Any part of a week is considered a full week.)
- c. Incomplete grades will be considered to be the same as failing grades in determining scholastic eligibility. School administrators are authorized to make an exception to this provision if the incomplete grade was caused by an unavoidable hardship. (Examples of such hardships would be illness, injury, death in family and natural disaster.) A maximum of two weeks is allowed for make-up work.
- d. One summer school credit (1/2 unit or one subject) earned in an Oklahoma State Department of Education accredited program may be used to meet the requirements of Rule 3, Section 1-a, for the end of spring semester.

### Section 4. Special Education Students

Special students, who are enrolled in special education classes, have an Individual Educational Plan and have been certified by the principal as doing a quality of work may, with the approval of the Board of Directors, be accepted as eligible under this rule.

### Section 5. Stock Shows, etc.

- a. Individuals who have been declared ineligible to participate in extra-curricular activities by their local school administration will be declared ineligible to participate in this show.
- b. Individuals who are eligible on the first day of the show will be considered eligible through the duration of the show. Similarly, individuals who are ineligible on the first day of the show will be considered ineligible through the duration of the show.
- c. If an exhibitor is ineligible to participate in the show for any reason, including rules of the Oklahoma Secondary School Activities Association, the animals owned by the exhibitor are also ineligible for the show.

- d. Ineligible individuals who participate in the show will forfeit all show and/or sale premiums and awards; and will be subject to disciplinary action as provided by the local school policies.
- e. It will be the responsibility of the local school administration to notify the student's family and the show management or OSSAA if a particular student is ineligible to participate.

### **Authority**

Teachers and staff have the responsibility to insure a climate conducive to the safety and welfare of students and others in the school. They are also responsible for the learning and social development of students at school. Teachers and staff are therefore vested with the necessary authority to discharge these responsibilities. It should be understood that any teacher or staff person has this authority at any time on school property or at school functions.

One of the most serious offenses a student can commit is INSUBORDINATION to school personnel. Any such behavior shall be dealt with most severely. Under no circumstances will disrespectful or threatening behavior toward a teacher or staff be tolerated.

### **Parents Rights to Know Policy**

Every school district receiving Title I funds must annually notify parents of each child in each school receiving funds that they have the right to request information about the qualifications of their children's teachers. The information available to parents on request must include the following:

1. Whether a teacher "has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction
2. Whether a teacher is teaching under emergency or other provisional status through which state qualification or licensing criteria have been waived
3. What major each teacher earned his/her bachelor's degree in
4. Whether the teacher holds a graduate certification or degree and in what field or discipline
5. Whether a child is provided services by paraprofessionals and, if so, their qualifications

In addition, every school receiving Title I funds must provide to each parent:

1. Information on the child's level of achievement on each required state assessment
2. Timely notice if a child has been assigned, or has been taught for four or more consecutive weeks, by a teacher who is not highly qualified as defined by law

All information provided to parents must be in an understandable and uniform format and provided in a language parents can understand to the extent practicable.

(Legislation: Title 1, Section 1111(h)(6) – parents right to know)

### **Notice of Non-Discrimination**

The Kremlin-Hillsdale Public School District does not discriminate on the basis of race, color, natural origin, sex, disability, or age in its programs and activities. This policy of nondiscrimination applies to all matters concerning staff, students, the public, employment, educational programs and services, events, and individuals, companies and firms with whom the board of education does business.

The following person has been designated to handle inquiries regarding the District's non-discrimination policies and procedures and compliance therewith:

**Jim Patton**  
**Superintendent of Schools, Kremlin-Hillsdale Public Schools**  
**PO Box 198**  
**Kremlin, OK 73753**  
**(580) 874-2284**

## **Grievance Based on Discrimination Procedure**

It is the policy of the Kremlin-Hillsdale Board of Education that the District shall not discriminate against any person on the basis of race, color, national origin, age, sex or disability. The District is committed to taking appropriate measures to remedy and prevent recurrence of any discrimination of which it has notice. The Board of Education has adopted an internal grievance procedure providing for prompt and equitable resolution of complaints alleging discriminatory action prohibited by law:

Any person believing that the District, its Board of Education or any part of the organization has inadequately applied the principles and/or regulations of (1) Title VII of the Civil Rights Act of 1964 (race, color, national origin discrimination); (2) Title IX of the Education Amendment Act of 1972 (sex discrimination, sexual harassment); (3) Section 504 of the Rehabilitation Act of 1973 (disability discrimination); (4) the Age Discrimination Act of 1975 (age discrimination); and/or (5) Title II of the Americans with Disabilities Act of 1990 (disability discrimination) may bring forward a complaint – which shall be referred to as a grievance – to:

**Jim Patton**

**Superintendent of Schools, Kremlin-Hillsdale Public Schools**

**PO Box 198**

**Kremlin, OK 73753**

**(580) 874-2284**

Any person who believes he or she has been subjected to such discrimination may file a grievance under the procedures outlined below. It is against the law for the District to retaliate against anyone who files a grievance or cooperates in the investigation of a grievance. Additionally, the availability and use of this grievance procedure does not prevent a grievant from filing a complaint of discrimination with the appropriate federal agency handling such issues.

### **Procedure for Grievance Resolution:**

1. **Informal Resolution:** Prior to filing of a written complaint, the grievant is encouraged to bring the matter to the attention of the individual named above. Reasonable effort will be made to resolve the problem or complaint informally.
2. **Formal Grievance Filing:** In the event the problem or complaint cannot be resolved informally, the grievant shall comply with the procedures outlined below for filing a formal grievance:
  - a. The grievance must be submitted to the individual named above within thirty (30) days of the date the grievance occurs. *In the event that the individual committing the alleged discriminatory act is the individual named above, a grievance may be made directly to the Board of Education.*

  - c. The District shall conduct a thorough, reliable and impartial investigation of the grievance. The grievant will be afforded an opportunity to submit witness testimony and evidence relevant to the grievance and may be asked for additional information deemed necessary for investigating and resolving it. The District will issue a written decision on the grievance no later than thirty (30) days after its filing and shall maintain the files and records relating to the grievance at this level.
3. **Appealing the Decision:** In the event the grievant is not satisfied with the decision, the grievant may appeal the decision, as follows:
  - a. If not satisfied with the decision, the grievant may appeal the decision to the Board of Education within fifteen (15) days of receiving the Superintendent's decision.

The Board of Education shall place the grievance appeal on the agenda for its next regularly-scheduled board meeting and shall issue a written decision in response to the appeal no later than thirty (30) days after the meeting at which the appeal is addressed.
