Nature with Mr. Marc

Our Kindergarten and First grade students were able to learn about the various animals and plant life. Mr. Marc visited our Kindergarten students in class where he was able to show and talk about some animals and pond life. The First Grade students went to the Closter Nature Center for a walk where they were able to see the items in their natural habitat.

Kindergarten Mother's Day Celebration

On Friday, May 10th the Kindergarten students performed songs to celebrate their moms. We thank Ms. Ahn and all of the kindergarten teachers for helping to put a beautiful show together that all of the moms enjoyed!

LLE Spring Concert

On Thursday, May 9th, the LLE chorus members, band members and the 3rd grade recorders all performed for their families in the evening. They performed a variety of songs under the direction of Ms. Ahn and Mrs. Urban. The students truly enjoyed showcasing their hard work for their family members. A big thank you goes out to Ms. Ahn and Mrs. Urban for all of their hard work and dedication to help support our student's talents.
