['Blessed Is the Nation Whose God Is the Lord': First Trump Cabinet Meeting Opens with Prayer](#)

Scott Turner, Secretary of Housing and Urban Development, led Trump's new team in an opening

invocation. "Father the Bible says that blessed is the nation whose God is the Lord, Father today we honor You in Your rightful place and thank You for giving us this opportunity to restore faith in this country and be a blessing to the people of America, and we pray in our meeting that You would be glorified in our conversation. **In Jesus name, Amen,**" Turner prayed as the group responded with "Amen." [US Christian population has declined.](#)

A new survey shows that drop leveling off. Religious Landscape Study finds 62% of U.S. adults call themselves Christians. While a significant dip from 2007, when 78% of

Americans identified as Christian, Pew found the Christian share of the population has remained relatively stable since 2019.

Highlights from Letters to Power 88

- Dear Power 88 - I just want to thank you so very much for Christian music 24/7! I haven't been able to give this year like I did last year because the Lord blessed my husband and I with being able to buy a home back in April. Power 88 fills our home and our vehicles when we're on the road. May God continue to bless this station as you all bless my family

- Thank-you for your commitment to our city of Mobile and others. Your radio station is such an inspiration to my daily walk as a servant of the Lord. I pray for you all and will support you now with the summertime "crunch" of support and in the future as well, and pray that others will do the same. I have only a couple of Christians friends and find myself alone much of the time, and trusting in the Lord. You are a light in my loneliness and help me stay joyful in praise." In Jesus, God bless you all,
