

# MARCH NEWS

March 18-22

Coffee Days were a hit! Thank you for helping us create some magic in our classrooms. We appreciate your support.

## Mrs. Taubken

**Reading** - We will begin lessons from CKLA (Core Knowledge Language Arts) this week. Our lessons will be Fairy Tales and Tall Tales for the next two weeks. We will read, learn vocabulary and cover the standards; RL2.3; RL2.2; RL2.9. Our stories are: **The Fisherman and His Wife; The Emperor's New Clothes; Beauty and the Beast.**

**Fundations** - We will begin Unit 9; learning r-controlled vowels - er, ir, and ur.

**Writing** - W2.8 - Students will be writing about our Fairy Tales and Tall Tales.

**Homework** - Fundations worksheet on Thursday.

## Mrs. Schrimsher

**2.MD.1-** measuring length, **MD.10-** graphs  
We are beginning our 3-week unit on measurement. This week, students will measure the length of an objects using different units and tools. Students will select tools such as rulers, yardsticks, meter sticks, and measuring tapes. Students will measure an object twice using different units. Students will measure in centimeters, inches, feet, yards, and meters. We will spend a small portion of each day also gathering data and creating picture graphs and bar graphs.

**Homework-**  
IXL Suggestion- GG and HH skills

## A Look At Our Week...

March 22- Report Cards go home

April 5- **Last Day** for lunch visitors (due to testing)
