Statement of Non-Discrimination for Career and Technical Education Programs

Texline ISD offers Career and Technical Education (CTE) programs in Animal Science, Carpentry, Culinary Arts, and Nursing Science. Admission to these programs is based on interest, enrollment in school, and course availability.

Texline ISD will take steps to assure that lack of English language skills will not be a barrier to admission and participation in all educational programs including CTE programs.

In its efforts to promote nondiscrimination, Texline ISD does not discriminate on the basis of race, religion, color, national origin, gender, sex, or disability in providing education services, activities, and programs, including CTE programs, services, or activities as required by Title VI of the Civil Rights Act of 1964, as amended, Title IX of the Educational amendments of 1972; and Section 504 of the rehabilitation Act of 1973, as amended.

It is the policy of Texline ISD not to discriminate in its employment practices on the basis of race, color, sex (including pregnancy), national origin, religion, age, equal pay, genetic information, veteran or military status, or any other legal protected status, as required by Title VI of the Civil Rights Act of 1964, as amended, Title IX of the Educational amendments of 1972; and Section 504 of the rehabilitation Act of 1973, as amended.
