

Thank you for your consideration of Alabama Lions Sight to provide your vision screening, exam, and prescription eyeglass needs. We offer low-cost options through our Mobile Eye Clinics (MECs) and currently, we have two clinics operating at various locations throughout the state. Aboard each clinic you will find a board-certified optometrist and the same equipment found in brick-and-mortar optometry offices.

**The price for a fully dilated eye exam is \$20, single prescription glasses are \$40 and bifocals are \$60. Eyeglasses (including frames) are selected at the time of the visit and mailed to your home, usually in less than 2 weeks.**

**Anyone may utilize our services as our program is not income based. If the patient is insured, we can bill insurance. If not, and/or is unable to pay out of pocket, please inform our staff and a sponsorship will be provided. It is our mission to provide glasses to all who need them, regardless of ability to pay.**

**Schedules and contact information for each MEC are listed on our website at [www.alabamalionsight.org](http://www.alabamalionsight.org) (click on Vision Screenings then Mobile Eye Clinic Schedules).**

To schedule your appointment, please call the phone number listed for your desired location as more than 80% of vision impairments are either curable or treatable with early detection!

Thank you for allowing us to provide you with this very important service. If you have any questions, please contact us at one of the options below.

## **Alabama Lions Sight**

700 18th Street South DB110  
Birmingham, AL 35233  
Phone: (205) 325-8519
