

Dale County Schools are pleased to announce that the school district has applied for and has been approved to participate in the Community Eligibility Provision which means that ALL students will receive breakfast and lunch for FREE every day.

It is our hope that with breakfast and lunch being free, more students will eat every day. For the upcoming school year, no families will need to complete a lunch application and every student will receive free breakfast and lunch.

Please make note though that any negative lunch balances which have previously been incurred are still due. This program becomes effective at the beginning of the 2023-2024 school year. So, if you currently have a negative lunch balance, please make payment as soon as it is convenient. You can add money to your students account for all cart items through Linq Connect, that is located on the district website or local school website.
