Winlock Fire Dept. Smoke House

Last week, the Winlock Fire Department brought their Smoke House to Evaline to teach students important fire safety skills — including how to safely exit a house in case of a fire. Students also had the opportunity to explore the ambulance and other emergency vehicles, as well as ask lots of great questions.

Booster Club Fundraiser

Thank you to everyone for making the meat stick fundraiser a huge success!

We sold an incredible 2,424 meat sticks and raised \$1,648! The funds helped purchase the new blue Evaline t-shirts and sweatshirts for our students.

Thank you for your support!

Top 5 Sellers by number of sticks sold:

383-Henry Kasperek, 342-Joseph Peckham,

184-Josiah Blankenship, 158-Apollo Wachter,

126-Wayne Cantrell

The top 5 sellers will receive a special prize!

Thank you to Cardinal Glass for an order of 352 sticks!

Conferences 11/3 to 11/7

We will dismiss at 11:30 every day during conference week.

Conferences will be held **November 3th - November 7th**. Your student's teacher should be contacting you to schedule your conference(s).

Students will be dismissed at 11:30 every day of conference week. A "sack" lunch that may differ from our menu will be sent home with your student(s) on these days if they order one.

TK and Kindergarten

Mrs. Tinnin

Kindergarten students have been busy learning the letters c, o, and g. They are beginning to sound out simple CVC (consonant-vowel-consonant) words using the letter sounds they've learned so far. Each student has their own set of letter cards, and as we introduce a new letter, they receive a new card to add to their collection. Along with letter recognition, students are also learning the ASL sign and a fun chant for each letter to help reinforce the sounds.

Every day, Kindergarten participates in Listen and Learn activities. Currently, they are exploring the five senses and discovering how each one helps us live in the world around us.

In math, Kindergarten is focusing on numbers 6 through 9. This unit emphasizes understanding number relationships by finding number pairs that make up each number.

TK students are learning about Families and Communities. In math, they continue to explore numbers 1 through 5 through a variety of hands-on, engaging activities designed to build a strong number sense foundation.

First and Second Grade Explorers

Mrs. Mittge

This week we wrote an expository paragraph on how to dress for fall.

First grade students began their first ELA reader this week. They have been doing an exceptional job of text diving and writing complete sentences to demonstrate understanding! Second graders will be ready to begin their second unit next week!

First graders should be reading more than 10 words per minute with the goal of reading 50 words per minute this winter. Second graders should be reading 30-80 words per minute with the goal of reading more than 100 words per minute this winter. Most students are well above these goals!

Students have earned over 20 class stars! To celebrate we had a snack and stuffy play date. Students had a snack with their stuffy and then met other class stuffies. Students and stuffies had a great time playing together.

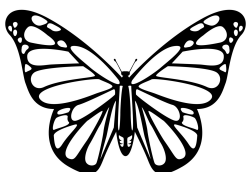

Please remember that we have a field trip to the Winlock Fire House on Tuesday, October 21st. We will leave the school at 9:45 and return at 11:00. Please have your child remember to bring a coat.

Third and Fourth Grade Classroom

Mrs. Mars

This week students wrote their first multiple paragraph informational writing piece on how and why animals and insects migrate. I was highly impressed with how they applied what they learned during our opinion writing piece to now writing informational pieces. Essays will be going home next week for parents to see.

Students have been working hard on their reading both in and out of school and it shows. We only have three more students before all students have reached Leap 1. Check with your student to see how many points they have earned. Ideally students should be around 15 points now if they want to be on track to make it to the Leap 10 Extravaganza at the end of the year!

Fifth and Sixth Grade Classroom

Mr. Burlingame

It's been a wonderful week of learning and growth in our classroom! We've continued reading *Bud, Not Buddy* and exploring figurative language, with students sharing thoughtful insights and connections as the story unfolds. In math, 5th graders are mastering addition and subtraction of decimals, while 6th graders are gaining confidence with multiplying fractions. I'm proud of how focused and encouraging they've been as they take on new challenges.

Our social studies state presentations are going great—students have shown creativity and pride in their research and slides. In science, we've been expanding our understanding of space and Earth systems, and the class's curiosity and questions have led to some exciting discussions. It's inspiring to see their enthusiasm for learning continue to grow each week!

CANDY FOR THE FALL FESTIVAL PARTY

The Booster Club is asking each family to donate one bag of individually wrapped candies or a bag of small prizes for the party on October 31st. Please drop items off at the school office no later than Friday, October 24th.

For questions please contact: evalineboosterclub@gmail.com

FALL FESTIVAL PARTY

The Booster Club will put on a Fall Festival party on Friday, October 31st during school hours. Students are encouraged to dress up. All students will have an opportunity to play carnival games and do a craft. There will also be a costume contest and a pumpkin carving/decorating contest. The party will begin shortly after 8:30. Pre-school students and parents/guardians are encouraged to dress up and join us. **School will dismiss at 11:30.**

Costumes

Please make sure costumes are in good taste: **No blood, knives/weapons, or scary masks.. etc.**

Prizes will be awarded to preschoolers and students in each grade for the best costume.

Pumpkin Carving Contest

All students can work with or without a parent/guardian's help to create a masterpiece. Due to limited space and number of pumpkins, we will be doing the pumpkin judging in the bus garage. **You can take your pumpkin(s) directly to the bus garage before school on Friday, Oct. 31st.**

Prizes will be awarded in the following pumpkin categories:

1. Funniest
2. Scariest
3. Cutest
4. Best Non-Carved
5. Open Class - Dream up one you think would be a prize winner.
6. Best Student Solo (no parent help)
7. Sweetest
8. Most Clever

Please don't carve or decorate pumpkins in poor taste: Blood, knives, etc will be disqualified. The judges will decide the category in which each pumpkin will be judged. This can be a family project. Students can have mom, dad, sister, brother, etc. help carve and decorate your pumpkin. (Except for the Best Student Solo Pumpkin) If your beautiful pumpkin needs a candle to show the full effect, put the candle inside the pumpkin and the judges will light it. Please take pumpkins home at the end of the party. Any pumpkins left after the party will be thrown out.

The Booster Club is looking for volunteers to help make this fun event possible!

If you're able to lend a hand, please reach out to the Booster Club at

evalineboosterclub@gmail.com Your support is greatly appreciated—THANK YOU!
