Dear Stone Elementary Families,

Thank you so much for helping us get the 21-22 school year off to a great start. We are so appreciative of all your support as we navigate the challenges we always face when school begins. We also want to take this opportunity to welcome the new students and families to Stone Elementary. We look forward to working with you as your children integrate into the Stone Elementary family.

With this said, there are a few issues that need to be addressed in regards to parent pick-up. We realize that many of you are new to the parent pick-up line and we want to make sure that students are able to be loaded quickly and efficiently, without compromising safety. If you drive through parent pick-up, please help us by observing the following procedures and rules:

1. Please remain in your car and allow your child to get into the vehicle. You may then pull up to the designated parking spots along the pick-up line to buckle students in their car seats.
2. The **school zone is a cell free zone**. Please do not be on your cell phones during the time of parent pick-up. This can and will result in a \$200 fine. You may not support your phone with any part of your body--it must be hands-free.

If you have any questions, please feel free to contact Mrs. Spicer, Ms. Cox, or Officer Ted Monday at the school. We are more than happy to offer any assistance or clarification. Again, student safety is our primary concern and we appreciate your help.

Sincerely,

Mrs. Spicer, Principal  
Stone Elementary School
