

**NOTICE OF PUBLIC HEARING**  
**VALLECITOS SCHOOL DISTRICT**

NOTICE IS HEREBY GIVEN that a public hearing will be held by the Governing Board of the Vallecitos School District to receive community comments and public testimony concerning the proposed adjustments to the District's Trustee Area map based on the 2020 Census data in order to remain in compliance with California Education Code section 5019.5.

**Community Input Requested Regarding Trustee Area Maps/2020 Census Impact**

In 2019, the District transitioned to a by-trustee area election system to ensure compliance with the California Voting Rights Act (“CVRA”). The current Trustee Area map has been in place since then. Every decade when the Census is released, the Board must review the new Census data on the current Trustee Area map to ensure population balance across each area. If balance exists within the permissible deviation, the Board can re-adopt the same map for use in District Board elections until the next Census is released. If the population is no longer balanced, the Board must adjust the map to regain population balance across the Trustee Areas.

A demographer has confirmed that the current Trustee Area map is no longer balanced based on the new Census data. The demographer prepared an adjusted map option designed to regain population balance across the Trustee Areas. Please review Plans A and B and share your preference with the Board at the next Board meeting on February 8, 2022. At that Board meeting, the Board will consider adopting one of the adjusted Trustee Area map plans to serve as the District’s Board map through the release of the 2030 Census in 2031. Importantly, these maps only impact who can be a candidate to run for Board and which residents elect those candidates.

YOU WILL THEREFORE TAKE NOTICE THAT a public hearing will be held before the Governing Board of the District as follows:

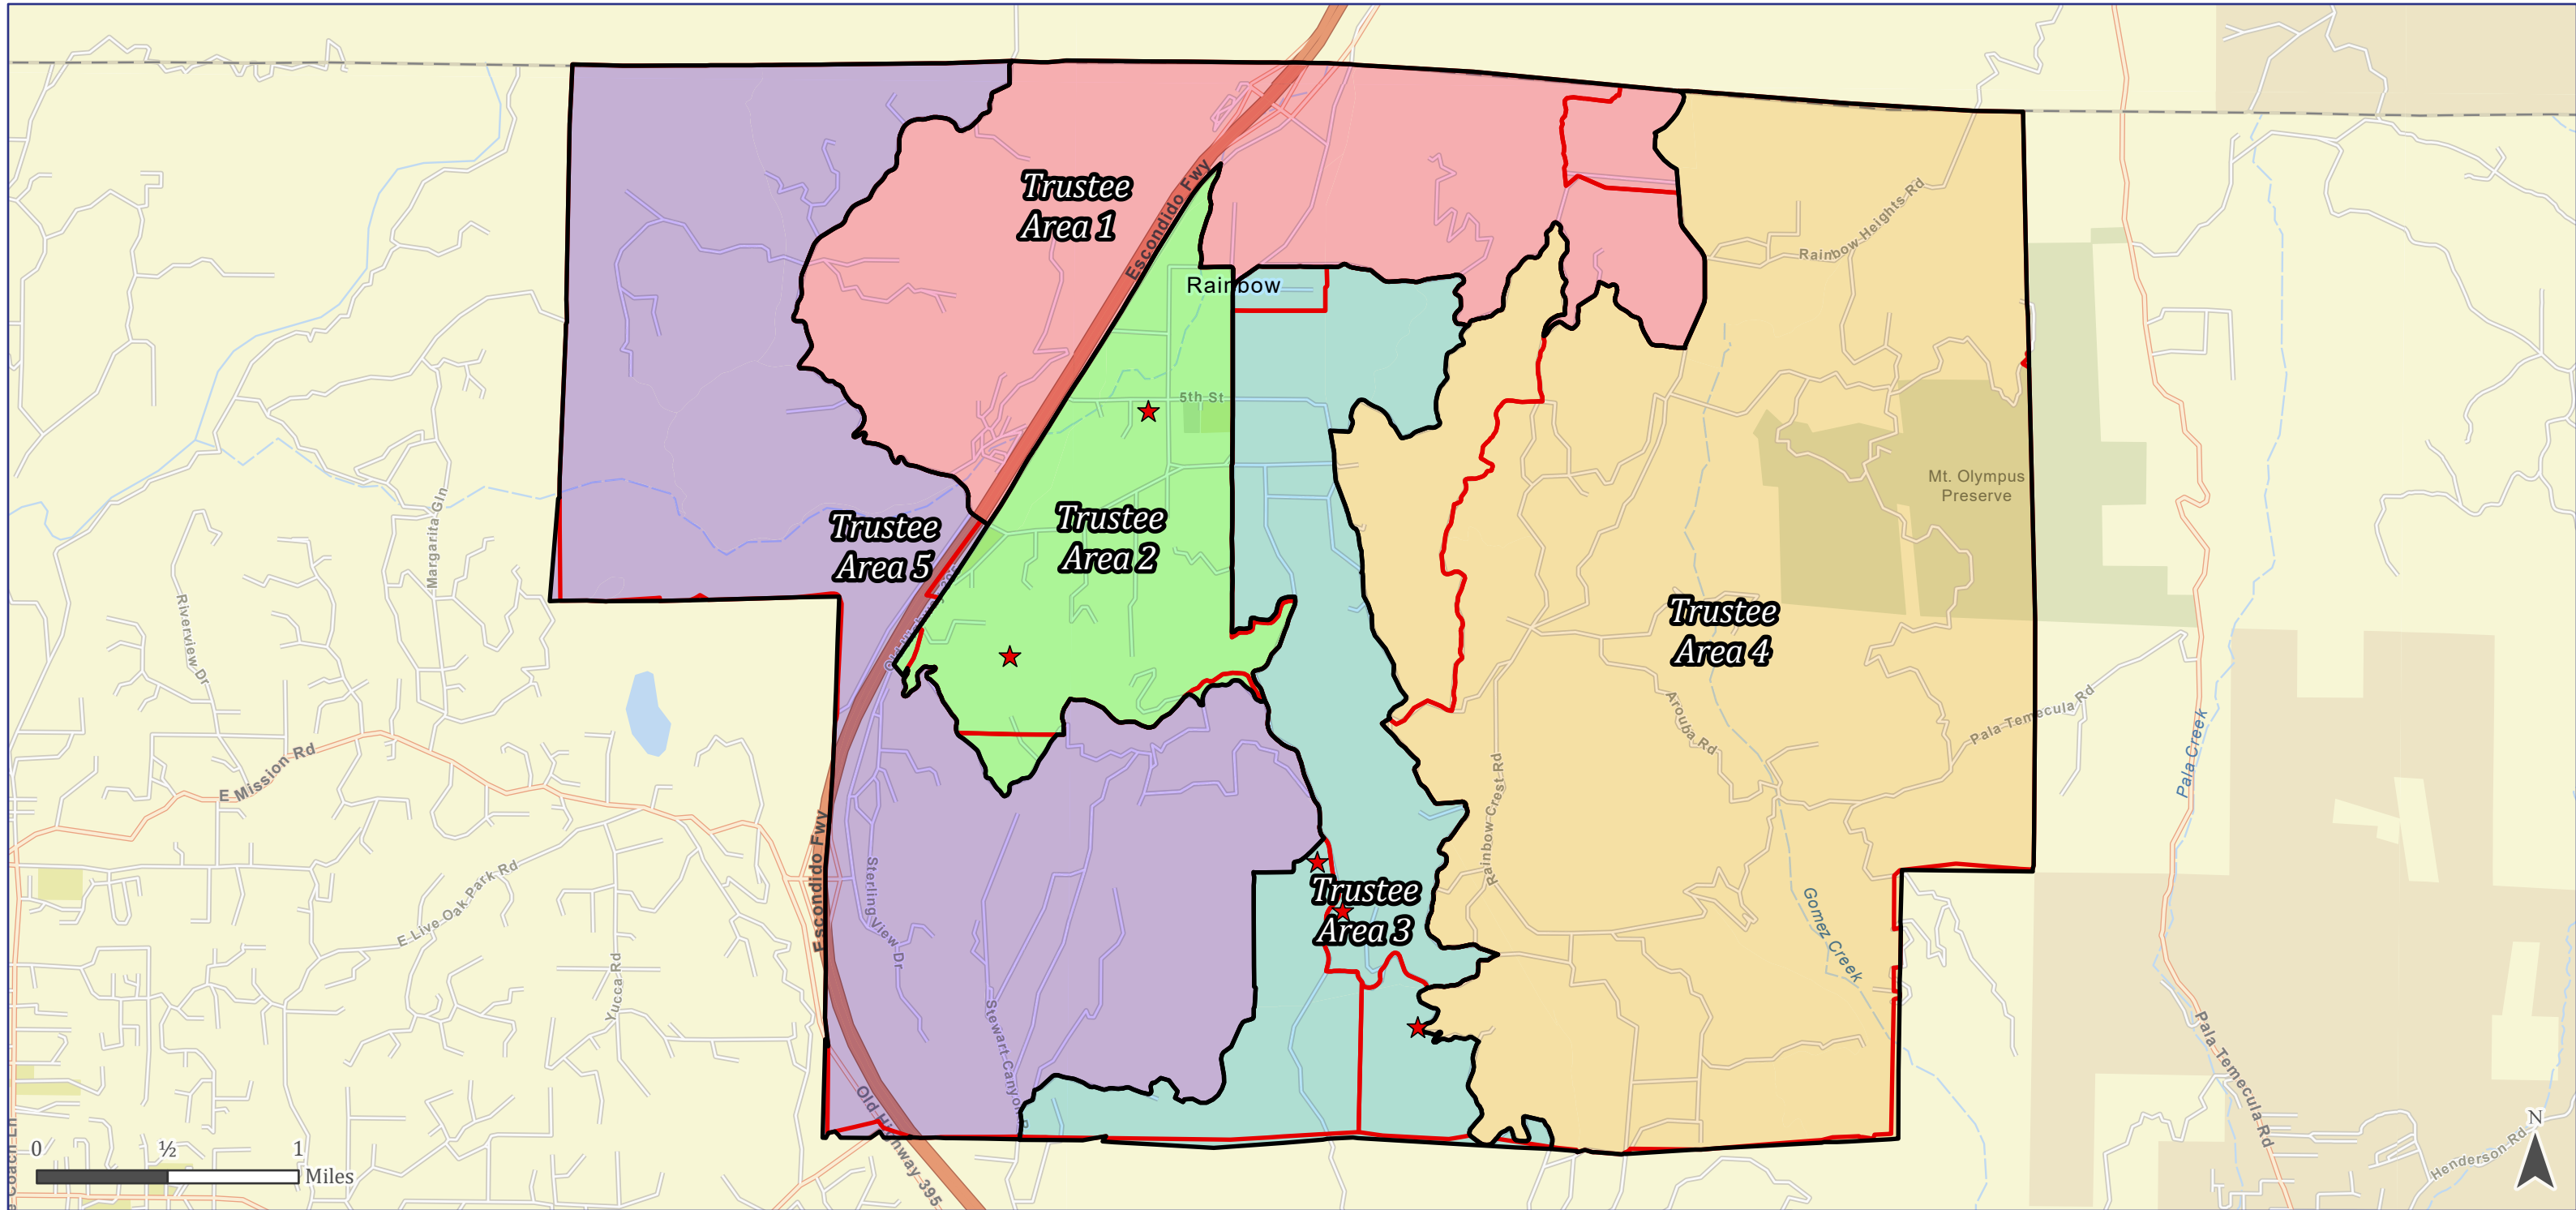

**Date:** February 8, 2022

**Place:** Via ZOOM Meeting  
Log-in and Call-in information available on District Website
