A MESSAGE FROM PRINCIPAL MCMAHAN

We've had an incredible first week of school, filled with energy and excitement as students and staff returned to our hallways. From the lively elementary classrooms to the engaging discussions with our middle and high school students, it's clear that this year is off to a great start.

One of the highlights this week was our important discussion with middle and high school students about the value of respect. We emphasized the importance of showing respect to our staff and fellow students, even in situations where respect may not always be reciprocated. It's a crucial lesson that sets the tone for a positive and supportive school environment. In the elementary hallways, teachers have been busy building strong relationships with their students. The joy and enthusiasm are evident as our youngest learners settle into their routines and connect with their new teachers.

Thank you to everyone for your hard work and dedication this week. We're excited to see what the rest of the year will bring as we continue to grow and learn together!

Get a Clue! by Megan Orr
It's moments before the ribbon cutting for the opening of the new Lakewood Middle School gymnasium when the unimaginable happens--Beloved Principal Black has disappeared! Now the student leadership committee needs to play detective in order to figure out what has happened--is this a kidnapping or murder?! With characters reminiscent of the classic game Clue, this mystery allows the entire audience to get involved in solving whodunit.
