Mr. Chad Simmons, Assistant Principal

Counselors

Mrs. Lisa Stewart
Last Names A-E

Mrs. Daphne McMahon
Last Names F-L

Mrs. Kadie Griger
Last Names M-R

Mrs. Pamela Owens-White
Last Names S-Z

Things to Consider When Selecting Courses for Your Student

- It is possible to earn 28 Carnegie Units during four years in the high school program, grades 9-12.
- Units required for promotion:
 - 9th Grade: 5 Carnegie Units required for promotion to 10th grade
 - 10th Grade: 11 Carnegie Units required for promotion to 11th grade
 - 11th Grade: 17 Carnegie Units required for promotion to 12th grade
- All students will register for seven classes, four core content classes (English, Math, Science & Social Studies,) and three elective/CTAE classes. Each class is .5 Carnegie Unit.
- Students should develop and complete an individual graduation program or Career Pathway. The Career Pathways include Academic, Fine Arts, World Language, and CTAE.
- The University System of Georgia strongly recommends those students who are planning to attend a post-secondary college should take a 4th year of math above Algebra II and 2 years of the same Foreign Language, no matter your graduation year.

Graduation Requirements

- 4 units of English (must include 9th Literature and American Literature)
- 4 units of Mathematics
- *4 units of Science (must include Biology, Physical Science or Physics, Chemistry, or Environmental Science)
- 3 units of Social Studies (must include American Government, World History, US History, and Economics)
- At least 3 units of Career, Technical, Agricultural, Foreign Language and/or Fine Arts courses (any combination)
- 1 unit of Health/Physical Education OR 3 years of ROTC (requires signed letter)
- At least 5 elective units

** The 4th science unit may be selected from academic science courses or from approved CTAE courses. This course will earn one Carnegie unit of science credit; however, this same 4th science course could also be used to meet a requirement of a career pathway course.*

= 24 Units Required for Graduation

EDUCATIONAL INFORMATION

FINANCIAL AID AND SCHOLARSHIPS:

Financial Aid information (grants, scholarships & loans) can be located in the counseling office, VHS Website and at www.gafutures.org. Students and parents are responsible for contacting the counseling department and viewing the websites to obtain information.

HONOR GRADUATES, VALEDICTORIAN, AND SALUTATORIAN:

The cumulative GPA is used to determine honor graduates, salutatorian, and valedictorian. To be an honor graduate, a student must have a cumulative GPA of at least 90, which is not rounded up. Determination of honor graduates, salutatorian, and valedictorian is made at the end of the first semester of the senior year.

PLAYING SPORTS IN COLLEGE:

In order to be eligible to play college sports as a freshman, students must meet certain course requirements and meet certain standards in GPA and SAT or ACT scores. The student and parents are responsible for being certain students take the proper courses to meet NCAA standards. The standards are located in the counseling office. Students must complete the NCAA eligibility form online at the end of their junior year. It is the students' responsibility to be certain this form is completed online and transcript is mailed. Registration form and more information can be found at www.ncaa.org

INFINITE CAMPUS:

Infinite Campus allows parents to access the grades and attendance of their children on a daily basis through the internet. You can access this center by going to the county's main web page, www.hcbe.net, and then "Parents." Be sure your settings to receive emails and phone calls are turned on so that you can receive important information from the school. You can also contact Mrs. Ginger Towe, the VHS ATS Clerk, at 218-7537 ext. 3639 or ginger.towe@hcbe.net for additional assistance.

HOPE SCHOLARSHIP AND HOPE GRANT:

The **HOPE Scholarship** program was established in Georgia to help students in Georgia with their college tuition costs. To qualify as a HOPE Scholar, students must graduate with at least a 3.0 GPA in core classes (English, Math, Science, Social Studies, and World Language classes). As of the fall of 2013, the amount of the HOPE benefit will be determined based upon available revenues and approved annually by the General Assembly. The Hope Scholarship does not provide an allowance for books or other fees. The HOPE scholarship will pay for 127 semester or 190 quarter hours, as long as the student maintains a cumulative GPA of 3.0.

In 2011, the **Zell Miller Scholarship** program was created for students who graduate from high school with a GPA of 3.7 or higher and have received a score of at least 1200 on combined Critical Reading Score and Math Score on the SAT or have received a score of at least 26 on the ACT. Zell Miller Scholars will receive full tuition at any of Georgia's public institutions and the full private HOPE award for private institutions.

The HOPE Grant program provides grant assistance to residents of Georgia pursuing Certificates of Diploma or Diplomas at Georgia's postsecondary institutions. Unlike the HOPE Scholarship Program, students are not required to graduate from high school with a specific grade point average.

However, students are required to have a minimum postsecondary cumulative grade point average of 2.00 at certain checkpoints. The purpose of the HOPE Grant Program is to encourage Georgians to obtain technical training in order to increase the knowledge and skills of Georgia's workforce. The only classes that will be "weighted" are Advanced Placement (AP) and Dual Enrollment. The GSFC will weight those classes to ensure uniform weighting across the state. Numeric grades will be converted to the 4.0 scale and .5 will be added to each, up to a total of 4.0. Local weights for honors classes will be removed for purposes of the HOPE calculation.

**VHS Courses Meeting HOPE Rigor Requirements
Updated January 2023**

Subject Area	Course Title
English	Advanced Placement Language
	Advanced Placement Literature
Mathematics	Advanced Placement Calculus AB/BC
	Advanced Placement Statistics
	Algebra II or Honors Algebra II
	Pre-Calculus
	Advanced Placement Pre-Calculus
	College Readiness Math
Science	Advanced Placement Biology
	Human Anatomy/Physiology
	Chemistry or Honors Chemistry
	Advanced Placement Chemistry
	Physics
	Advanced Placement Physics
	Advanced Placement Environmental Science
Social Studies	Advanced Placement Psychology
	Advanced Placement US Government
	Advanced Placement World History
	Advanced Placement US History
	Advanced Placement Economics
Foreign Language	French II
	Spanish II
	Spanish III
	Spanish IV
	Latin II

Dual Enrollment courses in English, Math, Science, Foreign Language or Social Studies courses count toward rigor requirement. HOPE Scholarship requires that all students complete four rigor courses to be eligible.

Are you interested in getting a jumpstart on your future? Houston County Career Academy Survey 2022-23 School Year

Dual Enrollment Options

*Are you interested in earning college credit while still in high school? **In the following DUAL ENROLLMENT programs, you can earn college credit at Central Georgia Technical College or Middle Georgia State University while still in high school. Most classes are taught at the Houston County Career Academy & transportation is provided. Please select your program of interest from the choices below:*

****Please note- The classes below are covered by DUAL ENROLLMENT & Admission to Central Georgia Technical College or Middle Georgia State University. Students are required to submit a completed dual enrollment application and must have a 2.0+ high school GPA to enroll in CGTC and a 3.0+ for MGA Dual Enrollment programs. Students earn both college & high school credit. Students must complete a dual enrollment funding application on gafutures.org each academic year.**

****AIRCRAFT STRUCTURAL TECHNOLOGY (11th and 12th only) 1 Yr. Pathway**

- Provides technical training to students interested in obtaining aircraft structural assembly skills, including blueprint reading & structural fundamentals.
- Classes taught at **CGTC Aviation Training Center**. Parents must provide transportation.

****AUTOMOTIVE - 2 Yr. Pathway**

- Students learn basic maintenance & repair operations in 8 ASE areas of vehicles & light trucks.
- Career opportunities: Auto dealerships, Auto Care facilities, Lube shops, or Self-Employed.

****BARBERING - 1 Yr. Pathway**

- Introduces students to barbering, styling implements, science, sanitation, haircutting & shampooing.

****COMPUTER Software Engineering (11th and 12th only – Must meet MGA requirements) - 1 Yr. Pathway**

- The course is designed to strategize, design, and develop mobile and desktop applications that can be produced in the real world.
- Pathway completers have an opportunity to pursue RAFB software engineering internship.
- Classes taught at **R. Wayne Lowe Synergy Innovation Center**- Transportation provided.

****COSMETOLOGY - 1 Yr. Pathway**

- Skills training in cosmetology theory, safety, sanitation & decontamination, hair care & treatments, sales & management, haircutting, chemical texture services & styling, manicuring and pedicuring.
- Curriculum meets state licensing requirements for State Board of Cosmetology.

****CRIMINAL JUSTICE - 1 Yr. Pathway**

- Students interested in public safety & criminal justice; Examine components of criminal justice system and roles & responsibilities of police, courts & corrections.
- Introduces students to variety of agencies & professions in law enforcement, private security, corrections, emergency services.

****EMERGENCY MEDICAL RESPONDER - 1 Yr. Pathway**

- Prepares students to initiate immediate lifesaving care to critical patients; Anatomy & Physiology, Medical Terminology and Emergency Response.

****ENGINEERING (11th and 12th only) - 1 Yr. Pathway**

- Students learn about innovation in the engineering and technology field.
- Provides training in core engineering techniques, including drafting and design, complex mathematical calculations, and force evaluation. Topics also include engineering project write-ups, presentation, evaluation, and safety.

****HVAC**

- Students learn the basic concepts, theories, safety regulations and procedures of refrigeration. Topics include an introduction to OSHA, safety, first aid, laws of thermodynamics, pressure and temperature relationships, heat transfer, the refrigerant cycle, refrigerant identification, and types of AC systems.
- *Advanced students can be dually enrolled at CGTC and earn college credit in three HVAC classes.

****INDUSTRIAL SYSTEMS**

- Prepares students to become multi-skilled employee in manufacturing setting; Students learn mechanical maintenance, ability to operate hydraulic pneumatic pumps & piping systems & electrical systems motor controls.
- Completers qualify for an interview with Frito Lay.

****Information Technology (A+ Certification)**

- Students can earn Advanced Comp TIA A+ Certified Tech certificate (TCC) from CGTC
- Students learn the fundamentals of installing & maintaining microcomputers, function components, safety, printers, T-switches, troubleshooting, resolving minor system problems, preventative maintenance.

****NURSE AIDE ESSENTIALS - 1 Yr. Pathway**

- Prepares students with classroom training & practice as well as the clinical experiences necessary to care for patients in various settings including general medical & surgical hospitals, nursing care facilities, community care facilities for the elderly, & home health care services. Students who successfully complete this program may be eligible to sit for the state Certified Nurse Aide (CNA) exam. There are additional program requirements for this program required for clinical sites & some costs are not covered by dual enrollment.

****WELDING - 2 Yr. Pathway**

- Graduates prepared for qualification tests & advanced welding training.
- Technical certificates (TCC's) available: Basic Shielded Metal Arc Welder, Gas MIG & TIG.

High School Credit Only Options

****The Culinary program can be dual credit with CGTC, but students can enroll even if they are not admitted to the college & receive high school credit only. All other programs listed below are not Dual Enrollment programs but high school credit only.**

Please note- 2.0 + high school GPA preferred for all HCCA programs.

AUDIO VIDEO TECHNOLOGY & FILM - 2 Yr. Pathway

- Prepares students for employment or entry into a postsecondary education program in the audio and video technology career field.
- Topics covered may include: basic equipment, script writing, production teams, production and programming, lighting, recording and editing, studio production, and professional ethics.

****CULINARY ARTS - 2 Yr. Pathway**

- Students learn "art" of cooking; growing program across state of Georgia.
- Opportunity to earn ServSafe Certification.
- Gain knowledge in diet, nutrition, food preparation, cost & budgets and the science of food.
- Career opportunities: Souse Chef, Pastry Chef, Kitchen Manager, Garde Manager, Banquet Chef or Restaurant Entrepreneur.
- Students can be dual enrolled at CGTC and earn Prep Cook Certificate of Completion.

FINE FURNITURE/CABINETMAKING

- Students will learn woodworking skills including safety, applied math, hand tools and machine operations. Advanced students will further their understanding of the design process by assembling and finishing wood projects.

TEACHING AS A PROFESSION - 2 Yr. Pathway

- Students interested in pursuing a career in Education field.
- Diverse opportunities in Education: school administrator, school counselor, elementary school teacher, special needs teacher, secondary teacher, post-secondary teacher, preschool teacher and paraprofessional.
- Education is major focus in Georgia.
- Courses include: Examining the Teaching Profession, Contemporary Issues in Education and Teaching Internship.
- Opportunity to earn college credit.

HEALTHCARE SCIENCE TECHNOLOGY -2 Yr. Pathway

- Students interested in pursuing a career in the Healthcare Industry.
- The concepts of health, wellness, and preventative care are evaluated; ethical and legal responsibilities of today's healthcare provider are also examined.
- Courses include: Introduction to Healthcare Science, Essentials of Healthcare, Allied Health and Medicine, & Sports Medicine.

Dual Enrollment Information

The purpose of the Dual Enrollment program is to promote and increase access to postsecondary educational opportunities for Georgia high school students while increasing high school graduation rates, preparing a skilled workforce, and decreasing time and cost to postsecondary credential completion. Georgia's Dual Enrollment Program provides funding for students who are dually enrolled in a participating public high school and postsecondary institution in Georgia. Students take postsecondary coursework for credit towards both high school graduation requirements and postsecondary certificates, diploma or associate degree requirements. Georgia has created a singular program known as Dual Enrollment for eligible students in grades 10-12. Students may enroll on a part-time or full-time basis as a Dual Enrollment student and take college courses at their high school or a postsecondary campus. Students will receive high school and college credit simultaneously when attending and passing eligible dual enrollment college classes.

Next Steps:

- 1) Attend a dual enrollment information meeting at your high school or local college
- 2) Explore the Dual Enrollment college website and apply to the college as a dual enrollment student
- 3) Complete the Dual Enrollment Funding application in GAFutures
- 4) Meet with your high school dual enrollment advisor to discuss plans for coursework and graduation
- 5) Meet with your college dual enrollment advisor to discuss plans for coursework, class registration and any financial implications

Positive Behavioral Interventions and Support (PBIS)

Veterans is in its third year of implementing Positive Behavioral Interventions and Supports (PBIS). The PBIS team consists of 10 school staff members who meet monthly to discuss student discipline trends, behavioral incentives, and resolution methods that would decrease discipline at our school.

PBIS Mission Statement: All faculty, staff, and students will embrace excellence in academics and character in a safe environment.

Veterans High School bases its support for PBIS on the "Valued at the V" theme, where the word VALUE represents:

V - Value our school

A - Accept responsibility

L - Lead by example

U - Understand diversity

E - Embrace excellence

The matrix is posted throughout the school, and it can be found below:

Valued at the V

	Hallway	Cafeteria	Restroom	Classroom
Value our School	Keep it clean.	Place ALL trash in garbage cans.	Keep the restroom clean.	Respect school property.
Accept Responsibility	Be on time to class.	Keep your area clean.	Use the restroom between classes.	Always be prepared.
Lead by Example	Communicate without profanity.	Wait in line.	Report any misuse.	Be in charge of your own learning.
Understand Diversity	Use kind words.	Include others and use kind words.	Respect others privacy.	Treat others like you want to be treated.
Embrace Excellence	...in academics and character in a safe environment!			

**Veterans High School
340 Piney Grove Road
Kathleen, GA 31047**

Excellence is the standard, not the goal.
