[The Biden administration has been targeting Christian schools](#)

According to a new report from the American Principal Project, religious colleges, universities enroll just 10% of the nation's students—, and yet 70% of the penalties that the Department of Education doled out for violations were applied to Christian schools.

The study also reveals that while secular colleges and universities were fined about 250,000 dollars on average, Christian institutions were fined more than 800,000 bucks.

[The Christmas Wars are heating up in Iowa](#)

Last year, in the city of Toledo, some atheists managed to get a Nativity scene at the local firehouse taken down. THIS year members of Solid Rock Church are firing back. Iowa News Now reports that the church has set up a large Nativity outside the sanctuary that includes an image of King Herod which bears the word "atheist".

[Louisiana Pastor's Roadside Prayer Station Reaches 400 Souls: 'Best Ministry I've Ever Had'](#)

An 82-year-old Louisiana pastor is seeing his unique ministry yield "great dividends" as he has single-handedly reached more than 400 people with the Gospel of Jesus Christ by ministering to them at a busy intersection. He told Baptist Press his church had struggled to reach people and bring in new members, but he recently got an idea on how to share the hope of the Gospel with the small community.

Kevin Thomson

It has been a tough week here at Goforth Media. A friend and colleague of 20 years at this radio ministry had a heart attack early Monday morning and is now face to face with his Savior. A shock to us, but not to his Heavenly Father. [See Tribute](#)
Please pray for Kevin Thomson's wife and family as they navigate their new reality on this side of heaven.

Highlights from Letters to Power 88

• I am a minister and just wanted to drop a quick note to say a BIG THANK YOU to everyone at Power 88! It is the only station we have listened to over the past 6 years after moving to this area. We tuned it in and never turn it off. Our family loves this station and its great work. Over and over I heard such positive thoughts by the D.J.'s and it felt as though you were speaking to us. We praise God for power 88! Not just because of your music, but for your continued support of local churches and Christian businesses. Power 88 is truly a blessing to our community. Thank you for all you do!"
