

Criteria & Instructions: At the end of each sports season, the NYSPHSAA honors those **VARSITY TEAMS** and individuals that excel in the classroom. Those student-athletes, teams, and schools work very hard throughout the year and deserve to be recognized for their academic success.

Scholar-Athlete Team: To receive Scholar-Athlete team recognition with a certificate, the average **GPA of the top 75%** of the roster must be greater than or equal to **90.00**. Students with a GPA below 90 may be included in the average, but those individuals will not receive a Scholar-Athlete pin.

Individual Scholar-Athlete: If a team DOES NOT meet the Scholar-Athlete Team Criteria, the individuals on that team with a **90.00** or above GPA are still eligible to receive a pin and will be considered an **Individual Scholar-Athlete**.
