**ANNOUNCEMENTS**

NHS is hosting a drop-in exam study session with NHS tutors on Monday, December 16, 2024, from 2:30 PM to 4:30 PM in the Media Center. Bring your review materials. Tutors for all subjects are available if you need help or a study buddy. No need to RSVP; drop in! Snacks and Refreshments Included!

Hello Club Med Members! We will meet today, December 12th, in Mrs. McDonald's room after school. There will be snacks and games! See you there!

BPA members! There is a mandatory meeting this afternoon, December 12th, at 7 pm. The meeting will be in Dr. Cronk's room to review the upcoming regional competition. You will get your Regional event schedule at the meeting.

See you all there!

After just 4 days of Adopt-a-Chemic donations and collections, as a school, we have raised over 1000 dollars! The class with the most money collected per person will get a prize. This prize includes a choice of a pizza party, a hot cocoa party, or a cookie party! With these 4 days of collection complete, the top three classes with the most money collected so far are... Mr. Edelbrock's class with 3 dollars a person, Mr. Woehrle's class with 3 dollars and 50 cents per person, and our current leading class for donations is Mr. Muller's class with an average of 7 dollars a person. Thank you for your donations and keep up the great work throughout this week!

**POSITIVE THINKING**

**Enjoy Alone Time:** So many teens fear being alone in this modern and busy world. They don't know what to do, and they don't want to miss out on something fun. You know what's really fun? Alone time. When you have the freedom to be alone and enjoy the quiet, you find the time to develop new dreams and just be. You find the space to love yourself completely. No devices, no music, just YOU with your thoughts, hopes and dreams. Try it next time you find yourself alone.

**SPORTS ACTION**

Midlands varsity team hosted a Tri Meet Wednesday and finished it the same way it started; undefeated. The Chemics defeated Traverse City West 55-24 and then defeated SVL foe Grand Blanc 54-24. The pair of wins push the Midland record to 7-0 on the early season. Winning both matches for Midland were Rostin Delgado, Prestyn Simons, Ben Grenesko, Avery Simons, Eamon Murray, Noah Anderson, and Landon Macleod. A pair of Chemics came up from the sub varsity level to fill in varsity spots due to injury and earned their first varsity wins against Grand Blanc: Andrew Vo at 138 pounds and Leam Babylon at 144 lbs. Winning an exhibition match against Grand Blanc were Sam Clever and Abigail Shellnut. The Chemics are back in action next Wednesday against Saginaw United.

The Chemics varsity B team traveled to Meridian to take on the mustangs on Wednesday. The B team put up a great fight but fell 35-27. Winners in the competition were Amarius Prahin, Holden Grywalksy, Marco Araujo, Kayden Beebe, and Jared Glass.

The Girls Varsity basketball team got their first road win of the season last night against Flushing High School 48-22. Leading the Chemics in scoring were Emma McLaughlin and Maddie Page with 9 points, Kaiya Mahabir added 8 points, and Ella McLaughlin added 7 points and 6 steals. The Chemics continue to focus on strong team defense and sharing the ball on offense. Next game is Saturday vs Grand Haven at Midland High School with a 2:30 tip.
