6. Report of Principal Dr. Dykes, Principal
  - Current Events-
    - o 12-week progress checks go out tomorrow.
    - o Data reports from the Spring MAP testing was given to all in attendance. NHS showed high growth and achievement in 10<sup>th</sup> grade Math and Reading and 9<sup>th</sup> Grade Reading. High Growth was shown in 9<sup>th</sup> grade Math.
    - o These are the points we want to see. Dr. Dykes held a raffle for students who were present for the test and as well as students who met their growth goals.
  
7. Old Business Dr. Dykes, Principal
  - Update on students signing up to play for college- 2 more for spring sports and 2 Vince Dooley recipients.
  - Night advisement commenced. Maybe in talks to changing/improving/ modernizing it.
  - Call outs added in addition to emails-per last meetings request.
  
8. New Business Dr. Dykes, Principal
  - Students were invited to talk at the most recent faculty meeting and it was really well received. We know many students have hardships we are never going to know about, and that each student had a story about who at NHS helped them believe they can graduate. It was powerful.
  - Smart pass was added to help improve the issue of too many students in the hallway. It has been a major success. Students are only allowed 2 passes per day and only 25 in the halls at a time. This has helped make students more aware of time spent out of class and helped cut down on skipping referrals.
  - Discipline reports pulled, and all write-ups are down except for tardies. Admin is still working on a way to bring down tardies and how to discipline them without taking students out of class. This is still in the works.
